Senate Chamber

Dear Mr. Hildes

It is so agreeable to me to obey a
 command from you; & so flattering to
 find my name where it will occasi-
 onally recall me to your memory
 that I venture to record it here even
 at the hazard of supporting to the
 readers of your Album these lines
 of Pope

Pretty in number to behold the forms
 of straws or stalks or flus or grebs or wings
 The things we know are neither new
 But wonder how the devil they got there

Feb 1635-

John Preston
