At 3.30 P. M., the ordination services were held. The Deacons and the Elders were ordained by the Bishop. He was assisted by the Presiding Elders and the Revs. E. B. Burroughs and H. E. Frohock. The Secretary presented the candidates. These services were succeeded by memorial services for the four members of Conference and the beloved wife of one of the preachers who died during the year. Brief eulogies were delivered upon the life and labors of the deceased by F. E. McDonald, C. C. Jacobs, B. F. Witherspoon, W. R. A. Palmer and J. B. Middleton. Very touching papers were read by members of the committee on memoirs. Rev. F. E. McDonald presided, and Dr. J. E. Wilson pronounced the Benediction.

At 7.30 P. M., the Rev. W. G. White delivered the Conference sermon. It was chaste, logical, erudite and full of wholesome truths.

RESOLUTIONS.

RESOLVED, That this Annual Conference hereby petitions the General Conference to pass an Act at its next session to enable this Conference to organize itself into two Conferences if it so desires during the quadrennium succeeding the next General Conference session.

C. C. SCOTT.

WHEREAS, The convict system locates in various sections of this State convict camps, and,

WHEREAS, Said camps are conveniently reached, and accessible to our Preachers,

The separation of Claffin University from the State School made necessary an entire readjustment of the work at Claffin and immediate provision for several departments heretofore supported by the State. The great pressure upon the Freedmen's Aid and Southern Educational Society prevents their giving adequate aid in this emergency. The Conference has responded nobly to calls made upon it, but out of deep poverty and in sums not equal to the necessity. In view of the great urgency of need in Claffin University,

RESOLVED, 1st, That we appeal to the friends of the freedmen and all who long for the elevation of our race, to aid us in developing Claffin University.

RESOLVED, 2nd, That we request Rev. I. M. Dunton, D. D., President of Claffin University, to make solicitations in the North for funds and other aid for Claffin University.

H. E. FROHOCK.

WHEREAS, This Annual Conference has been most hospitably entertained by the good people of the City of Anderson, including the Pastor of the Thompson Centennial M. E. Church, the other pastors of the city, of the various denominations here represented, and the members of the various Churches; and,

WHEREAS, We feel that their friendly care is, to say the least, equal to that extended previously in any other city; therefore be it

RESOLVED, That the South Carolina Annual Conference extend to them a vote of thanks, and pray ever God's choicest blessings upon them.

R. L. HICKSON.

RESOLVED, That we extend to the Presiding Bishop, the Secretaries, and the Treasurer our sincere thanks for the Bishop's wise, fatherly and impartial rulings, and to the Secretary and Treasurer for their services so faithfully rendered.

R. L. HICKSON.

RESOLVED, That this Conference extend to the railroad companies our thanks for granting reduced rates to the members of the Conference.

R. L. HICKSON.

RESOLVED, That we extend our thanks to the Presiding Elders and Dr. L. M. Dunton, for the pains-taking and careful oversight of the people and students committed to their care and for the minute detailed reports submitted of the same.

R. L. HICKSON.

RESOLVED, That this Conference ask Dr. L. M. Dunton to kindly publish the appointments in an early issue of the Claffin University *Daily Bulletin*, and mail a copy or a number of copies to each Minister.

2nd, That the Presiding Elders be asked to furnish him with a list, each of his own District.

R. L. HICKSON.

WHEREAS, The Rev. J. B. Middleton, one of the early pioneers in the establishment of the Methodist Episcopal Church in the State after the late civil war, and during the reconstruction period, and as an honored member of the South Carolina Conference, acquitting himself with proper manly dignity and subordination to those in authority, even in debatable issues; and,

WHEREAS, His energy and zeal for the Master's cause, his pride in the interest of his Church and his race, his association with the industries of this and other commonwealths, makes him easily a representative man among his brethren; and

WHEREAS, His long official relation to the capacity of Assistant Secretary for three years, and Secretary-in-chief of the Conference for seventeen years, his efficient and faithful discharge of duty is highly commendable, and he is held in high esteem by the Conference and the Church we represent, and should the Church in divine wisdom, through its representation, place him in a position of wider usefulness, his brethren would feel honored in this meritorious confirmation. We assure the subject of this paper that these expressions, though conservative in tone, are the product of warm hearts pulsating with brotherly sympathy for him whom they delight to honor. Therefore, be it

RESOLVED, That the above preamble is an expression of our appreciation for his ability and official service in the Church, and we pray that his life may be spared to serve the Church upon earth many days.

## REPORTS OF COMMITTEES.

### AUDITING PRESIDING ELDERS' ACCOUNTS.

*To the Bishop and Brethren of the South Carolina Annual Conference of the M. E. Church:*

We, your Committee on Auditing the Presiding Elders' accounts, beg leave to submit the following report: We have examined each book separately and carefully, and find them properly signed and balanced.

I. B. SMITH, for the Committee.

### COMMITTEE ON BIBLE CAUSE.

When we read how Christ resisted the devil with the word of God, we see the necessity of knowing the word. Truly, it is quick and powerful. Your Committee beg leave to report that we are glad to say that our people are growing more and more in love with the living word.

Seeing the extensive distribution of Bibles among our people, knowing the efforts that our Pastors put forth to have them read, and noticing the growth of the home department of the Sunday-school, we believe that our people are reaping an abiding and eternal good from the word of God. We ask that our Preachers throughout the bounds of the South Carolina Conference remember the American Bible Society in their benevolent collections. Let Pastors continue to see that Bibles are placed in the homes, and urge the reading of them.

"All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be perfect, thoroughly furnished unto all good works."

Respectfully submitted,

JNO. D. WHITAKER,  
For the Committee.

### REPORT OF THE COMMITTEE ON BOOKS AND PERIODICALS.

The Committee on Books and Periodicals beg leave to report that from observation and upon information, it is their opinion that through the efforts put forth by the pastors and through other agencies, the members, particularly the young people of the Methodist Episcopal Church, are making considerable progress in the line of discarding the trashy literature that has been for years disseminated among them, and are substituting therefor the literature of our Methodism. The literature furnished by the Methodist Book Concern is as good and as cheap as that of any publishing establishment in the world, and is best suited to the needs of members, Sunday School scholars and Epworth Leaguers of the Methodist Episcopal Church. Believing it would be of special benefit to the members of this Annual Conference, the Committee recommend for their consideration and subscription the *Methodist Review*. The Committee would also urge upon them the importance of their doing their utmost to introduce our Church papers, especially *The Southwestern Christian Advocate* and the *Epworth Herald*, into every home.

Respectfully submitted,

C. C. SCOTT.

### COMMITTEE ON EXAMINATION OF CONFERENCE RECORDS.

*To the Bishop and Brethren of the South Carolina Annual Conference:*  
Your Committee on Examination of Conference (District) Minutes, beg leave to submit the following report:

We have examined the records of Greenville, Orangeburg, Spartanburg and Florence Districts, and have found them properly and accurately kept.

### REPORT OF COMMITTEE ON CONFERENCE RELATIONS.

We, your Committee on Conference Relations, would with your permission submit the following report:

1. That Brother D. G. Johnson be granted a Certificate of Location at his own request.
2. That Brother F. J. R. Brown be given a Supernumerary Relation, and also that his case be referred to the Presiding Elder of the Orangeburg District for further investigation, as directed by the Discipline, Paragraph 222, Section 1.

3. That Brother B. F. Gandy also be granted a Supernumerary Relation, and that his case be referred to the Presiding Elder of the Orangeburg District for full investigation as required by the Discipline, Paragraph 222, Section 1.

#### REPORT OF THE COMMITTEE ON EDUCATION.

The Committee on Education beg leave to submit the following:

The real object of the Board of Education is to aid and make loans to consecrated young men and women who are preparing themselves in the schools of the Church to be useful and active in the Master's service.

We cannot but see the wisdom and necessity of the appeal of the Board for a more generous advance in the collections of our Conference, when we take into consideration the many worthy applicants whom the lack of funds make it impossible to help.

The total number of students aided from the beginning, in 1873, up to July, 1897, is 8,130; total amount loaned \$752,770.65. Our own Conference contributed last year \$530.15; 53 students were aided within its bounds to the amount of \$1,161.

Pictures of Heroic Methodism, Children's Day exercises for 1897, was a remarkable object lesson, a charming entertainment appealing to the mind through the eye and ear, an inspiration to all.

We need homes presided over by educated mothers and wives to give that Christian training at the fireside which is the true basis of all success and so essential to the development of the higher citizenship and the best type of Christian manhood and womanhood.

While all the schools of the Methodist Episcopal Church are ours, too much stress cannot be placed upon those at home; they are doing a good work. Claffin University, Browning Model Home and Gammon Theological Seminary, because they being nearest, deserve special honorable mention by this Committee.

Boston School of Theology sent us literature and communications which we desire to acknowledge on behalf of the Conference.

The Pastor should be careful in the make-up of this Committee of Education, the most important of all Committees, and it should perform its peculiar disciplinary duties and thus bring about such success in the collection as will give us first rank in the cause of education.

Education is a better safeguard of liberty than a standing army. "The pen is mightier than the sword." Mind is superior to matter, spiritual things are more important than temporal things, for Jesus, the supreme and final teacher of all men, said: What shall it profit a man if he shall gain the whole world and lose his own soul, or what shall a man give in exchange for his soul.

WM. R. A. PALMER,  
For Committee.

#### REPORT OF THE COMMITTEE ON EPWORTH LEAGUE.

The Committee on Epworth League beg leave to submit the following report:

We look with great pleasure upon what has been accomplished by and for the Epworth League throughout the State and country during the present year.

The impetus given to the movement by the Congress of Epworth Leagues held at Atlanta last May has produced marked results in many places. The

work done by our State League president has been very helpful to us. The committee complimented the League Chapters of Anderson and vicinity for the pleasing and prominent part they took in the Conference Epworth League Anniversary.

WHEREAS, There has not been time for the re-election of the Conference Epworth League officers during the sessions of the Conference; therefore, RESOLVED, That the present officers of the Conference League be declared the officers for the ensuing year.

RESOLVED, That this Annual Conference pledges itself to do more for the development and improvement of our League Chapters than ever before.

Respectfully submitted,

C. C. SCOTT,  
A. D. BROWN.

#### REPORT ON FREEDMAN'S AID AND SOUTHERN EDUCATION SOCIETY.

We rejoice that at no period of our history have our people been so thoroughly aroused and enthused upon the great and important question of Christian education as at present. Our people are awaking to the fact that it is the duty of the Church to educate her sons and daughters under positive Christian influences, for the Church of the future will be determined largely by the schools of the present day, which looks to the perfecting of character in the likeness of the Son of God. Under divine providence the Church has come to occupy not only a different standpoint from that of the State, but a far more comprehensive one as regards the destiny of coming generations.

The Church deals with education as a great life problem, and proposes to give back to the world men who will impart this uplifting life to their followers. While the State views the political economy of the question the Church, under the inspiration of a consecrated purpose, do, unaided by Legislative appropriation the work of education upon moral and religious lines.

The Church is making her schools and colleges represent and supply the best provision for mental training and for sound spiritual development, for her's is the bed-rock of truth. In a word, the Church, in its educational work stands for the perfect development of all the powers of man, hence the true educational definition of the Church includes the school room and the sanctuary. We rejoice as citizens in the work done by all of our schools and colleges, but we view with pride and admiration the accomplishment of our beloved Claffin University. We are glad to note that she has had this year the most flattering opening of any period in her history.

The reports of the President, Dr. L. M. Dunton, and also that of the Board of Trustees are most gratifying, and commend themselves to the consideration and patronage of our commonwealth and the well done of the Church. The religious influence of "Claffin University," "Browning Home" and "Gammon Theological Seminary," is most positive and helpful, being felt throughout the length and breadth of our country. We are glad to know that the industrial department is so well established and that none of the former glory of our schools have been lost. Especially is this true of Claffin in the recent changes from a State school to a purely Church institution. The interest that lay passive heretofore has now become active, and the Church through this agency is still leading the van. To approximate the work of the F. A. & S. E. Society in the South we have only to note the schools established for the freedmen alone in thirty-three years for higher education and manual training. We have 10 colleges and 11 academies scattered over the South, with an enrollment of 3,300 in the colleges, and 1,000 in the academies, a total of 5,200, and with school property valued at \$1,100,000. These figures include only the property used by the colored people. The Society has expended since its organization in the South \$500,000 in the interest of the negro race alone, and still there remains a

large percentage of illiteracy in this section of our country, as the following table shows:

Population ten years of age and over:	438,000
Alabama.....	200,000
Arkansas.....	18,000
Delaware.....	78,000
Florida.....	518,000
Georgia.....	294,000
Kentucky.....	364,000
Louisiana.....	125,000
Maryland.....	360,000
Mississippi.....	181,000
Missouri.....	409,000
North Carolina.....	360,000
South Carolina.....	340,000
Tennessee.....	308,000
Texas.....	365,000
Virginia.....	79,000
West Virginia.....	4,454,000
Total.....	4,454,000

But the Church, through its great agency, the F. A. & S. E. Society, has been untiring in its efforts to change the mental condition of the freedmen and thus reduce this illiteracy, and with united and manly efforts we can, and will swell the annual contributions, and begin the twentieth century under new and more favorable conditions.

We cannot close this report without referring to the splendid work of Gammon School.

Through the liberality of our generous friend and patron, the Rev. E. H. Gammon, we are in possession of a well equipped and flourishing theological Seminary for the training of candidates and Ministers in the Southern States. In buildings, grounds, library and faculty it ranks as one of the best equipped theological institutions in the Church. Its central location and superior advantages recommend this school to the patronage of all our Conferences, colleges and academies.

Gammon Theological Seminary has now entered upon its sixteenth year, and offers, without distinction of race to all students for the Christian Ministry a thorough, extensive and well arranged advanced course of study and an elementary theological course for those who are not prepared to take the advanced course. This course covers one or more years. Its chairs of practical theology, exegetical theology, systematic theology and historical theology, are filled by experienced professors who are devoting all their time, each to his chair as a life specialty.

The superior equipment and large endowment of this institution by Mr. Gammon place on the Conferences for which it is especially designed, the grave responsibility of showing to the Church whether this great gift in the interests of the higher training of the Ministry is really appreciated. This may be shown by these Conferences insisting that all candidates for the Ministry, whenever possible, seek the thorough training enjoined in the Discipline.

By the action of the General Conference of 1884, all candidates for admission to our Annual Conferences are officially and earnestly advised to prepare for the pastoral office by attending our theological and other schools.

We offer the following preamble and resolutions:

WHEREAS, Claflin University is now under the exclusive control of the Methodist Episcopal Church, and stands for the higher Christian education of the youth of the Church; and

WHEREAS, It is necessary that suitable buildings, equipments and conveniences should be provided in order to make the work a success and properly care for our children while there; be it

RESOLVED, That we will encourage and urge the collection for F. A. & S. E. Society, at every Church, and will do all in our power to advance in every way we can the interests of the school,

RESOLVED, That we will undertake to raise \$10,000 for Claflin University as a twentieth century thank offering.

Respectfully submitted,

REPORT OF THE W. H. AND F. M. SOCIETIES.

Your Committee beg leave to submit the following report:

These two societies are organized and operated the one for the home field and the other for foreign lands to do work among the neglected people, we believe to be agencies in the hand of God to aid in bringing the world to Christ. There are two Homes established within the bounds of the Conference, the Simpson Memorial Home at Orangeburg and the Browning Home at Camden, where all of the modern appliances suitable for good housekeeping are in use for the purpose of training our young women and girls in this important domestic science. The Godly women at these institutions are successfully engaged in a noble work which is highly appreciated and deserves our highest praise and help. We honor them and pledge our hearty co-operation in the successful and ultimate issue of their highest ambition. The W. F. M. Society is doing similar work in foreign lands and we bid them God speed.

up the labor of earth, and to join the redeemed host above, gazing out upon the sea of eternal bliss, beholding the glorious face of the King, he gently folded his hands upon his breast, ceased on earth to live, but went up amidst the song of triumph to live with God in heaven.

"Spirit leave thy house of clay  
Linger dust, resign thy breath;  
Spirit cast thy chains away,  
Dust be thou dissolve in death."

Thus the mighty Saviour speaks  
While the faithful Christian dies;  
Thus the bonds of life he breaks,  
And the ransomed captive flies.

Prisoner long detained below,  
Prisoner now with freedom blest;  
Welcome from a world of woe,  
Welcome to a land of rest!

Thus the choir of angels sing,  
As they bear the soul on high;  
While with hallelujahs ring  
All the regions of the sky.

C. C. ROBINSON,  
For the Committee.

The Rev. F. C. WESTON was admitted in the South Carolina Conference of the Methodist Episcopal Church in the year 1891. About this time I became acquainted with him. In 1895 and 1896 we labored together in Williamsburg County; I was never more favorably impressed with a true Christian life than I was with the life of Brother Weston.

He was a Christian gentleman in every sense of the word, a man of God and an eloquent and forcible preacher, eloquent in good works. The commonest life led by duty becomes a sublime spectacle, well pleasing in the sight of God. I knew that life only in the mellow light of its sunset.

Brother Frank Weston is gone home, where the storms and showers do not reach, and where—the heavy laden, lays down his burden. The fiercest tempest cannot reach him now.

I trust and believe he is in that city where the saints of God are ever happy "He has done what he could." He now rests from his labors and his works do follow him.

On the 17th of August, he fell asleep, we pray God's blessing upon his bereaved family.

J. F. PAGE,  
For Committee.

The subject of this paper, Rev. JACKSON GORDON, was born in Williamsburg County in the year 1850. He joined the Methodist Episcopal Church in 1866, and soon after was gloriously converted to God. He was a faithful and tried member of Bethesda Church in the above named county, in which Church he served as leader, steward, trustee, superintendent of Sunday School, exhorter and local preacher, in the most acceptable manner, under many different pastors for a number of years. In the year 1883 he felt called of God to go out and carry the Gospel of Christ under the itinerant flag of our Methodism. He applied, and was received into the travelling connection of this Conference in the year 1889. He attended Gammon Theological Seminary one term, came home and was appointed to St. Stephens by Bishop Joyce in 1894, which charge he served with great success, and satisfaction. As a man Brother Gordon was energetic, reliable and impartial, and true to all obligations. He was a kind, willing and constant friend to all about him, doing good to all and evil to none. He was indeed a faithful, kind and systematic pastor, ever mindful of the claims and needs of his flock. He visited from house to house with the word of God, and thus pastured and

watched over his flock. As a pastor he entered deeply into the love and confidence of all the people of St. Stephens, and they loved him tenderly. He was a Christian of strong faith. He believed in holiness, which he lived, preached and died. He said to Brother Benjamin Brown and others the day he died that he was going now to drink of the Holy water of life. He died October 21, 1898. Servant of God well done, &c.

F. E. McDONALD,  
For the Committee.

Mr. President and Friends:

I take pleasure in submitting to you this paper on the life and death of Sister **MATIE PARKS**, who departed this life October 22d, 1898.

Sister Parks was a faithful wife and a loving mother, giving her life to the Master's service, assisting her husband in preaching the Gospel. She did her part well until called away by death from labor to reward.

After suffering for several months of severe affliction she heard the voice of the Master that calls the sufferers home. She mounted up to meet Him in the sky as she sung:

Rise, my soul and stretch thy wing,  
Thy better portion trace;  
Rise from transitory things  
Toward heaven, thy native place.

Sun and moon and stars decay,  
Time shall soon this earth remove;  
Rise my soul and haste away  
To seats prepared above.

Thus ended a short and beautiful life.

For the Committee.

#### COMMITTEE ON PARSONAGE AND FURNITURE.

RESOLVED, That in view of the untold disadvantages of moving, each Pastor put this matter of building or improving and furnishing parsonages for the convenience of the Pastor's family on the heart of his congregation, and that as far as practicable every charge in this Conference shall own a suitable home for the use of the Preacher in charge.

Respectfully,  
J. W. MOULTRIE.

## PRESIDING ELDERS' REPORT.

All of the lives of the preachers of the district have been spared save one. The brethren have been able to meet their appointments regularly, and while in labors more abundant, God has wonderfully sustained them.

Collections for ministerial support has been very small in some places. God only knows the anxiety in the breasts of many of them on Saturday nights, when they beheld the sky overcast with dark and lowering clouds, and there was no "meal in the barrel, nor oil in the cruse," and the hopes of getting a small collection on the Sabbath to replenish an empty cupboard "clean gone" for another week.

Yes, Mr. President, some of these men have learned well, "both how to be full and to be hungry; both how to abound and to suffer need" and through it all they have cherished the blessed Spirit of contentment, and have continued firm at their posts and faithful in their work.

But before closing this report let us pause for a moment to pay the last tribute of our love and respect to the memory of our worthy and faithful brother in the ministry, the Rev. Francis C. Weston.

Brother Weston joined the Conference about eight years ago, and was an honored instrument in God's hands of accomplishing a great work in the salvation of souls. He could preach a death and judgment sermon equal to Whitefield or Cartwright and never failed in drawing large audiences to his ministry. He had been sick for nearly two years, but would not consent to give up his work. On the advice of his physician he took a trip to Greenville with the hope of building up his shattered constitution, but became suddenly worse. All through his last illness at Greenville he sang and prayed and talked to within a few minutes of his death, when he raised his hand, smiled and said "Salvation is an easy battle under our captain." "If I die," he said to Brother J. A. Brown, "tell the boys good bye, I am under the blood stained banner now." As he was nearing the better land and his Heavenly Father gave him glimpses of the glory and beauty of the upper country—the Heavenly Jerusalem—he exclaimed with all composure: "I am saved through the blood of the Lamb." He lingered on the shores of time until 9.35 o'clock A. M. August 17, 1898, when he quietly embarked for the shores of bliss and eternal security. He died in great peace and triumph. To-day I throw him his kiss of warm brotherly affection, "Honored in life, triumphant in death and blessed in eternity."

Owing to pressing engagements I could not be present to put even one flower on his coffin, but to-day I sprinkle upon his newly-made grave this handful of heather from the Scotch poet:

"Neighbor, accept our parting song,  
The road is short, the rest is long.  
The Lord brought here, the Lord takes hence.  
This is no house of permanence.

"On bread of mirth and bread of tears  
The pilgrim fed these checkered years,  
Now landlord world shut to the door,  
Thy guest is gone forevermore.

"Gone to the land of sweet repose  
His comrades bless him as he goes,  
Of toil and moil the day was full  
A good sleep, now the night is cool."

Respectfully,  
J. E. WILSON, Presiding Elder.

Mr. PRESIDENT—The excitement caused by a report of a smallpox epidemic at many points in the Greenville District in the early part of the year, the excitement and depression in business circles in this region resultant to the war between our nation and Spain, the recent heavy and constant rains

which hindered the gathering of the crops and causing much cotton and corn to rot in the fields, and the low market prices of all farm products, have caused some decrease in our collections for the various claims of the Church. But in presenting these claims the seventeen pastors in this District have all done faithful work; this their reports will show.

At many points the Church property has been improved, and all Church and parsonage deeds have been carefully examined as required by our Discipline. Our churches and parsonages in the towns and cities are insured. The Church Extension Society has granted us three donations this year as follows: For the St. Luke Church on the Marietta Circuit \$50.00; for the Pendleton Church \$100.00; for the Church at Cahoun Falls \$200.00. For these gifts we are very grateful.

The means of grace are being better observed by the members of the Church. The Class Meetings and Love Feast Meetings are more largely attended and the old time fervor that used to pervade in these meetings is being rekindled. Revival meetings have been held at many of our churches with success, many souls have been converted, many have joined the Church on probation and the Church generally has been greatly quickened. The Sunday Schools and Epworth Leagues have made encouraging progress during the year and the outlook for both these auxiliaries is bright. *The Southwestern Christian Advocate* and the *Epworth Herald* have a good circulation on the District. A resolution adopted by the District Conference at Belton in July last, forbids the renewal of the license of any local preacher or exhorter who refuses to subscribe to one of our Church papers. A majority of those who voted for this resolution are themselves, either local preachers or exhorters. I commend to you, Mr. President, these faithful lay helpers whose co-operation with the pastors has enabled them to bring good reports to this Conference. The Macedonian cry comes to us from many places in Abbeville and Greenwood Counties where our Church has never been organized. Had I \$1,000.00 and five consecrated young men to employ in that field the results would be the enlargement of our territory, an increase of the patronage of our schools, the increase of our benevolent collections and a great harvest of precious souls. The money will come in answer to prayer, and the men also. The Methodist Episcopal Church holds the front position among her sisters at work for the uplift of our people in the South. The following appropriations for 1899 attest this fact: For the support of schools in the South \$107,000; for the support of mission work \$90,175; for building churches \$19,550; total \$216,725, besides the great amount of work that will be done by the Woman's Home Missionary Society and by the Board of Education through its loan fund, and the many thousands of dollars that will be given by rich Methodists of the North to supplement the above mentioned appropriations. She is the greatest pacificator between the races in the South and the chief exponent of the Scriptural doctrines: "The Fatherhood of God and the Brotherhood of Man."

J. A. BROWN, P. E.

We are very grateful to our Heavenly Father and through His only begotten Son to be spared to present this our first annual report of the Orangeburg District to your careful consideration.

Since our appointment to the District as Presiding Elder by our beloved Bishop Vincent, Beaufort, S. C., December 6, 1877, the Lord has blessed us with good health and strength. We have attended to all duties assigned us by our Church Discipline with prayer, faith and an eye single to the glory of our God.

The territory of the District extends into eight counties of this State, namely, Orangeburg, Lexington, Richland, Sumter, Kershaw, Fairfield, Chesterfield and Darlington.

Our District Conference was held last July 14 to 17, at Camden, one of the historic towns of this State, in Trinity M. E. Church. The work of the Con-

ference was well attended to by the brethren. Well might it be truly said, the spirit of the Lord was upon the brethren assisting them in everything contributed in making the Conference a grand success.

A few churches and one parsonage have been built and a goodly number of old ones repaired and renovated on the District this year.

Lucknow Mission and Waverly Mission in Richland and Kershaw Counties were organized this year, also Rock Spring Mission, in Kershaw County.

Claffin University, located at Orangeburg, Browning School and Industrial Home at Camden, and all the charges of the District enjoyed a gracious outpouring of the Holy Spirit upon them. Total accessions for the year 1,029, and conversions 787.

Number of Leagues Chapters 44; membership 1,480. Number of Sunday Schools 77. Scholars of all age 6,265.

Our institutions of learning on the Orangeburg District, namely, Claffin University, Browning School and Industrial Home, are in excellent condition also Simpson Memorial Industrial Home. Claffin University has opened with the usual attendance. The teachers are the same that were employed last year. There are still many needs to be supplied, and it is hoped the South Carolina Conference will do all it can to advance in every way the interests of the institution.

Browning Home and School this year has not varied materially from that of previous years. Good interest was manifest in both branches of the work, 175 were enrolled as students in the school and there were 26 boarders in the Home.

Mrs. M. H. Fields, of Sumter, has organized an industrial school in that city for little children and she solicits whatever aid the brethren of the Conference and friends might give for the school.

Our benevolent claims have been urged and pushed in all the charges.

Respectfully submitted, J. L. GRICE, P. E.

REPORT OF THE COMMITTEE ON SUNDAY SCHOOL UNION AND TRACT SOCIETY.

Your Committee on the Sunday School Union and Tract Society respectfully beg to submit the following report:

We feel a deep sense of pride in the marvelous development, wonderful progressiveness and far reaching influences for good so obviously seen and so perceptibly felt in the workings of this important auxiliary of our beloved Methodism.

To the latter we would respectfully invite attention to its commendable features as follows: The tracts issued are inexpensive, secured by those who are able to pay for them at less than the cost of printing, and extending their aid as a grant to thousands of schools, too poor to pay for them.

The Tract is peculiarly adapted to the various needs of Sunday School work, convenient for circulation, brief but acceptable in its contents and excellent in its make up, rendering it, therefore, a paper easily read and highly appreciable. It is also a most liberal contributor to our cause of missions, giving from \$6,000 to \$7,000 annually for this purpose, nearly one-third of which aids mission presses, and the circulation of books and periodicals in foreign languages. This Society does not restrict its liberality to Churches of our connection alone, but extends its benevolence to thousands from whose opinions of religion we differ. As an evangelizing medium the influence of this Society is felt in almost every quarter of the globe. We rejoice to note that there is a slight increase in the amount contributed by our Conference this year over that of last, but we deprecate the fact that possibly less than 40 per cent. of our assessment as a benevolent collection for this cause has

been raised. Therefore, we do most sincerely recommend that the full amount asked by the Secretaries of this Society be apportioned by the Presiding Elders among the several charges and that such apportionments be raised and forwarded to the proper officers in New York.

We also call the attention of the members of this Conference to the great progress made in the home department of Sunday School work; there being not less than 77,000 enrolled during the past twelve months, and would respectfully recommend to each pastor the importance of organizing in his charge a home department for study wherever it is found practicable.

Respectfully submitted,

R. A. THOMAS,  
F. E. McDONALD,  
C. L. LOGAN,  
GEO. W. WILLIAMS,  
D. H. KEARSE.

REPORT OF COMMITTEE ON TEMPERANCE.

The demon of intemperance still jeers in our midst, and people pay thousands of dollars annually for that which intoxicates. If the dollars thus worse than wasted were paid for food, clothing and shelter, the gain would be seen in better homes, health, and in abounding happiness. Through drink men become poor, beastly, criminal.

Wine drinking in the parlor becomes whiskey drinking in the saloon. Wine at weddings should not be tolerated, especially by Methodists. It is not our purpose to attempt the task of giving an adequate description of the evil consequences of the rum traffic. It would take a Milton or a Dante to paint the picture in all of its blackest hue.

Notwithstanding the very obstinate nature of this great evil, it is our pleasure to note that the cause of Temperance is gaining ground. Throughout the length and breadth of our land, wherever the monster, Rum, has gone, undermining society, sapping the life of the Church, demolishing homes, crushing hearts, and making widows and orphans, the cry is more than ever heard—"away with this beast." Our great Methodism, with her united forces, is still making an aggressive fight for temperance, 16,000 preachers reasoning of Righteousness and Temperance, of Judgment to come. Our mighty advocates are exercising themselves upon the issue. A shower of Temperance literature is coming from the press; reinforced by the good work of such organizations as the Anti-Saloon League and Temperance Union and the spirit of Frances E. Willard, may yet rejoice over the triumph of the cause for which she so nobly stood. For we believe that the day is not far distant when this Christian nation will be constrained to arise unitedly and crush the evil. Another form of intemperance which must not escape our notice, is that of using tobacco. Methodist people within the bounds of South Carolina Conference, pay more for tobacco than for the support of the Church. All Christians should remember that they are God's stewards, and that it is not right thus to waste our Lord's money. Therefore, be it resolved:

- 1st. That we will abstain from these evils in our habits and practice.
- 2nd. That we will study these problems more diligently, and preach against these evils more frequently.

G. W. COOPER,  
For the Committee.

# CONSTITUTION

OF THE

## Preachers' Aid Society of the South Carolina Conference.

Adopted 1883.

### ARTICLE I.

The corporate name of this Society shall be the "PREACHERS' AID SOCIETY OF THE SOUTH CAROLINA CONFERENCE OF THE METHODIST EPISCOPAL CHURCH."

### ARTICLE II.

The object of this Association is to raise and perpetually maintain a fund for the relief of Preachers of said Conference and their families—said fund to consist:

*First.* Of such moneys as may be collected, from time to time, from the several Circuits and Stations within the bounds of said Conference, for that purpose.

*Second.* Of such sums as may be received for annual or life subscriptions of its members.

*Third.* Of funds accruing from bequests, donations, and such other sources as may be opened up. The funds shall be permanent, and the whole of the proceeds, after payment of incidental expenses, shall be annually applied as herein directed.

### ARTICLE III.

All members of this Conference may become members of this Society, and shall pay the sum of \$1.00 annually. Any person not a member of this Conference may become a member of this Society, for one year, by the payment of \$1.00; or a life member, by the payment of \$5.00 at one time; or a life patron, by the payment of \$20.00 in like manner; and such persons shall be entitled to participate in all the proceedings of the Society while members.

### ARTICLE IV.

The officers of this Society shall be a President, Vice-President, Secretary, Treasurer and five Managers. The said officers and managers shall constitute a Board of Control, having full power to manage the affairs of the Society, subject to this Constitution and such By-Laws as may be enacted under it. The Treasurer shall be indefinite, and three of the Managers may be laymen. These officers shall be elected at the annual meeting of the Society, and shall hold their offices to the close of the Annual Conference next ensuing, or until their successors are elected. The Treasurer shall, before entering upon the duties of his office, give bond and security for double the amount he holds in hand at any time, which may at any time be increased by the Board at their discretion; said bond to be approved by the

Board, and filed with the Secretary. The Board shall have the power to make By-Laws for their own government and that of the Society: *Provided*, said By-Laws are not inconsistent with this Constitution. Five members shall constitute a quorum. Vacancies occurring in the interim of Conference, by death, resignation or otherwise, may be filled by the Board.

### ARTICLE V.

The annual meeting of the Board shall be one day previous to the meeting of the Conference, and at the place designated for the same. And special meetings of the Board may be called by the President or any two members thereof upon reasonable personal notice. The annual meeting of the Society shall be held on the second day of the session of the Annual Conference, at 7 o'clock P. M., at which time the Society shall elect officers for the ensuing year, and the Board of Control shall present a full and detailed report of the condition of the Society, its receipts and expenditures, with all other matters that may be necessary to a full understanding of its doings by the members. Meetings of the Society may be called by the President or any two members of the Board—twenty days' notice having been given in the Church journal having the largest circulation in the Conference.

### ARTICLE VI.

The Board shall have power to appoint an agent, and fix his salary, who shall labor for the increase of the Fund in such manner as they shall direct.

### ARTICLE VII.

The Board shall, after defraying the necessary incidental expenses, invest all moneys of the Society according to their own discretion, with the following restrictions; All investments shall be made by direct loan, secured by first mortgage on productive real estate, for one-third its value, insured to the value of the amount of loan and the policy assigned to the Board; or by the purchase of United States bonds. No loans shall be made by the Board, or any member or members thereof, without the written order of the President, countersigned by the Secretary; and at the annual meeting of the Board the Treasurer shall present a full report of the receipts and expenditures during the current year, and of the amount on hand. The Board shall thereupon fix the amount to be applied to the objects of the Society for the Conference year then closing, and shall order, accordingly, which amount they shall pay over to the Stewards of the Conference. Contingent expenses shall be paid by the Treasurer upon the order of the President, and countersigned by the Secretary; and no sums shall be paid out by him, except as herein directed.

### ARTICLE VIII.

The proceeds of the Fund shall be applied to the aid of the following classes of persons and under the following limitations and restrictions, viz:

*First.* The Superannuated Ministers of the Methodist Episcopal Church, who shall have performed four years of effective service in the South Carolina Conference, after the date of their reception on trial by the Conference, or transfer to the Conference, and also the families of such ministers.

*Second.* The widows and orphan children of deceased Itinerant Ministers, who shall have performed like service in said Conference, and being still a member thereof at the time of their decease; *Provided*, That such widows or orphan children are persons of good moral character.

*Third.* Ministers who have been embarrassed in their circumstances by protracted sickness—said Ministers having performed like service in said

Conference, and being still members thereof—such Ministers shall receive the sum of \$2.00 per week for three months; then at the discretion of the Board of Control. Also, there shall be appropriated for the burial of such deceased Ministers, that have performed like service in said Conference, the sum of \$40.00.

## ARTICLE IX.

The Board shall, at their annual meeting, appoint a Distributing Committee to serve to the close of the ensuing session of the Conference. Said Committee shall consist of three members of the Conference, who may be the Stewards. This Committee shall, in the interim, and during the session of the Conference, obtain all necessary information, as to the necessities of the claimants on the Fund, and shall, upon such information, recommend appropriations to the full aggregate amount allowed by the Board for distribution, which recommendation shall be submitted to the Conference for approval.

## ARTICLE X.

This Constitution may be altered or amended at any annual meeting of the Society, by a vote of two-thirds of the members present and voting—such amendment or alteration having been first recommended by a majority of all the members of the Board of Control.

## ARTICLE XI.

The corporate seal of this Society shall be a metallic impression, with the following words and letters, to wit: "THE PREACHERS' AID SOCIETY, SOUTH CAROLINA CONFERENCE, M. E. CHURCH."

## ARTICLE VI.

Any member of this Society living near a sick member shall be a visiting committee to wait on him to ascertain the nature of the sickness of the member, and to give the President a full account of the case: *Provided*, That the disease is not contagious.

## ARTICLE VII.

The two nearest brothers shall be a committee to wait on the sick member; and any brother that neglects to wait on a sick member, after being notified, unless prevented by some contagious disease, shall pay a fine of \$2.00, or the amount of one week's dues, to the sick.

## ARTICLE VIII.

All members of the Board of Control shall have their fare paid out of the Society's funds, when attending the meeting of the Board of Control by the nearest and cheapest route from their homes to the place designated.

## ARTICLE IX.

## ARTICLE X.

No member shall be allowed, while speaking, to use personalities, or cast reflections on other members while speaking.

## ARTICLE XI.

No member shall be interrupted while speaking, unless called to order by the President, or to allow a brother to make explanation.
