WOFFORD COLLEGE FACULTY/STAFF DAILY ANNOUNCEMENTS

Tuesday, June 03, 2003

Mary Egbuniwe is in charge of a team of high school students this week as part of the *Milliken Summer Leadership Institute*. They are working on a group presentation and need your help. Please review this concept and provide any feedback to Mary Egbuniwe, team leader, at egbuniwemd@wofford.edu.

Concept:

Build a new row with a house for each greek organization and a common house located in the center for all other organizations. The common house could be used not only by Wofford but also the surrounding community. A new chapel would be built in the location of the present row. Once a month, a representative from another denomination or religion would give the Sunday service.

Questions:

1. Do you feel this is a good way of bringing together genders, cultures, and religions?
2. Do you feel that religious diversity is needed at Wofford?
3. Do you think this type of diversity is needed to place Wofford ahead of other bench mark institutions?

- Free Camellias and Azaleas

Free Camellias and Azaleas

Steve and I are doing some landscaping and, unfortunately, must remove quite a few camellias and a handful of azaleas. Our landscaper said the camellias were '\$600.00 bushes,' and it seems a shame to just toss them out. They will be pulled up next week sometime, and, with a little pre-digging, might be easily transplanted. If anyone is interested in having some for their yard please contact us at home and we can discuss how best to move them. Call Steve Michelman or Karen Goodchild at 583-9899, leave message.
