Interim 2004 Projects

Interim 2004 projects are currently being posted on the Interim web page. Please note that changes will be made throughout the summer to the project descriptions, as well as the Interim calendar. We anticipate that by August 1st all information will be correct and current. The proposal form is also found on the Interim web page. Please contact Beth Hawley with any questions at #4510.

To: All Wofford Staff
From: Bernie Dunlap

This is to remind all Wofford staff that, except for those required for special events--such as the Methodist Annual Conference, which convenes here on Monday--offices are only obliged to maintain a minimal presence on Memorial Day, May 26th. Each office should decide who is needed to answer the phone and conduct essential business on that day.
