**MEET "BLITZ" THE TERRIER**

As kickoff approached for the Terriers home opener last Saturday, we kicked off a couple new traditions for the football season. One of those traditions you may have caught on Fox Carolina and NewsChannel 7 -- our newest mascot "Blitz" the Terrier. Blitz, Wofford's very own "UGA", will be at every Wofford football game this season and beyond. The good folks at PetSmart donated a doghouse for Blitz as well. Come early next Saturday and you'll see Blitz make a lap around the field at Gibbs Stadium during pregame warm-ups.

Also, we want to send a few thank you's out to several businesses that helped us in trying to create a great family atmosphere at Gibbs Stadium. **RSN Promotionals** for the "Touchdown T-shirt Launch" -- a tradition at games for several years RSN again outdid themselves with a great looking promotional T-shirt for us to treat fans after Terrier Touchdowns. The **Greenville Braves** were kind enough to allow us to borrow their "T-shirt Shooter" for the football season, hence making the T-shirt Launch even more fun. And with the help of **Papa John's**, the "Pizza Slice Race" will feature either Saucy, Ollie, Beefy, Cheesy or Pepy in a race of slice supremacy each home game.

Last Saturday was the largest crowd ever at Gibbs Stadium with over 11,000 in attendance, we hope to have an equally large crowd on the 20th as the Eagles of Georgia Southern come to town for a game televised regionally on Fox Sports Net South (7:00).

**"TAKE HOME A TERRIER" THIS FALL**

Wofford Sports Marketing and the Spartanburg Humane Society have teamed up to create the "Take Home a Terrier" campaign this fall! Stop by the Spartanburg Humane Society booth outside the Gibbs Stadium North Gate at any of the 5 remaining home football Saturdays and pick out a Boston terrier or terrier mix for adoption. The Wofford mascot team "Boss", "Lil Ruff" and "Blitz" encourage you to take the kids by the SHS table and take home a bundle of terrier joy this fall.

**Terriers Battle Furman on Saturday -- Kickoff 3:35 pm**

The 9-1 and 4th ranked Terriers hit the road on Saturday for Paladin Stadium in Greenville for the regular season finale against Furman. With a win, the Terriers become the first SoCon team since Georgia Southern in 2000 to run the table and finish the SoCon schedule undefeated. Kickoff has been moved to 3:35 pm to accommodate Fox Sports Net South and Fox Sports Net Digital (nationwide) coverage. As usual, Mark Hauser, Thom Henson and Tom Brown have the call on WSPA AM 910 starting at 3:00 pm. Last week's 28-14 win over ETSU clinched the school's first ever SoCon Championship, first ever bid to the Division I-AA playoffs and the first 9 game winning streak since the 1970 club advance to the NAIA national championship game. Now has never been a better time to be a Terrier...here's a couple ways to show your pride:

**Southern Conference Championship apparel** is on-sale at the Athletic Administration offices in the Richardson Building - \$15 for adult size t-shirts, \$10 for child size t's and \$15 for caps

Wofford will close its for regular-season with a 3 match up against Furman Greenville Saturday. The contest will be broadcast FOX Sports South and FOX Sports Digital (nationwide)

**Playoff Tickets:** While officially Wofford will not know its home playoff fate until the week of the 19th, a large presale for a potential home game at Gibbs Stadium may very well clinch the berth from the NCAA Selection Committee. Call 597-4090 to reserve your tickets (\$20 reserved and adult general admission, \$10 for students 18 and under and Wofford students with ID). NO transactions will be run (i.e. checks and credit cards) until the game site is set.

**Marquee Boards: Show your spirit around town -**  
- if you have a marquee board at your business, put up a congratulatory message -- "Go Terriers - 2003 SOCON Champs" and we will come by and take a digital image for use in next year's program or media guide!

### **Wofford vs. Furman Food Fight Ends Friday**

Help the Terriers beat Furman and fight hunger in Spartanburg! The food drive continues until Friday at 4:30 at the following collection points on the Wofford Campus (Burwell, Acorn Cafe, Zach's) and the Spartanburg Convention and Visitors Bureau office on Magnolia Street in Spartanburg. ### **"This Thanksgiving...It's Pigskin!" -- Terriers vs. Aggies, Saturday at 1:00 pm**

Terrier fans, the moment has arrived. The excitement is building and the showdown is drawing near as the 10-1 Wofford Terriers host the 10-2 North Carolina A&T Aggies for a 1:00 pm kickoff at Gibbs Stadium in the First Round of the NCAA Division I-AA Football Playoffs. NC A&T comes in as the champions of the Mid-Eastern Athletic Conference. RESERVED SEATS ARE SOLD OUT as of Wednesday morning, only General Admission tickets remain. The Athletic Ticket Office is closed for Thanksgiving tomorrow, but will reopen at 8:30 Friday morning. Will Call for the game on Saturday will be located at the ticket booth under the scoreboard ONLY. There is no will call at the Cummings Street booth. Tickets will go on sale on Saturday at 10:30 am at Gibbs Stadium. Tickets are \$20 for adult general admission, \$10 for students 18 and under and Wofford students with ID.

Many have asked if North Carolina A&T will bring its band. The answer is yes, the "Blue and Gold Marching Machine" will be the halftime entertainment. This was the band that the movie "Drumline" was based on so it should be a great show. Also, about 25 minutes prior to gametime, Spartanburg Regional Healthcare System's "Regional One" helicopter will hover over midfield to deliver the gameball to Boss the Terrier.

### **"Toys for Tots" Drive at Men's Basketball Games - Dec. 1st and 13th**

SoCon champion Wofford host MEAC champion North Carolina A&T in the opening round of the Division I-AA football playoffs. Kickoff 7 p.m. on Saturday at Gibbs Stadium.

Wofford Sports Marketing is pleased to announce two special promotions for upcoming basketball games. On Monday, Dec. 1 vs. Toccoa Falls and Saturday, Dec. 13 vs. Charleston Southern, fans bringing an unused, unwrapped stuffed animal for the "Toys for Tots" program will get a voucher good for one free General Admission ticket to any other men's or women's basketball game in 2003-04. It's a great way to get into the Christmas spirit and help a very worthy cause! Bring your stuffed animals on Monday night!

## **Several Terriers Receive All-Conference Honors**

Wofford offensive guard Eric Deutsch has received the Southern Conference's Jacobs Blocking Trophy while halfback Kevious Johnson is the league's Freshman of the Year in voting completed by the SoCon head football coaches. Terrier coach Mike Ayers has been selected the SoCon Coach of the Year for the third time in the last four seasons. Also, the complete All-SoCon first and second teams were announced and Wofford has placed 10 players total on the first and second teams. Wofford leads all schools in total selections to the All-Conference teams. The Terrier selections included first team offensive players in guards Bobby Gibbs and Eric Deutsch and defensive back Matt Nelson. The Terriers had tackle Chad Bentley and running back J.R. McNair on the second offensive unit while placing five on the defensive second team including linemen Lee Basinger, Katon Bethay, linebackers Timmy Thrift and Teddie Whitaker and punter Jimmy Miner.

## **Men's Basketball whips Emmanuel -- Women stage furious comeback, fall short against UNO**

**Terriers 88, Emmanuel 42** -- Justin Stephens scored all 10 of his points in a 19-0 first-half run as Wofford rolled past Emmanuel, 88-42, in the Terriers' home opener tonight in Spartanburg, S.C. Wofford (1-1) hit 13-of-28 3-point attempts as 13 of its 14 players broke into the scoring column. Adrien Borders had a team-high 16 points. "I'm impressed with how hard our team plays," Wofford coach Mike Young said. "We can be terrific defensively (the Terriers forced 26 turnovers). "We played pretty darn well and did a good job on the boards." The Terriers tip with the Tigers at 1:00 pm on Saturday. Radio coverage will not be available from WSPA, due to the playoff game.

**UNO 79, Wofford 76** -- The Wofford women's basketball team overcame a 22-point deficit in the first half to take the lead for the first time with 11:54 remaining in the second session and converted 33-of-49 free throws for the game in nearly upsetting the visiting New Orleans Privateers, 79-76, in the Benjamin Johnson Arena Tuesday evening. "We started off not very good," said head coach Samantha Young. "I don't really know why; however, we finished extremely strong. We showed a lot of character by coming back to play really hard. We had the opportunity to win or tie and take it to overtime. But, that's all you can ask out of the team is to come out and play hard and give yourself a chance to win, and we did that." With the loss, Wofford drops to 0-3 on three game in five days. The Lady Terriers will next hit the road for six straight road games starting with a 7 p.m. contest Friday at Coastal Carolina, before returning home Dec. 22 against SoCon favorite Chattanooga.

### **Question of the Week**

***How many Wofford graduates have gone on to play professional sports (NBA, NFL, MLB)?***

***Joseph James  
Rock Hill, SC***

After some digging we came up with the answer to this week's "Question of the Week" thanks to Wofford Sports Information Director Mark Cohen. There have been numerous Terriers in minor league basketball, European league basketball, minor league baseball, etc. but finding those who made it to "the show" is a bit more difficult. The last Terrier football player to appear in an NFL game is current Carolina Panthers owner and Wofford class of '59, Jerry Richardson who played with the Baltimore Colts. In the basketball, Daddy Neal (class of '53) is the last Terrier to show up in an NBA game playing for the Syracuse Nationals. And the last Terrier in Major League Baseball, was John Boozer (who attended from 1956-58 but did not graduate) played for the Phillies in 1967. Other major leaguers from Wofford date from 1956 all the way back to 1908.

### **Question of the Week**

***When was the last Wofford baseball game played on-campus?*** Jim Rawlinson - Rock Hill, SC

Contrary to popular belief, the Terriers actually played a few games at Law Field during the 1996 season - their first season in Division I. At the time, Division I teams were allowed to play non Division I schools. The Terriers 6-3 win over Benedict College was the last official game played at Law Field on April 13, 1996. Wofford played most of the 1996 and all of the '97-'03 seasons at Duncan Park in downtown Spartanburg. The on-campus era restarts February 28 as the Terriers host Niagara at Russell C. King Field (the same site as Law Field). The last full season played on-campus was the last year of Division II competition in 1995.

**Terriers welcome Clemson to Spartanburg for first time since '77**

The Terrier baseball team is off to its best start since 1991 with a record of 6-1 after taking two of three from the Penguins of Youngstown State over the weekend. On Wednesday, March 10, Wofford entertains Clemson for the first night game at Russell C. King Field, the on-campus ballpark. Wednesday's game is presented by C.J. Compton Plumbing and first pitch is set for 7:00 pm. Only general admission tickets remain for Clemson and a very limited number of reserved tickets are available for the March 23 dedication night contest against South Carolina. Call 597-4090 to reserve your seat today!

**Please make note of the following policies for Wednesday's baseball game:** Campus Drive will close at 5:00 pm -- No parking is allowed in East Cleveland Street beyond the left field wall -- Parking is allowed on Memorial Drive (at your own risk) as well in lots used for basketball and football games off of Evins and Cumming Streets -- Will Call tickets will be located at the table between the Infirmary and Andrews Fieldhouse ONLY.

Also, an announcement is coming on selected Terrier Baseball games to be broadcast on **TEAMLINE**, our internet only radio source this week.

**"Dizzy Bat Race" gets a makeover**

With the opening of Russell C. King Field on March 1, the Terriers are back on-campus for the first time since 1996. With the new ballpark comes a new marketing strategy for Terrier baseball that includes very much a "minor league" feel. During the Saturday game with Youngstown State this past weekend, the "Dizzy Bat Race" was replaced by the "Dizzy Plumber Race" sponsored by local commercial plumbing agency, C.J. Compton Plumbing. The essence of the promotion is the same, two contestants spinning around ten times then running to the finish line...only now participants spin around custom designed 33-inch gold and black plungers instead of baseball bats.

The "Dizzy Plumber Race" is among several new promotions for 2004, including the Bell South Yellow Pages "**Beat Boss the Terrier Race**" (Boss is already 0-2), the **Terrier Tike Big Wheel Trike Race**, the David Sunflower Seeds **Trivia Question** and the **Homerun Jackpot Inning** presented by the Courtyard, Residence Inn and Fairfield Inn. Also, coming next week are **schedule posters** for both baseball and tennis presented by Powers Printing and the Radisson Hotel and Suites in Spartanburg.

**Wofford finishes second at Lady Terrier Coca-Cola Intercollegiate**

This past weekend, seven teams competed in the Lady Terrier Coca-Cola Intercollegiate Golf Tournament and Wofford was a mere one stroke from

intercollegiate golf tournament and Wofford was a mere one stroke from winning its inaugural event. East Tennessee State edged the Lady Terriers with Radford finishing third. Laura Parris of Wofford finished second overall in the individual scoring, five strokes behind the individual champion, Laura Terebey (Radford). Again thanks to Spartanburg Coca-Cola for making this year's event possible.

**Wofford connection to NASCAR**

In the last edition two weeks ago, a story ran about Crystal Craig's ('03) performance of the national anthem for the NASCAR Craftsman Truck Series race at the Lowe's Motor Speedway in Concord, N.C. on Friday, May 21. Due to a prior track commitment, a crewmember of one of the Truck Series teams actually performed the anthem on that night. Crystal is now set to perform during the pre-race festivities for the NASCAR Busch Series race this Saturday (May 29), however pre-race festivities are not set to be carried on television. Crystal has also been asked to perform prior to another NASCAR event at Lowe's Motor Speedway in October. Additionally, Gia Diamaduros, spouse of Terrier Club President Pete Diamaduros ('83) performed the anthem for "Pole Night" for the NASCAR Nextel Cup Coca-Cola 600 on Thursday, May 27 at Lowe's Motor Speedway.

This year's six-game home schedule includes visits from SoCon rivals Chattanooga (Oct. 2), Western Carolina (Oct. 16), The Citadel (Oct. 30) and Furman (Nov. 13). Wofford will also host Johnson C. Smith (Sept. 25) and Big South champion Gardner-Webb (Nov. 6).

Reserved seat ticket packages are \$95. Season ticket renewals must be received by July 9. Individual home game tickets will be available to the general public on Aug. 9.

**Nelson tabbed SoCon "Male Athlete of the Year"**

Wofford football standout Matt Nelson has been selected as the 2003-04 Southern Conference Male Student-Athlete of the Year.

Nelson is the first Terrier to receive that honor in Wofford's seven years of league play. The SoCon Male Athlete of the Year is selected annually by SoCon athletic directors and a media member representing each conference school. Prior to 1990-91, the award was selected solely by members of the SoCon Sports Media Association (SCSMA). Beginning in 1991-92, the award was named after the late Bob Waters, who was Western Carolina's head football coach from 1969-88.

Nelson placed third in voting for The Sports Network's Buck Buchanan Award, honoring Division I-AA's top defensive player. He was also a consensus first-team All-America. The SoCon media selected Nelson as the league's Defensive Player of the Year. The coaches made him a unanimous first-team All-SoCon pick. The senior free safety led Wofford to a 12-2 record, including an 8-0 SoCon mark for the Terriers' first league championship and the first perfect SoCon season since 1998. Nelson was named Wofford's Most Valuable Player as the Terriers advanced to the I-AA national semifinals. He was the SoCon Defensive Player of the Week following a 42-16 win at The Citadel which clinched the league title for the Terriers. He was also named the SoCon Football Player of the Month in both November and December.

A Grove City, Ohio, native, Nelson posted a team-best 167 tackles as he concluded his career with a Terrier record 452 stops. He is also the school leader in all-time solo tackles with 296. He had six interceptions for Wofford's highest total since 1993. Nelson led the Terriers with 16 pass breakups while forcing two fumbles and recovering one. He had three red-zone takeaways. Nelson was key in Wofford topping all of Division I football (I-A and I-AA) in

turnover margin at 1.64 (+23). The Terriers were also third nationally in I-AA in scoring defense, allowing just 14.8 points per game. Nelson, who graduated last month, maintained a 3.0 grade point average in his finance major and was also involved in several community projects.

#### **Terrier connection to "World Bowl XII"**

On Saturday, June 12, the Berlin Thunder (9-1) will take on the Frankfurt Galaxy (7-3) in "World Bowl XII" to determine the champion of NFL Europe. On the sidelines as the head coach for Berlin is Rick Lantz, the father of Terry Lantz, the secondary coach for Wofford. The game will be nationally televised on FOX starting at Noon (check your local listings).

#### **Wofford honored with sportsmanship award**

Wofford College is the 2003-04 recipient of the Southern Conference's D.S. McAlister Award. Inaugurated in 1980, the D.S. McAlister Award is given annually to the SoCon school which is judged to have exhibited the highest degree of sportsmanship in the conduct of its athletic program. The award is named after Col. D.S. McAlister of The Citadel, who served as SoCon secretary-treasurer for 38 years. Wofford, which captured the 2003 SoCon football championship and advanced to the Division I-AA national semifinals, also earned the award during the 1997-98 season.
