NCAA COMPLIANCE
The importance of following all NCAA rules and regulations is imperative to maintaining the integrity of Wofford College and intercollegiate athletics. We ask all who are associated with the institutions athletics programs to help the College protect the spirit of competition, the athletics eligibility of our student-athletes and the reputation of the College by adhering to the rules and regulations of the NCAA and by contacting the Compliance Office or the NCAA with all questions. If you have any questions about NCAA rules, please contact Elizabeth Rabb at (864) 597-4090, the Wofford website at woffordterriers.com and click on ‘Compliance,’ or the NCAA at www.nca.org.

What is a Representative of Athletics Interests (Booster/Donor)?
All alumni, friends, and employees of the College are categorized as ‘representatives of athletics interest.’ The NCAA stipulates that once an individual has been identified as a ‘representative’ or “booster/donor” he/she retains this status forever even if the individual is no longer associated with the athletics program. Furthermore the NCAA states that it is possible for a person to be a representative of more than one institution at the same time. A representative of athletics interest may not:
• Contact a prospect’s coach, principal or counselor in an effort to evaluate a prospect
• Visit the prospect’s institution to pick up film or transcripts
• Contact a prospect, his/her parents, legal guardians or spouse on or off campus
• Contact a prospect by telephone or letter
• Make special arrangements to entertain a recruit
• Provide extra benefits to a prospect, student-athlete or the parents, family and/or guardians of the prospects or student-athletes

Wofford College, established in 1854, is a four-year, independent, residential liberal arts college located in Spartanburg, S.C. It offers a distinctive program with 25 major fields of study to a student body of 1,650 undergraduates.

Wofford has produced six Rhodes Scholars and is home to one of the nation's 283 Phi Beta Kappa chapters.

A leader in offering high-impact learning opportunities to students, Wofford encourages students to take advantage of all that Wofford, and through it the world, has to offer.

These opportunities include internships with scientific, corporate and non-profit organizations across the globe, undergraduate research opportunities, service-learning in the local community, international study abroad programming and a thriving host of co-curricular opportunities on campus.

One of those co-curricular offerings is the R. Michael James Fund, a student-managed and operated investment organization. The Space in the Mungo Center also prepares students for life after Wofford by offering professional development, career services and much more.

Student and residence life on campus include exciting Division I NCAA athletics, opportunities to participate in one of the college's Greek-letter fraternities or sororities, competitive intramurals, a diverse selection of clubs, student publications and a housing plan that helps students progress from first year through fourth in a close-knit community that builds independence. The residence life experience culminates in a final year in The Village, beautiful, Charlestonian-style apartments designed to help transition students from college student to successful graduate.

Thanks to the generosity of alumnus and trustee Jerry Richardson '59, construction on Wofford's Rosalind Sallenger Richardson Center for the Arts and the Jerry Richardson Indoor Stadium to house new basketball and volleyball arenas began in 2016, with completion dates in 2017. In addition, the new Greek Village was completed in the spring of 2016.

Wofford’s entire 175-acre campus is a national arboretum, named the Roger Milliken Arboretum at Wofford College in honor of the late longtime trustee and benefactor.
Wofford offers distinctive learning opportunities that set it apart from other liberal arts colleges. A few of those high-impact educational experiences include:

**The Interim**, a January term that encourages students and faculty to explore new interests both on and off campus. A small sampling of on-campus programs include: Animal Cognition and Rat Basketball, Personal Finance, and Riding and Researching the Horse. Travel/study projects will take students to Australia, Cuba, China, Ireland, Germany, Japan and other sites around the world. Students also complete internships both locally and around the globe.

**The Bonner Scholar** program, a service-learning scholarship program that places deserving students in volunteer positions throughout the community.

**The Space in the Mungo Center**, a place where students can build upon their liberal arts education by adding professional skills desired by employers and graduate schools. The Space includes The Space to: Prepare (career services and professional development training); The Space to: Impact (a four-year scholarship program that empowers students to impact the world); The Space to: Launch (entrepreneurship support and competitions); The Space to: Consult (hands-on research, writing and problem-solving training within a consulting framework); and The Space to: Explore (in-depth global study).

**Environmental Studies** provides a creative and supportive learning environment that helps students pursue their goals in the field of sustainability. It operates both on Wofford’s campus and at the college’s Goodall Environmental Studies Center at Glendale, S.C. The property where the center is located borders 19 acres of protected green space along Lawson’s Fork Creek.

**Neuroscience**, a program that allows students to examine the nervous system and its regulation of behavior through an experimental approach, is offered jointly by the Departments of Psychology and Biology.

**Computational Science**, a fast-growing interdisciplinary field that is at the intersection of the sciences, computer science and mathematics, involves learning to store, retrieve, process and visualize massive amounts of information in web-accessed databases.

**The Novel Experience**, a first-year reading and writing program that offers an introduction to the academic rigor of Wofford while familiarizing students with the Spartanburg community.

**The Creative Writing Concentration**, a program led by outstanding published faculty authors that provides additional opportunities for students to hone their creative writing skills, earn coveted prizes and become published writers. The Wofford Writers Series brings published writers to campus to augment the Creative Writing Concentration.

**The Presidential International Scholar** program offers an opportunity for an outstanding, intellectually gifted student to visit developing countries researching a specific academic area of interest. The student then returns to campus to share his or her experiences.

**Presidential Seminar**, a weekly seminar for outstanding seniors hosted by Wofford President Nayef H. Samhat. Seminar participants explore interdisciplinary subjects of current significance. The college now has a similar program for juniors.

**Liberty Fellowship** is a two-year leadership experience for young citizens of South Carolina with exemplary promise for societal achievement. The Liberty Fellowship is housed at the college and offered in partnership with South Carolina businessman Hayne Hipp and the Aspen Institute.
THE RICHARDSON BUILDING

The home of the Wofford College Athletic Department is the Richardson Physical Activities Building. The facility includes offices for the administration, football, basketball and other sports on the second floor. Also included on the second floor is an aerobic dance room and weight room with machine and free weights along with a variety of cardio machines. Locker rooms for football, men's and women's basketball, men's and women's soccer and a training room are located on the first floor.

Wofford alumnus and Carolina Panthers owner Jerry Richardson made a $1 million donation in 2008 that was used for enhancing the Richardson Building. Numerous improvements were made in the facility to ensure that it is one of the most advanced athletic facilities in the nation.

Enhancements to the Richardson Building include new paint and carpet in the entire facility. The coaching and administration suites were reconfigured to provide better reception areas. Football and men's basketball offices were outfitted with a new video system, including computers, editing software and large-screen monitors. This new system is similar to those being used by the NFL and NBA.

Inside the Harley Room, a new audio/video system was installed to handle the variety of events held in the room. New displays for academic honors, Southern Conference honors and the Hall of Fame are a part of the project. Additional murals and photos compliment the building and give it a fresh look.

In addition, the fitness facilities have been upgraded as well. Nearly $100,000 worth of new equipment was added to supplement the current selection of treadmills and elliptical machines. The cardio area features six flat panel televisions for viewing while working out. The fitness area is used by the entire student body at Wofford.
MISSION STATEMENT

REEVES TENNIS CENTER

The John E. Reeves Tennis Center serves as the home of the men’s and women’s tennis programs at Wofford College. The facility was named after the late Mr. Reeves who was a valued friend to the Wofford community. A giant in the textile industry, Reeves was superintendent of the Reeves Brothers’ Mill in Woodruff, S.C. He later assumed the duties of an officer and the director of the corporation. In 1967, he was named the company’s Chairman and Chief Executive Officer.

Reeves was a member of the Wofford College Board of Trustees from 1974 through 1979. He served on the finance and co-educational study committees. Under his leadership, the Reeves Foundation was established to support many charitable causes, including The Campaign for Wofford: An Investment in People.

Mr. Reeves received many honors, including an honorary doctorate of law degree from Clemson University in 1963 and the doctorate of science degree from Wofford in 1984. He was named the New York Trade’s Textile Man of the Year in 1970. The Reeves Tennis Center stands in honor of the contributions to Wofford and the surrounding communities Reeves made throughout his lifetime.

The facility has 11 championship quality courts. It contains men's and women's locker rooms, as well as a lounge that enters onto a large viewing deck overlooking the courts. Located adjacent to the middle of the Wofford campus on Evins Street, the Reeves Tennis Center opened in 1992.
Rod Ray
HEAD COACH
18TH SEASON
EAST TENNESSEE STATE ('87)

Rod Ray is in his 18th year as the head tennis coach at Wofford College. He also served as the Terriers’ head women’s coach for eight years until the 2007-08 season. Ray took over the Wofford tennis teams in 2000, three years after the transition to Division I, transforming a struggling team into a reputable program that improves every year. 

In the 2016-17 season, Ray led the Terriers to a 13-10 overall record while going 3-4 in the SoCon. The Terriers finished over .500 for the first time since 2008-09.

In 2015-16, Ray led the Terriers to a 10-13 overall record, including an 8-0 record at home. The team also won three conference games.

In the 2014-15 season, Ray’s team finished with a 10-11 overall record, going 3-4 in conference play. The squad made it as far as the semifinals of the SoCon Tournament last season. Senior Walker Heffron was named to the CoSIDA Academic All-District IV Team at the end of the season, the first ever player to earn such an honor in program history.

Heffron, senior Rob Galloway, sophomore Haris Poric and freshman Parks Schoen earned All-SoCon honors as well, with Galloway and Poric both earning All-SoCon Singles First Team recognition and the duo of Galloway and Heffron earning All-SoCon Doubles First Team honors. Schoen was named to the All-Freshman Team.

Coach Ray led the 2013-14 squad to a 9-13 mark, with the team going 3-6 in conference play. At the end of the season, Rob Galloway earned All-Conference honors, while Haris Poric was named to the All-Freshman team. The team was also successful off the court, with Walker Heffron named to the 2014 Spring Academic All-Conference Team and 10 members of the team named to the conference’s academic honor roll.

Ray’s 2012-13 team posted an overall record of 3-15 and 1-9 in the Southern Conference. Four of his players earned spots on the Southern Conference Spring Academic All-Conference Team, while six earned SoCon Academic Honor Roll. He also had one All-Conference player in Rob Galloway who earned second team honors.

The 2011-12 squad posted an overall record of 6-12 and 5-5 in the Southern Conference. Two members of the squad earned spots on the SoCon Spring Academic All-Conference Team, while nine earned SoCon Academic Honor Roll honors.

Coach Ray’s 2010-11 team finished with an 8-13 overall record and a 4-6 standing in the Southern Conference. Ray’s most successful year was in 2008-09, when he led his team to a 13-11 record and a 7-4 standing in the Southern Conference.

The 2008-09 team was the only men’s team in the Southern Conference to earn special recognition from the NCAA for being in the top ten percent in their sport with regard for outstanding academic achievement (APR). The program had earned this recognition four years in a row. In addition, the squad was also recognized by the NCAA for having outstanding sportsmanship.

In 2009, they won a national award by the NCAA ITA Ethics and Infractions Committee for exemplifying outstanding sportsmanship, character, and ethical conduct in the true spirit of competition.

Ray coached four years. Stubbs was inducted to the Wofford Athletics Hall of Fame in 2014. Ray also coached George Kernoodle to Wofford Athletics Hall of Fame in 2014. Ray came to Wofford from the Topspin Racquet and Swim Club in Lexington, S.C., where he served as the tennis director for nearly 10 years. He has been a prominent fixture in South Carolina tennis, serving as coach for the South Carolina Junior Davis/Federation Cup Team, USTA Junior Player Development Program, Zonal Coach, and as president of the South Carolina Tennis Professional Association. In 1998, Ray was named South Carolina Tennis Association Professional of the Year. Certified by the USPTA, he has obtained a Professional 1 rating. Each summer he runs the Rod Ray Tennis Camp at Wofford, bringing in youth from across the Southeast.

Ray earned a bachelor of science degree in political science and a master’s degree in political science from East Tennessee State in 1987, where he played on the Buccaneer tennis team in 1984 and 1985. He went on to earn his MBA from Colorado State in May of 2013. He and his wife, Merritt, have two sons, Cole and Asha.

**A History of Wofford College Tennis**

**Historical Notes:** Tennis arose on the Wofford College campus in the fall of 1889. The club consisted of 16 members which included a President, Treasurer, Manager, 3 instructors, and a “keeper of the keys.” The object of this club was to introduce and perpetuate tennis at Wofford. Quickly, the club became more of a school-wide organization consisting of members of the faculty as well as students. Wofford's first recorded tennis match, held on March 19, 1890, was a 3-1 win over Tryon. By 1920, Wofford Tennis became a team sport. There was no tennis team from 1942-43 to 1945-46 due to World War II.

**Current Players**

The City’s origins predate the Revolutionary War. Spartanburg was named for a unit of American Revolution forces called the “Spartan Rifles” who helped defeat the British at the Battle of Cowpens in 1781, under the leadership of General Daniel Morgan.

The town of Spartanburg was incorporated in 1831 and later as a city in 1880 by the 13 Original States and Tennessee. During this time Spartanburg was booming due in large part to the rapidly expanding textile industry.

In the 1870s, Spartanburg became a railroad “hub city,” with mainline railroads extending from Magnolia Street depot in all directions, taking passengers and freight to Charleston, Augusta, Atlanta, Asheville, Charlotte and points beyond. As many as 90 trains per day could be seen and heard operating in Spartanburg during the golden age of the American railroad, 1900-20.

During the 1920s, Spartanburg built South Carolina’s first municipal airport and claimed the state’s first commercial radio station (WSPA). Its leadership in the state was reflected by the election of several residents as governor.

Thousands of U.S. soldiers bound for overseas service in World Wars I and II trained at camps in Spartanburg. The post headquarters for Camp Wadsworth (1917-19) was located at the present site of WestGate Mall, and the Camp Croft (1940-45) was located south of the city.

Much of that military reservation has become Croft State Park.

After World War II, Spartanburg made a concerted effort to promote its location at the junction of Interstates 85 and 26 to international business. One of the greatest successes of this campaign was the development of the BMW manufacturing center near the Greenville-Spartanburg Airport.

Spartanburg's downtown, which always has been anchored by the campuses of Wofford and Converse Colleges, has been undergoing a major revival since the mid-1990s. In addition to the corporate headquarters for Denny's, Advance America, QS-1 and several other companies, the city has acquired a magnificent public library, the Marriott Hotel at Renaissance Park and most recently, the Chapman Arts Center and the USC Upstate George Dean Johnson School of Business. The area surrounding Morgan Square gradually is redeveloping with a variety of interesting restaurants and urban apartment-style housing.

Throughout the 20th century, textile manufacturing companies formed the backbone of the Spartanburg economy. The most significant of these companies still in operation is internationally respected Milliken & Company.

Blessed by geography and climate as well as by energetic and well-educated citizenry, Spartanburg is emerging as one of the centers of a 21st century metropolis that extends along the South Carolina portion of the I-85 corridor.
The Southern Conference, which is in its 97th season of intercollegiate competition in 2017-18, is a national leader in emphasizing the development of the student-athlete and in helping to build lifelong leaders and role models.

The Southern Conference has been on the forefront of innovation and originality in developing creative solutions to address issues facing intercollegiate athletics. From establishing the first postseason college basketball tournament (1921), to tackling the issue of freshman eligibility (1922), to developing women’s championships (1984), to becoming the first conference to install the 3-point goal in basketball (1980), the Southern Conference has been a pioneer.

The Southern Conference is the nation's fifth-oldest NCAA Division I collegiate athletic association. Only the Big Ten (1896), the Missouri Valley (1907), the Pac-12 (1915) and the Southwestern Athletic (1920) conferences are older in terms of origination.

Academic excellence has been a major part of the Southern Conference’s tradition. Hundreds of Southern Conference student-athletes have been recognized on CoSIDA Academic All-America and all-district teams. A total of 20 Rhodes Scholarship winners have been selected from conference institutions, most recently in 2012-13, when former Wofford volleyball player Rachel Woodlee earned the prestigious award.

MEMBERSHIP HISTORY

On Feb. 25, 1921, representatives from 14 of the Southern Intercollegiate Athletic Association’s (SIAA) 30 members met at Atlanta’s Piedmont Hotel to establish the Southern Intercollegiate Conference. On hand at the inaugural meeting were officials from Alabama, Alabama Polytechnic Institute (Auburn), Clemson, Georgia, Georgia School of Technology (Georgia Tech), Kentucky, Maryland, Mississippi A&M (Mississippi State), North Carolina, North Carolina State, Tennessee, Virginia, Virginia Polytechnic Institute (Virginia Tech) and Washington & Lee.

Dr. S.V. Sanford of Georgia was chosen as acting chairman and N.W. Dougherty of Tennessee was named secretary. The decision to form a new athletic conference was motivated by the desire to have a workable number of conference games for each league member. With 30 schools in the SIAA by the early 1920s, it was impossible to play every school at least once during the regular season and many schools went several years between playing some conference members. In addition, in 1920, the SIAA voted down proposed rules that an athlete must be in a college a year before playing on its teams and refused to abolish a rule permitting athletes to play summer baseball for money.

Play began in the fall of 1921, and a year later, six more schools joined the fledgling league, including Tulane (which had attended the inaugural meeting but had elected not to join), Florida, Louisiana (LSU), Mississippi, South Carolina and Vanderbilt. VMI joined in 1925 and Duke was added in 1929.

By the 1930s, membership in the Southern Conference had reached 23 schools. C.P. “Sally” Miles of Virginia Tech, president of the Southern Conference, called the annual league meeting to order on Dec. 9, 1932, at the Farragut Hotel in Knoxville, Tenn. Georgia’s Dr. Sanford announced that 13 institutions west and south of the Appalachian Mountains were reorganizing as the Southeastern Conference. Members of the new league included Alabama, Alabama Polytechnic Institute, Florida, Georgia, Georgia School of Technology, Kentucky, Louisiana, Mississippi, Mississippi A&M, University of the South, Tennessee, Tulane and Vanderbilt.

According to the minutes of the meeting, Dr. Sanford stated that the division was made along geographical lines. Florida’s Dr. J.J. Tigert, acting as spokesman for the withdrawing group, regretted the move but believed it was necessary as the Southern Conference had grown too large. The resignations were accepted and the withdrawing schools formed the new...
The Southern Conference, which began play in 1933, has undergone significant shifts in membership over the years. The league continued with membership of 10 institutions, including Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina, Virginia, VMI, Virginia Tech and Washington & Lee.

The second major shift occurred some 20 years later. By 1952, the Southern Conference included 17 colleges and universities. Another split occurred when seven schools – Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest – departed to form the Atlantic Coast Conference, which began play in 1953. The revamped Southern Conference included members The Citadel, Davidson, Furman, George Washington, Richmond, VMI, Virginia Tech, Washington & Lee, West Virginia and William & Mary.

A third major shift occurred in 2012-13, when five members announced their departures and three schools were added. College of Charleston announced its decision to leave for the Colonial Athletic Association following the 2012-13 season, while Appalachian State (Sun Belt), Davidson (Atlantic 10), Elon (Colonial) and Georgia Southern (Sun Belt) announced they would depart following the 2013-14 campaign. At the Southern Conference’s 2013 spring meetings in Hilton Head Island, S.C., the league officially extended invitations to former members ETSU and VMI, as well as Mercer, to join the league for the 2014-15 academic year.

Today, the league continues to thrive with a membership that includes 10 institutions and a footprint that spans six states: Alabama, Georgia, North Carolina, South Carolina, Tennessee and Virginia. Current league members are The Citadel, ETSU, Furman, Mercer, UNCG, Samford, Chattanooga, VMI, Western Carolina and Wofford.

CHAMPIONSHIP HISTORY
The first Southern Conference Championship held after the formation of the league was the basketball tournament in Atlanta in 1922. North Carolina won the tournament to become the first recognized league champion in any sport. The Southern Conference tournament remains the oldest of its kind in college basketball. The most recent SoCon addition, women’s lacrosse, will crown its first champion in April of 2018.

The Southern Conference declares champions in 11 men’s sports – football, soccer, cross country, basketball, indoor track and field, outdoor track and field, tennis, golf and softball, rifle is a mixed sport.

At the end of the last academic year, there were approximately 2,000 four-year colleges in the United States. Only 262 of them have the right to induct their graduates into Phi Beta Kappa, the nation's most prestigious liberal arts honor society. There are five independent Phi Beta Kappa chapters and universities in the Carolinas: Wofford, Davidson, Duke, Furman and Wake Forest.

Founded at the College of William and Mary in December 1776, Phi Beta Kappa was the first of the Greek letter fraternities and adopted such rituals as the badge, the secret oath, and the special handclasp from the various secret societies of the day.

Phi Beta Kappa, however, was also devoted to the principles of “friendship, morality, and literature (or learning),” and these characteristics gradually attained the greatest emphasis. John Quincy Adams, Edward Everett and Joseph Story, members of the Harvard chapter, are credited with making the fraternity a public literary and honor society for undergraduates in the 1830’s. Women were first admitted to Phi Beta Kappa in 1875 at the University of Vermont.

Wofford received its charter at the 1940 triennial meeting, bringing to fruition more than ten years of work by three Phi Beta Kappa members who were then serving on the faculty: President Henry Nelson Snyder, Dr. David Duncan Wallace, class of 1894, and Dr. John West Harris ’16, a brash and brilliant young English professor not afraid to campaign vigorously in the conviction that his alma mater deserved membership. (Dr. Harris later founded the National Beta Club, which still has its headquarters in Spartanburg).

With about 350,000 members across the country, Phi Beta Kappa today sponsors numerous programs to encourage scholarship and learning, including the Phi Beta Kappa Book Awards and the visiting scholar, academic fellowship and leadership programs.

For these reasons, Phi Beta Kappa Day at Wofford has institutional significance, as well as being especially memorable for the new members, each of whom will receive the traditional Phi Beta Kappa watch key or pin.

Shane Dudley Robertson ’12 (above) is the latest men’s tennis player to be inducted into Phi Beta Kappa.

The board of trustees, led by its Human Resources Committee, has completed its review and have voted to accept the mutual recommendation of the Search Committee and the Human Resources Committee in the naming of Dr. Nayef H. Samhat as the next president of Wofford College. We are honored that Dr. Samhat has accepted our call and we are excited and ready to begin our important work together.”
