Book Buyback

Dear Faculty:

Many of you have turned in your book adoptions for Summer and Fall terms. Thank you so much! You play the most important role in our buyback program. We are able to offer the students half of their purchase price if you are requesting the same book for the upcoming terms. We can only pay them if we have your adoptions in our system. Even if you are planning on using a different book, we immediately start the process of trying to obtain used books from across the nation.

If you have not turned in your adoption forms, please give us a call or email us. Our main buyback is the week of final exams. We realize you are very busy, especially at this time of year, but having your adoptions in our system is critical for our students.

Once again, thank you for helping us help our students.

Opening of Courses for Fall Semester

Students who had difficulty getting into the courses they need for the fall should be sure to let their advisors know of the problem. Over the summer the advisors and the dean will work to get you placed where you need to be. In most cases Dean Maultsby can work things out for you. Be sure to let us know.

Dining Alfresco

Friday's lunch will be alfresco. A picnic in Player's Corner will be served from 11:30am until 1:30pm. The faculty dining will be closed as well as Burwell. See you there.

Summer Babysitting

If you are interested in babysitting a 7 and 8 year old for a couple of hours a day during summer school, contact Dr. Hill at HillJB@Wofford.edu.

The Spartanburg Marriott at Renaissance Park has offered Wofford College the following Special Trial Corporate Rate for transient guests that will be valid through December 31, 2004:

\$94.00 weekday (consists of Sunday - Thursday)
\$79.00 weekend (consists of Friday and Saturday)

These rates are available to anyone associated with Wofford College--employees, students, parents, alumni, trustees, etc., as well as families or visitors of anyone associated with Wofford. The rates apply to Individual Transient stays ONLY--guests who make and pay for their own reservations or reservations made by authorized employees on the Wofford Direct Bill contact list. Groups that require room blocks Do Not Apply--these types of reservations will be handled on an individual basis.

Please help to spread the word about these special rates. The volume of Wofford reservations made during this trial period will be a factor in determining whether or not the rates will be renewed at the end of 2004.

In order to receive the special rate, guests must specify the Wofford Corporate Rate at the time the reservation is placed. Individuals can make reservations by calling the Spartanburg Marriott at Renaissance Park telephone number (864-596-1211), or the toll-free reservations number (800-327-6465). Wofford staff members who make direct billing reservations should continue to use the process already in place.
