HISTORICAL SKETCH

Organized Clinton Methodism dates back to some time near the middle of the last century, probably the early fifties. Owing to the absence of records we cannot give the exact date of the organization of the first church here. But we know there was a church and a Sunday school in existence in 1857, for a Bible has been preserved by the family of the late Jas. M. Wright, which was presented to him by the people of Clinton and vicinity in token of their appreciation of his services as superintendent of a union Sunday school which he conducted in the Methodist church. The inscription on the fly leaf bears the date of Aug. 8, 1857. Some years prior to this date of Mount Zion Methodist church which was located about a mile west of Clinton and which was one of the first churches of this denomination built in Laurens county, was moved to the town of Clinton. This first church built in Clinton was located at the corner of West Main and Laurens streets and was a small frame building.

For many years the Clinton church was on the Laurens circuit and the preacher who served it lived at Laurens. But in 1868 Clinton circuit was organized, this church being coupled with five others in the surrounding country, and the preacher lived at Clinton. This arrangement lasted for over thirty years, until 1905, when all of the country churches except Sardis were taken off and attached to other circuits, and Clinton and Sardis were made a two-church station. For only four years this combination lasted, and beginning with the second pastorate of Rev. J. E. Mahaffey in 1909 the church at Clinton was placed by itself.

There have been four church buildings erected by Clinton Methodists and each one marked a distinct improvement over its predecessors. All of them except the present building stood on the original site. The first small building was replaced in 1880, under the pastorate of Rev. A. W. Walker, by a larger frame structure. By 1904 the church had grown to such an extent that a new and better building was necessary. That year, under the pastorate of Rev. G. M. Boyd, a beautiful brick church was erected. The late W. E. Nash, with R. Z. Wright and B. L. King, were members of the building committee. The names of the others cannot be obtained. Since that time the church has progressed very rapidly. In 1914, under the pastorate of Rev. W. A. Fairey, a great forward step was taken in the erection of our present modern and splendidly equipped church plant, than which there is no better in the conference. The building committee was composed of B. L. King, chairman; B. H. Boyd, W. H. McMillan, J. D. Bell, H. D. Henry, J. M. Pitts, W. H. Simpson, J. F. Jones and L. H. Davidson. On Sept. 19, 1920, this new building was dedicated by Bishop U. V. W. Darlington, Rev. Henry Stokes being the pastor at the time. It stands on the corner of North Broad and Ferguson streets, facing the former, and is one of the most handsome buildings in the city. The next forward step taken was the erection of a beautiful brick veneer, slate-roof parsonage on the lot just in the rear of the church, facing Ferguson street. This was planned during the last year of the pastorate of Rev. Henry Stokes, in 1920, and was completed the next year.

We cannot get the records farther back than 1881, but beginning from that date a comparison of the membership and amounts raised the second year of each decade will prove interesting and will serve to show the progress the church has made in the last forty years. In 1881 the six churches comprised in Clinton circuit were assessed \$310 for the support

of their pastor. Clinton church was assessed \$30 of that amount and the record shows that they failed to raise it by just eighty cents! In 1891 the church had 79 members and the amount raised for all purposes was \$475. In 1901 there were 97 members, who gave a total of \$411. In 1911 the church had 300 members and the total amount raised was \$2,186. In 1921 there were 412 members who gave for all purposes \$11,797. The present membership of the church is 419.

MESSAGE FROM THE PASTOR

This Directory goes into the homes of all the members of Broad Street Church and we trust that it may prove of help to each one. Use it. Its mission is to make us better acquainted with one another, as well as to help us in the work of the church. We live too far apart though our homes may be on the same street or in the same town. The better we know one another the fewer misunderstandings there will be and the more we will appreciate and sympathize with and love one another. It was said of the members of the early church by their enemies, "Behold how those Christians love one another." It should be true of the church in all ages and in Clinton, and we can make it true as far as we are concerned. There is a bond of Christian love and fellowship which binds all believers together, of whatever faith or order; but there should be an even stronger bond that binds us together as members of the same church. We are brothers and sisters of a common family, "among whom no contentions should ever exist, except that noble contention or rather emulation of who can best serve and best agree."

You are a part of the body of Christ. He is counting on you to do your part in building up His church. Every time you are absent from your place without a valid reason, every time you yield to temptation, every time you fail in your duty, you are not the only sufferer thereby; every member suffers too, and you bring pain and disappointment to the Master who is the Great Head of the Church.

So let us be loyal to Him and to each other and to His church, and let us all work together, each one doing his part for the upbuilding of His Kingdom in Clinton. May God's rich blessings rest upon you, every one.
