Council Meeting  
February 19, 2017

Old Business: Ryan reported that the roof over the cement pad at the parsonage had been removed. We will look into replacing it in the future. Plumbing issues are still a concern at the parsonage. Ryan will look into it and call a plumber to come out to fix the problems. Tuck noted that he would call the electrician regarding electrical issues. Ryan reported that he replaced the faucet covers and repaired the vinyl/trim at the social hall. Ant problems will be addressed when that issue arises. In regards to the AC unit in the social hall, we will continue to monitor and see how it works through the months and address as needed. Ryan recommended that pine straw and trimming be the only necessary landscaping at this time. J. King had concerns about the back door to the church, needs to be adjusted due to wind issues. The other exterior doors needed wooden stops to prevent them from hitting the brick wall during wind, etc. L. Giles noted that the choir doors need work. Ryan noted that the staples/cushions in the sanctuary will become a future issue we may need to look into.

Treasurer's Report: Specific balances of funds were not stated. Tuck reviewed the "Ministerial Support" document. Tuck noted that it was time for an audit and would like Mrs. Lindley to do it and be paid for her services. He stated he would contact her regarding this issue. A motion was made by Harold to give the preacher back his $1,000 raise after reviewing and discussing the ministerial support document. All were in favor.

Finance Committee: H. Campbell distributed copies of proposed 2015 Budget and Apportionments. After reviewing the proposals and asking for questions or suggestions, there were none voiced by the board members. There will be a called meeting at a later date for the board to vote on the budget.

Pastor Parish Relations Committee: W. Mann stated the issue with custodial care has been addressed and we should see immediate improvement. Also, the PPRC recommends a pastoral salary increase to $40,000. This will be voted on at the call meeting previously mentioned.

United Methodist Women: Pink Sunday will be October 12. Encourage everyone to wear pink in honor of Breast Cancer Awareness. UMW will serve a meal for donations that day with all proceeds going toward the cost of the Cancer Survivors Dinner which we help sponsor along with other local churches. Also, UMW noted the refrigerator in the kitchen needs to be replaced. This was turned over to the Trustees.

Children’s Ministry: Heritage Sunday is next week, September 28. Liability concerns were expressed about the Pastor arriving on horseback, as he has no equine experience. Assured that the owners of the horse would be hands-on and the horse itself was very, very tame. A booklet about the history of Bells UMC has been compiled and will be distributed to everyone in attendance on Heritage Sunday. The cost of printing is estimated at $300. Motion by Carol Wilson to reimburse Gale & Julius King the amount not covered by other donations. Motion passed unanimously.

William Mann, speaking for Alyssa, stated that we need someone to volunteer to oversee the Fall event, and for the “Birthday Party for Jesus” following the Children’s Christmas Program. He also asked
everyone to encourage all ages to participate in the “Thankful for our Talents” Sunday. Sometime in November, the exact date has not yet been set.

Trustees: The AdMin Board had previously asked for estimates on opening a wall between 2 classrooms to provide a space big enough for the youth. After consideration and conversation, the trustees suggest we use a vacant Sunday School room in the Fellowship Hall, the last one on the left. Ray Hilley requested an estimate from a contractor on the upgrade of the bathroom in the Fellowship Hall and the Men’s bathroom in the Church building. The estimate has not been submitted yet. Ray will follow up and have an estimate at the next meeting. In Old Business, the ceiling microphones have been placed and the sound room workers are pleased so far.

Safe Sanctuary Policy: Rev. Lindley spoke with the Conference Congregational Specialist, who recommended that we adopt the policy we have. If there are changes to be made, we can add amendments at later dates. Motion made by Julius King to adopt the current version of the policy, unanimously passed. Policy attached.

Pastor: Rev. Lindley expressed his heartfelt thanks for the prayers and support during this phase of his Ordination process. The majority of the work is done, but he asks that we continue to pray for him and his family as they complete this process.

PPRC
We have requested for Pastor Kevin Lindley to stay for another year, July 2014 – June 2015. Pastor Lindley has accepted pending approval of the UMC Conference.

CHILDREN’S MINISTRY
Alyssa Mann wants to integrate more ‘active’ activities for the children, to give them an opportunity to practice sharing God’s word. Expressing several ideas of ways to do this, she was given unanimous approval by the board to proceed. Motion made by George Jameson, passed.

NEW BUSINESS
Tucker Hilley requested prayers and financial aid for a Mission trip he will attend with his college team. Motion made by Harold Campbell to give him the equivalent of the help we give Salkehatchie trip participants.

*Amendment by Carol Wilson that we revisit this request if he is unable to raise remainder of funds needed. Amendment passed. Motion passed.

UMW will compose a set of guidelines for the use of the kitchen, present to the board for their approval at the next meeting.

Alyssa Mann provided Board members with an outline of tentative events to be held throughout the year. This list includes 3 events each season for spring, summer and fall. Also included is the Annual Children’s Christmas Program.

UNITED METHODIST WOMEN

Kitchen guidelines were already established. They have been placed in a prominent location in the kitchen. UMW asked for and received permission to begin work on an updated church directory.

OLD BUSINESS

- A copy of a tentative ‘Safe Sanctuary Policy’, which was included in the AdMin mailing prior to meeting, was presented by Tuck Hanna. He has spent a considerable amount of time researching the UMC Book of Discipline and policies adopted by other churches of similar size. Tuck tailored it to our unique situation, and produced this initial draft. The policy presented at this meeting contains stipulations which might not be practical. Motion (Julius King) to table this vote for the time being. Motion approved. Tuck will do further revisions and present at a future Board meeting.

- Rev. Lindley reports that consent forms for church related travel have not been obtained. Stephanie Carwile suggested using forms which are approved by the Abbeville County School District. She will send one to Rev. Lindley to use for the upcoming UMYF ski trip and also bring one to the next board meeting.

Bells UMC tax exempt status has been updated to include adjacent property which was purchased a few years ago.

The Sound Room workers requested hanging microphones to enhance the DVD ministry. Mics would be disguised within the existing light fixtures. Estimate from Pro-Tech Systems for $1,230.86. Motion made by Ray Hilley, unanimously passed.

Trustee Ray Hilley will get estimates for the work.
Children’s Ministry:
William Mann speaking for Alyssa said everything is on track so far. Plans are being made for Heritage Sunday in September. We need someone to volunteer to head up the Fall event for children.
Rev. Lindley asked for guidance handling situations in which someone calls asking for financial help. It was recommended that those persons be referred to agencies in Abbeville that are supported by Bells UMC.

Safe Sanctuary Policy is pushed back for one more month so some wording can be adjusted.

Charge Conference is scheduled for Oct. 26 at 11:00 am.

Next Administrative Board Meeting is September 21.
