Sunday Service

The Wofford Community is invited to a Service of Worship on Sunday, August 27, at 11:00am in McMillan Theater in the Raines Center. The service is especially geared toward student leaders and student athletes. Chaplains Robinson and Pace, along with student musicians, will lead the service, and Chaplain Pace will give the sermon.

Campus Community Connections

All faculty and staff are invited to join Wofford's first year students in establishing some important community connections during orientation. This is an event to help us all (especially first year students) be familiar some of the communities that exist here.

On Saturday, September 2nd, the event will begin at 1pm in Leonard Auditorium with Mayor Bill Barnet there to welcome the students. At 1:30pm students will board buses that will take them to the different communities around Spartanburg, which include Arcadia, Downtown, Southside, Cottonwood Trail, Northside/Victoria Gardens, Park Hills, South Carolina School for the Deaf & Blind, and the Highlands community. Local community leaders and community members will lead the tours detailing some history, assets and challenges present in each community. At the conclusion of each tour a non profit in that community will have an opportunity to showcase its facility and programs. This will give the students a practical way to know how to return and invest themselves into that particular community.

The tours will last from 1:45pm-3:15pm. The students will return to campus to participate in a reflection component about their experience.

Not only is this a chance for you to get to know Spartanburg, but it is a key opportunity to get to know first year students, for them to get to know you, and for all of us to think deeper about our investment in Spartanburg.

If you have any questions, would like more information, or if you want to sign up and get directions, please contact Lyn Pace at pacepl@wofford.edu. You can reach me by phone at extension 4402.

New Wofford Website

The new and enhanced Wofford website is going live on-campus late this afternoon – it may take several days for you to see the new site off-campus.

Any video on the new site will render slowly on-campus for the next few days. The videos should render fine on high-speed connections off-campus.

Please help the web office by doing the following:

- check your department's pages for content and send any corrections/updates to pagejb@wofford.edu
- type your department's name in the search bar at the top of any Wofford web page, press "enter", and make sure a working link to your department is returned
- click on "directory" at the top of any web page and enter your name in the appropriate fields. Make sure your directory entry is returned and is correct
- if you are faculty member, please check to see that your picture and contact information are listed on the "faculty" page in your department

Please **EMAIL** all corrections to Jenni Page at pagejb@wofford.edu (no phone calls please). Our staff will address issues as soon as possible.

Parking changes for Thursday and Friday move-in

Campus Drive and Parking: Tomorrow Thursday, August 31, is the first day of Fall Orientation. Traffic on Campus Drive will be one way from North Church Street to Memorial Drive so new students can move into Greene and Marsh Halls.

On Friday, September 1, upperclassmen will be moving into their residence halls. Because Evins Street has been narrowed this summer, students moving into Lesesne and Wightman Halls will unload in the Shipp Hall parking lot, on Butler Circle and on Osage Street. These areas need to be clear of all vehicles. Students, faculty and staff must not park in the row closest to the Olin Building on Friday. The Campus Safety Officers will tow any vehicles parked in this row or on Butler Circle. Thank you for helping us to assist our students. – Chief Lee Sartor and Dean Roberta Bigger
