- Milliken Interviews
- Come Rally with the Terriers before the USC Game
- Computational Science Internship Talks

Last Grapevine (alternative announcement method)

In response to numerous faculty/staff/student suggestions, the weekly Grapevine is being replaced by Daily announcements.

Any member of the campus community may place an announcement by visiting http://www.woffordcollege.org/blastemail (you may want to bookmark this address)

- Messages placed online by 7am the day of the announcement will be distributed.
- Messages may be directed to the entire campus, to students only, or to faculty/staff only.
- Messages may be placed in advance (simply specify the date for distribution).
- Messages will be run no more than twice. Please do not clog the system with the same message posted several days in a row
- All messages are subject to approval

Milliken Interviews

To Seniors & Juniors: The deadline for submission of resumes to Career Services is 5 PM, FRIDAY, NOVEMBER 1 for those wishing to be considered for on-campus interviews with Milliken on November 7. These interviews are for both Information Services internships AND the full-time position of Information Services Professional.

Come Rally with the Terriers before the USC Game

Plan to join Wofford alumni and other friends before the USC game this Saturday, November 3, from 11:30 until gametime. We have arranged to have a tent in the Richland County Sheriff's Foundation parking lot at the corner of South Stadium Drive and Bluff Road (directly across from Fairgrounds parking area). Soft drinks will be available under the tent, so students, faculty and staff are invited to drop by. All tailgaters are invited to join the Wofford crowd once they have located other parking. For further information, contact Bobby Couch in the Development Office at ext. 4208.

Computational Science Internship Talks

Today at 11:00 a.m. in MSH 110 all are invited to talks by the following four science majors on their summer internships involving computation in the sciences: Kim McDonald (Biology), Amanda Nave (Biology), Steven Robinson (Biology), Richard Webb (Biology)

- Nominations for Blue Key
- Come Rally with the Terriers before the USC Game
- History Lecture

Nominations for Blue Key

Each semester Blue Key National Honor Fraternity selects 12 students to be inducted into our organization. We would faculty members to nominate junior and senior students that possess the traits of leadership, academic success and service to the Wofford community. This semester’s candidates will be mainly seniors, and Spring 2002 candidates will be mainly juniors. You may nominate as many students as you wish.

Please send the names of all nominations to Sara Wise, Blue Key President, at wisese@wofford.edu. If you have any questions please do not hesitate to call ext. 4983.

Thank you for your help in this endeavor.

Sincerely,
Sara E. Wise, Blue Key President
Jameica B. Hill, Faculty Advisor

- MUSC Visit
- Economics Society Will Host Peter Klein Nov. 13
- New History Course

MUSC Visit

Representatives from the Medical University of South Carolina will visit on Tuesday, Nov 6. Both the medical school and the School of Allied Health Professions will be represented. We'll begin in the Olin Theater at 6:30; those interested in allied health careers such as PT, OT, PA will break out into a separate room at about 6:45.

Economics Society Will Host Peter Klein Nov. 13

Peter Klein, of the University of Georgia, will be the fall semester guest of the Economics Society. He will be speaking Tuesday, Nov. 13, at 3PM in the Papadopoulos Room on "Barbarism or Citizenship: Mexico's Indian Peasants and Republican Politics in the Nineteenth Century."

New History Course

Prof. Lucy Riall, Lewis P. Jones Visiting Professor of History, Spring 2001 (Senior Lecturer, Birkbeck College, The University of London) will teach a course (History 465+) entitled: "Romance, Rebellion and Realpolitik: 19th Century Nationalism in Italy and Germany" at 9:30 on Tuesdays and Thursdays. Here is a description of the course which is open to all students.

Romance, Rebellion, and Realpolitik: Nationalism in 19th Century Italy and Germany

The aim of this course is to study the impact and experience of nationalism in 19th-century Italy and Germany. We will look at how the language of nationhood was ‘invented’ and at the ways in which it was used by different political groups in the early 19th century; we will also examine its transformation from an expression of romantic yearning and youthful rebellion to a means of preventing revolution and of maintaining the existing political order in the two countries concerned. We will try to explain how an ideology which in both Italy and Germany originally embraced the ideals of political freedom and ‘fraternity’ (‘brotherhood’) became, by the end of the century, one which justified political exclusion and oppression.

Photo Contest Winners

The founder of the college, Benjamin Wofford, is buried on the lawn of Main Building. The inscription is the same as that on Christopher Wrenn’s tombstone, ‘If you seek a monument, look around you.’ Each year, the Spartanburg Photographic Center, the campus ministry and the communications office invite everyone in the Wofford community to ‘look around them’ and participate in a Founder’s Day photo contest. The winners are:

Grand prizes ($50 gift certificates) — Dr. G.R. Davis and Rachel Ann Sisson.
Runners Up ($25 gift certificates) — Mary Egbumi, Brian Greene, Bailey Neal, and Dr. Tracy Revels.
Honorable Mention — ($10 gift certificates) — Dr. G.R. Davis, Kathryn Maloney, Lucas McMillian, Herb Schoonover, Rachel Ann Sisson, and Dr. Talmage Skinner.

The certificates are in the campus mail to the winners, so watch for a yellow envelope! All of the photographs will be on display outside the campus ministry office, and the winners will be included in various college publications. Congratulations to our winners and thanks to all who participated. Negatives and index sheets for all of the film used may now be picked up at the communications office.

1st Annual Wofford Arts Contest

The Campus Union announces its 1st Annual Wofford Arts Contest. All students are encouraged to submit a two-dimensional piece reflecting the Wofford experience. Prizes of up to $100.00 will be awarded and the winning piece will be reproduced in print format, with proceeds benefiting the ‘Save Old Main’ campaign.

Entries are due to Laurin Manning by November 30. Call Laurin Manning at ext.4977 or email at manninglp@wofford.edu.

World AIDS Day Planning Interest Meeting

On Thursday, at 12:00, in the Infirmary there will be a meeting for all those interested in helping to plan World AIDS Day events. For more information, please contact Liz Rhen, at x4822, or Robert d'Erizans at x5329. Everyone is welcomed and encouraged to attend.

Message to advisors regarding the Math 120 course

Math 130, Finite Mathematics, is no longer being taught; three sections of the new course, Math 120, The Study of Patterns, will be taught this spring, and several sections will be taught every semester after that. These sections are open to all students, freshmen through seniors.

Math 120 is primarily designed to fulfill the general education mathematics course for non-science majors; it focuses on the essence of mathematics and its role in our culture and history. It is also one of three math requirements expected of the Economics/Business Economics major. At this point, it is unclear whether medical schools will accept this course as fulfilling a math requirement, so students interested in pursuing a pre-med major should consider taking statistics or calculus instead.

Any questions by faculty or by students regarding this course may be directed to Charlotte Knotts-Zides (ext. 4534) or Richard Robinson (ext. 4535).

Federal Work-Study Positions Available

Attn: All Eligible Federal Work-Study Students!!!!

"The Life and Times of a Renaissance Romance" - Lecture 4 pm Thursday

Thursday, November 15, 4:00 P.M.
Olin Building Theater, Wofford College
The Department of Fine Arts
Presents, April Oettinger
Assistant Professor of Art History, University of Hartford, who will give a lecture entitled:
"The Life and Times of a Renaissance Romance"

Throughout its five hundred year history, the Hypnerotomachia Poliphili--"Poliphilo's Struggle for Love in a Dream"--has attracted a wide audience of princely collectors, aesthetes, painters, poets, and intellectuals. Published in Venice in 1499, and lavishly illustrated with one hundred and seventy-two woodcuts, this romance written in Hellenized Latin tells of Poliphilo, a 15th-century pilgrim and "lover of many things," who searches for his beloved Polia, a personification of antiquity, traveling through a protean dreamscape of pleasant groves and artificial gardens, sumptuous edifices and fields of ruins. Professor Oettinger examines this masterpiece of Renaissance art and literature within a broad cultural context and shows how it inspired artists and authors in its own age and after.

Urgent Message!

To: All full-time employees
From: Human Resources

I have received an urgent call from Flores & Associates regarding our 2002 enrollment process. They are having some difficulties with their database system, and will need a day or so to clear things up. Please do not try to enroll either by web site or via telephone until you receive further notice from Human Resources.

It only takes a minute or so to enroll, so please don’t be too concerned about this slight delay. You will receive another blast e-mail as soon as we receive the go-ahead from Flores. Thank you for your patience.

Presents
April Oettinger, Assistant Professor of Art History, University of Hartford, Speaking on:
“*The Life and Times of a Renaissance Romance*”

Throughout its five hundred year history, the Hypnerotomachia Poliphili—“Poliphilo’s Struggle for Love in a Dream”—has attracted a wide audience of princely collectors, aesthetes, painters, poets, and intellectuals. Published in Venice in 1499, and lavishly illustrated with one hundred and seventy-two woodcuts, this romance written in Hellenized Latin tells of Poliphilo, a 15th-century pilgrim and “lover of many things,” who searches for his beloved Polia, a personification of antiquity, traveling through a protean dreamscape of pleasant groves and artificial gardens, sumptuous edifices and fields of ruins. Professor Oettinger examines this masterpiece of Renaissance art and literature within a broad cultural context and shows how it inspired artists and authors in its own age and after.

Winter Lighting December 2nd

Wofford's second Winter Lighting will be held Sunday, December 2, beginning with an all-campus dinner and program scheduled in Burwell Dining Hall for 5:00 p.m., to be followed by a procession led by the Grinch to the Row for desserts and awards, pausing enroute to light Main Building.

All Wofford faculty and staff, active or retired, and their spouses and children, and all Wofford students are invited. The Lighting Feast will feature traditional Christmas season fare, and the program will include songs from various organizations competing for an All-Sing prize, bagpipe music from Patrick Chapman '05, and selections from Dickens' 'A Christmas Carol' read by Scrooge (President Dunlap), Marley's Ghost (Professor Jack Seitz), Tiny Tim (Stephen Davis), the Ghost of Christmas Present (Brian O'Shea), and the Ghost of Christmas Future (Dean Roberta Bigger).

A prize for Best-Lit House will be presented as guests enjoy desserts and hot drinks provided by house organizations on the Row. All guests are invited to come in seasonal costumes, and a prize will presented for the Best-Dressed person.

Organizations (Greek and Non-Greek) should contact Meri Lynch at X-4405 to sign up for group-sing competition, and Row organizations should contact Jim Hartell at X-4401 about dessert and drink hospitality arrangements.

SENIORS: IMPORTANT DEADLINES

---------------------------------

The deadline for sign up and submission of resumes for consideration at the interviewing event in Columbia in February is 5 PM, TUESDAY, NOVEMBER 20. We must have by that time one quality resume for EACH COMPANY to which you are submitting a resume.

The deadline for sign up and submission of resumes to interview with Milliken in the CS Office on 11-29-01 is 5 PM, MONDAY, NOVEMBER 26. NOTE: Milliken will be in Columbia in February BUT they are much less likely to select Wofford seniors to interview there because they will have already had a presence at Wofford on Nov. 29.

Microsoft Windows XP Home version NOT supported

---------------------------------

ADVISORY TO ANYONE CONSIDERING THE PURCHASE OF A NEW COMPUTER OR A NEW OPERATING SYSTEM FOR AN EXISTING COMPUTER: Microsoft Windows XP Home Edition will NOT support the enhancements planned for the Wofford Network, scheduled for early 2002. Although not yet fully tested, Microsoft Windows XP Professional Edition IS expected to function with the new network. Please keep this consideration in mind when shopping for computer operating systems that will require full connectivity to the Wofford Computer Network. Systems running Windows 2000 Professional, Windows NT Workstation, and Windows 95/98/ME will continue to support the network enhancements.

Winter Lighting Dinner and Ceremonies December 2nd

All faculty, staff, and students are invited to Wofford Winter Lighting Ceremonies Sunday, December 2, 2001. Faculty and staff spouses and children, widows or widowers of faculty and staff, and retired faculty and staff are included in the invitation.

Dinner will be served in Burwell Dining Hall beginning at 4:45 p.m., no reservations required. The Wofford Chamber Ensemble will play as guests are served and dine. The program begins about 5:15 p.m. with choral groups competing for an All-Sing prize, student bagpiper Patrick Chapman rendering two numbers, and an all-star cast doing an abbreviated reading of Dickens' A Christmas Carol (President Dunlap as Scrooge, Professor Seitz as Marley's Ghost, Professor Monroe as Bob Cratchit, Stephen Davis as Tiny Tim, Mary Allen as Christmas Past, Brian O'Shea as Christmas Present, and Dean Bigger as Christmas Yet to Come).

Around 6:00 p.m., students bearing the Grinch and Its sleigh will lead the audience outside and up the walkway towards the Row, pausing to light the towers and ring the tower bell, and then proceeding to the Row where each house will offer a hot drink or dessert, and where judges will announce winners of the All-Sing contest, Best Costume contest, and Best Lighted House contest.

Anyone in costume is eligible for the costume competition, and any lighted house on the Row is eligible for the lighting prize. Choral groups wishing to compete should enroll through Meri Lynch in the student life offices.

Lecture: Benita Van Winkle

On Thursday, November 29, Benita Van Winkle of the Creative Circus will lecture on 'Workers,' a photographic study of manual laborers worldwide. Brazilian economist and photographer Sebastiano Salgado is the artist who captured the images. The lecture will be in the Olin Building Teaching Theater. All are welcome.

Faculty Talk

The final presentation in this semester's series of faculty talks will take place on Wednesday, November 28, when Professor Doug Rayner will speak on 'Where Have All the Wildflowers Gone?'. Professor Rayner has studied the impact of the deer population on the abundance of spring wildflowers in Croft State Park. He will present the findings of his research and discuss its broader implications in the Papadopolous Room at 4:00, with refreshments served at 3:30. All are invited to attend.

World AIDS Day Observance Program

There will be a city wide observance program for World AIDS Day on Saturday, December 1st, at 6:00 pm in Tukey Auditorium at USCS. Everyone is encouraged to attend.
December 1 is World AIDS Day. As we enter the third decade of fighting HIV/AIDS, the news is troubling. An estimated 36 million people are living with HIV/AIDS. In 2000, approximately 8,000 people, worldwide, died of HIV/AIDS every day. Worldwide in the same year, young people under the age of 25 represented half of all new HIV infection cases, and every minute, five young people were infected with HIV.

In the past 20 years, AIDS has claimed the lives of nearly 22 million people. If current projections are accurate, the number of deaths caused by AIDS in the next 10 years will be greater that the combined fatalities in all wars of the 20th century.

However, there are signs of hope. We know that education can stop the spread of HIV/AIDS. We know that when people are tested and receive appropriate treatment, their long-term health and well-being is enhanced. New drug therapies are making it possible for many to enjoy long and productive lives.

Please help us fight the fear, denial, and stigma associated with HIV/AIDS.

Richard Johnson, in his 17th year as head men's basketball coach at Wofford College, has been promoted to Athletic Director and will assume those duties effective Dec. 3. Johnson takes over for Dr. David Wood, who has been promoted to senior vice president. Johnson will continue in his coaching role through the end of the season. Wofford President Benjamin Dunlap said, "Richard Johnson is a winner, pure and simple. No one is better at inspiring a group to excel beyond their own expectations, and that's what Wofford needs to do in nearly every contest it undertakes. That's why our mascot is the Terrier. Admittedly, Richard Johnson is an oversize Terrier, but he has a heart to match. He'll be a superb Athletic Director." Since becoming Wofford's head coach in April 1985, Johnson has seen the Terrier basketball program grow from NAIA membership to NCAA Division II, Division I Independent, and the Southern Conference. During that time, Johnson has held the title of assistant athletic director while being involved in several administrative and fundraising capacities. Johnson has a 100 percent graduation rate for all players who have completed their eligibility under him. He has also been the runner-up for Southern Conference Coach of the Year honors twice in the Terriers' four seasons of league play. Johnson entered the 2001-02 campaign with a 225-212 record (.519) that places him second on the college's all-time list for victories and winning percentage. "I had the greatest job in the world," Johnson said. "Why would I want to leave?" The answer is that it's a tremendous opportunity to build on the momentum that Dr. Dunlap and Dr. Wood have established and the energy they have generated. I'm also fortunate to inherit a great administrative and coaching staff." A native of Blue Island, Ill., Johnson is a 1976 graduate of The Citadel. He also received his MBA from The Citadel in 1980. Upon his graduation, he was hired as an assistant coach by then Bulldog coach and now Athletic Director Les Robinson. He served nine years under Robinson at The Citadel before coming to Wofford. "Richard Johnson is very qualified and ready to become athletic director at Wofford," Wood said. "During his 17 years here, he has participated in a variety of administrative assignments, ranging from serving as assistant athletic director to planning and fundraising for the Richardson Building and Carolina Panther projects. "Richard has always had the big picture in mind when it comes to Wofford College and the athletic program, in particular the importance of athletics as an educational experience for our young people." Johnson and his wife, Carol, have three children: Lindsay, age 22; Lauren, age 20; and Rich, age 11. Lindsay is a 2001 Wofford graduate while Lauren is currently a junior at Wofford.
Johnson Named Director of Athletics at Wofford

Richard Johnson, in his 17th year as head men's basketball coach at Wofford College, has been promoted to Athletic Director and will assume those duties effective Dec. 3.

To: All Members of the Wofford Community  
From: Bernie Dunlap  

I'm pleased to announce that Dr. David Wood has accepted the office of Senior Vice President, assuming responsibility on December 1st for business management throughout the college. As everyone in the Wofford community already knows, David is a paragon of fairness, efficiency, and imagination. Please join me in congratulating him on his new position.
SoCon's gain is Wofford's loss: Morrison named conference commissioner

After making enormous contributions to his alma mater for the past 16 years, Senior Vice President Danny Morrison '75 has accepted a new challenge as commissioner of the Southern Conference. The announcement was made Nov. 13 during the conference's annual meeting, and the appointment becomes effective in December.

"I've tried to console myself with the thought that, though we're losing a key member of our administrative cabinet, we're gaining a SoCon Commissioner," said President Benjamin Dunlap. "But it's wrenching to see one of your own leave home, even to pursue such conspicuous and well-deserved success. Dr. Morrison has served Wofford since 1985, first as athletics director and more recently as senior vice-president. He has made immeasurable contributions, which have earned him the opportunity he's now taking up. He'll be married to the Southern Conference, but he'll always be part of the Wofford family."

Morrison becomes the SoCon's seventh commissioner, succeeding Alfred B. White. The conference was formed on February 25, 1921, at a meeting in Atlanta, Ga. Current league members are Appalachian State, College of Charleston, The Citadel, Davidson, East Tennessee State, Furman, Georgia Southern, UNC Greensboro, Chattanooga, Virginia Military Institute, Western Carolina and Wofford.

The conference office is currently located in Asheville, NC. Morrison will continue to reside in Spartanburg for the present while maintaining a hectic travel schedule. His wife, Peggy Morrison, will continue her work on the professional staff of the Wofford development office. Their son, Trey, is a freshman at the University of South Carolina, and their daughter, Meg, is a junior at Spartanburg High School.

A native North Carolinian, Morrison was an outstanding student at Wofford. He was named to Phi Beta Kappa, lettered in basketball every year, and graduated summa cum laude with a B.A. degree in mathematics. He later completed a Ph.D. in higher education administration at USC. In 1993, he participated in the prestigious month-long Institute for Educational Management at Harvard University.

After teaching and coaching in high school and spending five years on the athletics staff at Elon University, Morrison returned to Wofford as the first full-time administrator of the athletics program. During his 12-year tenure, the college went from competing as an independent in the NAIA with nine sports to a member of the Southern Conference at the NCAA Division 1 level with 16 sports. Six women's sports were added. The average grade point average for student-athletes rose from 2.43 to 2.72.

Morrison was able to recruit and retain some outstanding administrative staff coaches, including Mike Ayers in football and Richard Johnson in men's basketball.

The endowment for the Terrier athletic program grew from $150,000 to more than $7.5 million. Facility improvements included land acquisition, the Richardson Physical Activities Building, Gibbs Stadium, Reeves Tennis Center, state-of-the-art football and soccer practice fields, parking and intramural fields, a renovated soccer stadium and a permanent parquet basketball floor. Annual Terrier Club giving grew from $220,000 to $675,000. A 15-year agreement to host the NFL Carolina Panthers Training Camp was realized.

In 1992, the Wofford National Alumni Association honored Morrison as a Young Alumnus of the Year, a unique distinction for a current staff member.

In January 1997, as part of a realignment of the college administration, Morrison was named senior vice president. In this position, he supervised the construction of a new residence hall and the magnificent Roger Milliken Science Center, as well as several major renovation projects. He oversaw an ambitious landscaping project that so far has involved planting more than 4,000 "noble trees," representing 135 different species native to the Carolina Piedmont.

Morrison has served on numerous professional and civic boards and committees, including the Bank of America advisory board, the Rotary Club of Spartanburg and the regional "Share the Vision" steering committee.
