## Introduction Guide for Laity to Escrow apportionments

Dianna Anderson made the  
motion

I move that Bethel withhold  
the payment of all apportionments  
assigned to it by the Annual and  
General Conference because our  
Church believes that leaders  
across the UMC connection  
are not adhering to The  
Book of Discipline.

Their failure to follow church  
law represents a breach of  
fiduciary duty and violates  
Scripture. All withheld  
apportionment payments shall  
be escrowed by our church  
until such time as the Church  
Council Bethel decides to  
remit such payments.

The motion ~~was~~ 2<sup>nd</sup> ed Discussed.  
1 Only laity should make  
this motion after prayerful  
discernment. ~~Clergy~~ Clergy  
cannot make this motion.

Only laity should vote on this motion, clergy should not vote on this motion.

The minutes should reflect that the pastor did not vote.

2 Please make sure minutes of the Church Council (Administrative Council or whatever your local Church calls its leadership team) Dianna Anderson made the motion, Chris Freer 2<sup>nd</sup> ed it.

The minutes should also reflect the entire wording of the motion

3. Before voting the Pastor of the Church should advise the <sup>local</sup> Church's leadership team that the Book of Discipline of The United Methodist Church (2016) states in 1811.4 The apportionments for all apportioned general Church

funds as approved by the General Conference, shall not be subject to reduction either by the Annual Conference or by the charge or local Church. The minutes of the meeting should reflect this fact.

4. Before voting, the pastor of the Church should advise the local Church's leadership team ~~about~~ <sup>that</sup> the Book of Discipline of The United Methodist Church (2016) states in 1.8.12. The World Service Fund is basic in the financial program of The United Methodist Church. World Service on apportionment represents the minimum needs of the general agencies of the Church. Payment in full of these apportionments by local Churches and Annual Conferences is the first benevolent responsibility of the Church. The minutes of the meeting should reflect this fact.

5. A simple majority vote is required by the church's leadership team to adopt this motion
