Dear Wofford Friends:

After three tests and three examinations by three different doctors, it was concluded that I had two blockages in the anterior wall of my heart last week. I spent the weekend in the hospital being stabilized until they could go into my heart on Monday and do what needed to be done, be it a stint or balloon or both to clear the arteries. When my very able heart surgeon got in my heart on Monday, he could not find anything wrong, so he went in a different way, and still nothing wrong. In addition, my critical level of cholesterol is now the lowest he has ever seen in ANYONE. While he may not have the answer, I do. God answers prayers. Throughout the weekend you prayed for me from South America, England, or wherever in the world you were when you received word. I will forever be grateful. The only concern he has is the level of my heart beat, and so we shall medicate that.

What the doctor found was never in the best case scenario that we were presented. But God was in control. Thanks so much to everyone who drove all the way to Charleston to visit or who called me. Thank you for your emails and your prayers. Being a part of the Wofford family continues to prove to me what a special family we have. I will see everyone at Homecoming in October.

Best,

Josh Whitley

We've been adopted by a very cute & ownerless 8-9 month (we think) old kitten and we're hoping someone will be able to give her a good home. We'd love to keep her (pretty sure it's a "her"), but our two cats won't have it. She's black & white striped with little white paws & very affectionate & sweet -- lots of purring & wanting to be held. She's wearing a collar, but we've not been able to locate her original owner & we haven't seen any "lost kitten" advertisements in the paper that match her description. Interested people can email me directly [neighborsjr@wofford.edu](mailto:neighborsjr@wofford.edu) or call us at home (585-8513).

Seeking events for online calendar and promotions. Laura Corbin in the Office of Communications is seeking submissions for the Wofford College Online Calendar and for promotion to the public at-large. If you or your campus organization have an event planned for this fall -- convocations, special speakers, faculty talks, performances, readings, etc. -- please make sure you have posted them to the online calendar and/or you have sent the appropriate information to Laura. She particularly is in need of events that are open to the public and that will be promoted to the off-campus community. These will be compiled into a calendar that will be advertised to the upstate community and beyond. It is very important to get this information to Laura as soon as possible. If you already have submitted your event to the online calendar, there is no need to respond again. When planning an event, please be certain to check the online calendar for any potential conflicts. Contact Laura at [laura.corbin@wofford.edu](mailto:laura.corbin@wofford.edu) or 4180, or post to the online calendar.

### **Complimentary Admission to Football Games**

---

We are happy to inform you that we will once again provide up to two complimentary tickets to each College employee for our home football games; however we have a few new policies in place due to our new contract with TicketsXchange, LLC. Please follow the simple guidelines listed below:

To pick up your tickets, please follow these procedures:

1. On game day, go to the ticket booth located under the Scoreboard (in the endzone). Go to the window marked Wofford Faculty/Staff Tickets. Absolutely no faculty/staff complimentary tickets will be printed before game day. Faculty/staff will no longer be able to receive their tickets in advance.
2. Show your Wofford College employee ID to the ticket seller and they will then issue you one or two general admission tickets (as needed) and ask for your signature upon receipt of your ticket(s). If you need to purchase any additional tickets you may do so at this time. If you need an ID made, contact the Wofford Public Safety Office between the hours of 8:00am and 4:00pm, Monday through Friday.
3. Your tickets will be general admission tickets and can be used in the Faculty/Staff section designated in Gibbs Stadium, Section H-11 (upper level).

Tickets are non-transferable and we ask you to help us in observing this requirement by not distributing them to others. If you have any questions, please feel free to contact Elizabeth Wilkes or Caroline Thomas in the Ticket Office (x4090.)

### **Student Admission to Football Games**

---

Due to our new contract with Ticketsxchange, LLC we have a few new policies for Wofford students to be admitted free of charge to home football games.

- 1.) The student gate will be the side gate located off Evins Street beside the Curry Building. All Wofford students MUST enter through this gate in order to receive free admission
- 2.) Students should present a VALID Wofford ID to the event staff person working the gate. The ID will be scanned and if accepted the student will be allowed to enter the stadium.

No student will be admitted unless he/she has a valid Wofford ID so it is important for all students to have their ID present upon entering the stadium. No exceptions will be made. If you have any questions please feel free to contact Elizabeth Wilkes or Caroline Thomas in the

Ticket Office (x4090.)

### **Worship Service**

A campus-wide Service of Worship will be held this Sunday, August 28, at 11:00am in McMillan Theatre. It is for all students and staff who are there this weekend. Chaplain Robinson will speak on the theme "Pay It Forward." All are invited and encouraged to attend.
