Dear Wofford Students, Faculty, and Staff:

The Residence Life Staff is creating a new opportunity for student housing. Upperclassmen will have the option to be housed in Living-Learning Communities. This means that students have the opportunity to be housed with a group of peers, who are focused on creating a themed community. This option allows students to develop extra-curricular interests within a residential environment. Learning communities can be based on the exploration of traditional academic themes, service learning, the arts, film studies, healthcare, and more, according to participants’ interests.

Students can apply for this type of housing individually, or as a predetermined group. For more information, please read the description of Living-Learning Communities, on the Wofford College website. The description, as well as applications for individuals and groups can be accessed online at [http://www.wofford.edu/studentLife/residenceLife/livingLearningCommunity.asp](http://www.wofford.edu/studentLife/residenceLife/livingLearningCommunity.asp). The deadline for applying for this type of housing is March 1st, 2005. There will be an information session held in McMillan Theater on Thursday, February 10, 2005 from 11:00 to 12:00 noon. Please note that this application process is selective and will precede the traditional housing lottery. If you have questions regarding these communities that are not answered in the online description, please attend the information session or contact Colleen M. Henry ([henrycm@wofford.edu](mailto:henrycm@wofford.edu) or ext. 4063).

Social Security - Panel

Greetings on the Behalf of Congressman Bob Inglis:

As you all know, Social Security reform has emerged as one of the most debated talking points in current political discourse. By virtue of the fact that the President and Congress are still in the proposal stage of social security reform, Congressman Inglis would be delighted to have our constituents engage in a public forum where we can robustly discuss the future of Social Security. Congressman Inglis has invited a panel of noteworthy leaders in our community to present solid cases for both sides of the debate. Please regard this message as a cordial invitation to be a part of this public discussion on Monday, February 14th from 5p.m. to 6p.m. in the McMillan Theatre.

Fans will then place the macaroni boxes in a bin as they exit with proceeds going to Mobile Meals in Spartanburg.

"Shake It Up Saturday" is part of Wofford Sports Marketing's on-going "Take a Kid to the Game" initiative and is presented by C.R. England Trucking and Nextel.

TO: The Wofford Community  
FROM: Bernie Dunlap  

At the Board of Trustees meeting last week, the Board voted unanimously to name the renovated meeting spaces in Andrews Field House "The Anna Todd Wofford Center." This name honors Ben Wofford’s first wife, who is buried beside him in front of Old Main. Without demeaning Ben Wofford's part in accumulating the fortune that he left to found this college, it should be noted that Anna Todd Wofford's wealth was a significant part of the stake he invested so wisely. The name confirms the fact that women have played a vital part in Wofford College's success since its inception.

ANNOUNCING THE FIRST and perhaps only CLASSIC MOVIES AT CRAZY TIMES FILM FESTIVAL

It's not part of a class, it's not an official event, it's just an excuse for using McMillan Theater to watch splendid movies the way they were meant to be seen: on a full screen, instead of a 30" TV screen.

Because it's unofficial, this festival must use whatever times it can get. Anyone who can manage to get to the theater is welcome. If you can't get there, but this sounds like the kind of event you'd like us to try again some time on a more reasonable schedule, please let me know.

Sunday February 27 at 12noon
The Seventh Seal 1957
A labor of love by the Criterion Collection, who make a fine art of creating DVDs, using the freshest available prints and working frame by frame to get everything out of each image. If you've only seen Ingmar Bergman's medieval allegory projected in 16mm by your old college film society, you haven't really seen it.

Monday February 28 at 8:30 AM
The Rules of the Game 1939
A film by Jean Renoir, it's at once a drawing room comedy, a farce in the style of Beaumarchais, and a domestic tragedy. This movie was once thought lost. Neglected at its premiere (the French didn't care for this portrait of their ruling class as a bunch of irresponsible overgrown children), mutilated to shorten its length, then vanished in the chaos of World War II. It took decades of searching out bits and pieces to restore the movie. And now The Criterion Collection has manufactured a pristine DVD, working directly from the print closest to the original. It literally has not been seen like this since 1939.

Wednesday March 2 at 8:30 AM
The Passion of Joan of Arc 1928
Carl Dreyer made what's arguably the most emotionally compelling of all silent films. Actors are chosen for the expressiveness of their faces. The unrelenting close-ups give us no escape from the fear, hatred, cruelty, and suffering in those faces. And the execution scene is still among the most harrowing scenes on film. This is another movie thought to exist only in damaged, badly edited copies. A good print was uncovered like a buried treasure, and Criterion has rendered it flawlessly onto DVD.

Friday March 4 at 8:30 AM
Spirited Away
Not a lost masterpiece, but another movie that can't possibly achieve its intended effect anywhere but on a big screen. Hayao Miyazaki mixes old-fashioned hand-drawn animation with contemporary fantasy, creating a look that the gang at Pixar will never achieve, no matter what computer program they use.

Bills may be written by delegates; however, the deadline for submitting bills is midnight on March 6. Bills and resolutions passed by the SCSL and approved by the governor are then sent on to the actual SC Legislature for consideration. The spring session of SCSL will be held in Myrtle Beach on April 1-3. All students interested in attending the SCSL as a Wofford delegate email Marion at smithsm@wofford.edu.

South Carolina Mock Supreme Court

The SC Mock Supreme Court will be hearing oral arguments on April 2 during the SC Student Legislature Spring session in Myrtle Beach. **Lost and Found**

Lost: Black L.L Bean book bag. It contains an important notebook, a small calculator and a Bible. If you have found this anywhere on campus please call Josh Smith at ext. 4924 or contact Josh my email at smithjb@wofford.edu.

Lost: my hat at the basketball game last Monday night in the East Stands. It is an old, Tom Landry type, tan, unpleasant looking hat that my family wants me to lose permanently, but I like it. Contact SheornKB@wofford.edu if found. Thanks, Dr. Seegars
