Mrs. Dunton chose as a Theme: "An Endowment of Righteousness." This was handled in a masterly manner, and elicited the attention of the vast audience that had gathered for the occasion, and who greeted her. The speaker was at her best and handled the subject with ease and carried the audience with her as she eloquently and earnestly lifted us on the wings of her thought, and beauty of language, as she spoke of the necessity of an Endowment of the Holy Spirit.

SABBATH AND TEMPERANCE.

We the committee on Sabbath and Temperance, beg to submit the following report:

We are glad to report that our people are waking up to the importance of properly observing the Sabbath as the Lord's Day and a day of rest. There is less tendency upon the part of the people as a whole to desecrate this holy day than was the case a few years ago. Our people are becoming more worshipful and thoughtful along this line, and much good is being done as a result of this sober thinking.

We are glad to report also that we note the progress in the temperance cause. God is in the movement, and through his servants, is bringing things to pass. A great tidal wave of prohibition is sweeping over the country. We hope that this good work will go on until intemperance is completely destroyed.

RESOLUTIONS.

PLAN FOR PUBLISHING THE MINUTES.

Resolved, that an amount equal to one half of one per cent of the amount assessed for Ministerial support, be assessed each charge to pay for the publishing of the Annual Conference Minutes, and that the amount be raised and sent by the pastors to the district superintendents within thirty days of the adjournment of the Annual Conference session.

W. S. Thompson, R. L. Hickson.

CLAFLIN ENDOWMENT.

Be it resolved. 1, That Thursday evening of each Annual Conference be made a definite and fixed time from year to year for a great Educational Rally for the Endowment of Claflin University.

Resolved 2, That a sermon on Christian Education be preached by a member of the Conference, appointed a year previous, and followed by an address by some representative of the board of Freedmen's Aid Society.

Resolved 3, That the presiding Bishop from time to time be requested to preside at these meetings, and call or have called the conference roll and that each member of the Conference be required to pay at this rally not less than two dollars for Endowment.

Resolved 4, That there be created or provided a space in the Conference Minutes known as the Honor Roll, and each minister or layman who pays the amount stipulated, shall have his name placed upon the roll.

Resolved 5, That all local preachers, deacon and local elders be required to answer this roll call through their district superintendent, by sending one dollar.

Resolved 6, That any person or persons giving as much as twenty-five dollars be given a life Certificate from the board of trustees of Claflin University and a life space on the Honor roll

REPORT OF SPECIAL COMMITTEE ON CONFERENCE CLAIMANTS.

Whereas, the General Conference of 1916, by (an enactment provided that the proceeds set apart for distribution among the Conference Claimants by the Book Concern Annually, be distributed according to provision set forth in paragraph 393, which states as follows:

"The division of the produce of the Book Concern available for distribution, according to this paragraph, shall be made equitable to the Annual Conferences upon the basis of the ratio of the total annuity claims of the several annual conferences to the total annuity claims of the entire church, as shown in the reports made by the Conference Stewards to the Board of Conference Claimants, such reports to be carefully checked by the corresponding secretary and properly certified to the Book Committee, which shall have charge of the distribution."

We do not hold the Book Concern responsible for this legislation, but we do find that the method of division works a great loss and consequent hardship to the poor and smaller conferences. Therefore, we most earnestly request the next General Conference to enact some plan in arriving at a method of division that will remedy this grave situation and relieve our worthy beneficiaries of this hardship.

Resolved, that we memorialize the Board of Conference Claimants to take care of the defect that this new legislation has caused during the quadrennial.

Chas. C. Jacobs, J. W. Moultrie, E. B. Burrough.

RESOLUTIONS ON EDUCATIONS.

Whereas, the percentage of illitercy among our young people is so high, and it is our will and wish to reduce this percentage as much as possible; and whereas, it is the disposition of the Board of Education of South Carolina to discriminate against the Colored youth of the State, in the matter of Education by refusing to furnish them with comfortable buildings and necessary equipments as they do the whites, And,

Whereas, the salaries now paid to colored teachers are too small to secure competent teachers, And,

Whereas, the terms of the rural schools are too short for the children to make any material progress, And,

Whereas, Clafin University, our church school, is the modern mecca to which all who desire an education must make their pilgrimage; Be it therefore

Resolved, That the South Carolina Conference through the proper channels, seek to obtain a more equitable distribution by the South Carolina Board of Education of the fund appropriated for the school purposes, that we may have more comfortable buildings, better equipments, better teachers receiving better salaries and longer terms.

Resolved, again, that the South Carolina Conference stand solidly behind Dr. L. M. Dunton, the president of our Church school, in his efforts to endow Clafin for all time to come, by the purchase of Liberty Bonds and otherwise.

Resolved further, that each member of the South Carolina Conference shall use his influence to encourage young men and young women throughout the state to make the sacrifice and get an education at any price and send as many as it is possible to send, to our Church school—Clafin College.

UNIFICATION.

Whereas, the next session of the Commission on Unification will be held at Savannah, Ga., January, 1918, and,

Whereas, the position in the same taken by Bishop F. D. Leete, D. D., and Revs. I Garland Penn, Liet. D., and R. E. Jones, D. D., are in full accord with the principles of Justice and Righteousness and the wishes of a majority of the 350,000 colored members of our church, Be it

Resolved, That we hereby put ourselves on record as fully approving what they have thus far done, and that we are

satisfied that our interests are safe in these hands.

E. B. Burroughs.

THE SOUTHWESTERN CHRISTIAN ADVOCATE.

Whereas, The Southwestern Christian Advocate is the forum for all our activities and

Whereas, Dr. R. E. Jones, the able editor, has been untiring in his labors and is placing by his strong editorials this paper in the front rank of all our church journals,

Resolved, that (1) we pledge to Dr. Jones our earnest support and recommend a Southwestern rally on each charge and 1,500 cash annual subscriptions,

(2) That we request all our church officers to subscribe to The Southwestern.

J. W. Moultrie.

SOULS AND SCHOOLS.

Whereas, during the present year, Bishop F. D. Leete, D. D., Dr. L. M. Dunton, D. D., and Prof. I. Garland Penn, Corresponding Secretary of the Freedman's Aid Society, made whirl-wind canvasses in the interest of the Enlowment Fund of Clafin University and by reason thereof gave an impetus to the upward and onward move of our Methodism and Educational work in the State; be it

Resolved, That we most heartily appreciate their visits and the efforts they thus put forth and the consequent results that followed,

Resolved; That we hereby extend to them our best thanks and shall ever pray that Gods blessings in the future shall ever rest upon them.

Signed: E. B. Burroughs.

COMMITTEE ON RESOLUTIONS.

We the committee on resolutions, beg leave to submit the following report:

Whereas, through the inestimable blessings and abundant mercies of Almighty, God notwithstanding the trouble and difficulties through which we have passed, we are permitted to gather in another Annual Conference, be it

Resolved, first, that we give thanks to Almighty God for all past blessings;

Resolved further, that we tender to Bishop F. D. Leete, our most sincere thanks for his kindness, patience and father-

ly counsel in presiding over the deliberations of our Conference;

Resolved further, that we express our thanks and gratitude to the Rev. S. D. Williams, B. D., and his faithful and loyal members of Simpson M. E. Church, and friends of other denominations of the town for their cordial reception and hospitable entertainment while in their midst.

Resolved further, that we express thanks to the general officers of the M. E. Church, for their timely and instructive addresses given us during our sessions, also the Secretaries for the faithful discharge of their duties.
