Thank You

Twin Towers would like to thank all of the organizations and students who participated in the Halloween Carnival last Thursday. Over 250 children were in attendance and the night was a huge success. Thanks for all the enthusiasm; it was a great reflection of the Wofford community spirit.

All Saints Service

A new Wofford tradition begins Thursday, November 6 at 11:00 a.m. in Leonard Auditorium. An All Saints/All Souls service of worship will be held to honor those of the Wofford family who have died during the past year. As part of the service, the necrology of Wofford alumni and friends will be read and the College Bell will be tolled in
their memory. Music and meditation will be included in the service.

Learning Community Lecture

Harmful genetic effects can follow the widespread use of synthetic chemicals or chemical spills, and natural animal populations provide a 'canary in the mine shaft' for potential biomedical concerns arising from modern chemical contaminants. Dr. Glenn will use his research on American Alligators, Red Pandas, and Whooping Cranes to illustrate fundamental principles shared between conservation genetics and genotoxicology.

Soup Kitchen Day

Help the Homeless. Come join Twin Towers today Tuesday November 4th volunteer at the Soup Kitchen of First Presbyterian Church right across the street from Wofford. Meet in front of Burwell at 11a.m. to walk over together. It will be an eye opening experience.

Catholic Mass and Dinner

Catholic faculty, staff and students are cordially invited to Carlisle House (home of Dean Bigger) on Wednesday, November 5. Wofford graduate Father Tim Lijewski will say the daily mass at 5:30 p.m. and a buffet dinner will follow at 6. (You may attend either event if you cannot stay for both or feel free to drop in.) Father Tim also will be available for individual counseling and the sacrament of reconciliation. If you plan to eat with us, an e-mail note to biggerrh@wofford.edu will be greatly appreciated for our planning purposes.

New Course

Professor John Fort and Professor Richard Wallace will teach a special topics course on the Economics of Property rights during the spring semester on MWF at 1:00. The course has a prerequisite of Economics 201 or permission of the instructor.

Student Research Meetings Continue
Three topics rise to the top for this week's agenda. In order of urgency, they are:

1. How student research mentoring by faculty should weigh for promotion and tenure considerations
2. Interest in international opportunities for student research
3. What research opportunities students would like to have

See these folders for summary of our position to date:

Outlook/Public Folders/All Public Folders/Student-Faculty Research. Topical folders on
'...hiring/promotion/tenure...' and 'meetings' contain details.

Thursday, November 6, Holcombe room in Burwell building, 11:00 am. Lunch will be provided. Interested
students, faculty, and staff are invited. If you wish to attend, please respond to me at scottdm@wofford.edu and I
will forward an advance agenda of topics that must be considered. Also, I can get a head count (one head per
person, please) so we can put enough goodies in the oven for everyone.

FedEx Bin Located in Athletics Administration Office

Due to our large volume of overnight mail, FedEx has agreed to allow Athletics Administration to place a bin in Caroline Thomas' office (2nd floor of Richardson Building). All FedEx packages must be placed in this bin between the hours of 8:30 a.m. and 3:00 p.m. Monday-Friday, with pick up scheduled between 3:00 p.m. and 5:30 p.m. This will save Wofford College a $4.00 call in fee for each package going out by FedEx.

If you miss the 3:00 p.m. deadline in Athletics, there is a FedEx Drop Box at the Pine Street post office (near Wade's) with a pick up time of 5:00 p.m., and there is a FedEx Drop Box at 409 Magnolia Street (go out Wofford's front gate, drive straight across the street for one block, and it is on your left in front of an office building). The pick up time for that box is 6:15 p.m.

famous Parisian cabaret, the Lapin Agile, when Pablo Picasso meets Albert Einstein. Accompanied by an unlikely chorus of barstool luminaries, the two geniuses discuss the confluence of art and science, physics and painting, the mechanics of inspiration, and how to successfully pick up girls. In addition to the hilarious and recognizably Steve-Martinesque comedy, the play encourages audiences to be awake to the unique and infinite serendipitous possibilities of each moment. The play runs 90 minutes and leans toward PG-13 because of language and adult situations.

Bohemian Pictures

In an effort to make this year’s special 150th edition of The Bohemian great, we would like to feature some of you and your lives outside of the classroom. In short, we need pictures of the things that you do in your spare time (hobbies, collections, interests)

(ex: in a band, collect guitars, like to garden, an adventure junkie)

You will get all pictures back as soon as they are scanned, so there is no need to worry that they will get lost! Also, if you use a digital camera to record your hobbies, etc., you can burn a cd of pictures. (The pictures need to be at 300dpi and a tiff file.) If you would like to include a sentence or so about what your hobby or interest is about, it would be more than helpful!

Please turn in any and all pictures to CPO 747 by Friday Nov. 21st

I look forward to see all the interesting things that y’all do in your free time! And thanks in advance for helping to make the 150th year edition of the yearbook great.

Sincerely,
Leah Harris

**Wofford vs. Furman Food Fight**

The Canned Food Drive, also known as the 'Wofford vs. Furman Food Fight' was a great success. We raised over $350 at the game on Saturday, and we collected over 600 cans. Both the money and the cans will be split between the Second Presbyterian Soup Kitchen and Miracle Life Mission here in Spartanburg.

This is going to become an annual tradition with the Wofford - Furman game, and it will only get bigger. We would like to thank all of you who were able to participate in this successful venture!
