BLACK and BLUE reactions

The latest issue of the Black and Blue has caused quite a bit negative emotions among students. The article “Founders Facts Falsified, College joins Hillary’s Campaign” predicts what would be the campus-wide reaction to learning that Benjamin Wofford’s true racial/ethnic identity was African-American. The Association of Multicultural Students and the Office of Multicultural Affairs see the article as an opportunity to talk about issues of diversity on campus and to dig deeper to understand what the article really says about the racial climate at Wofford. This is a very important conversation for our campus to have and is NOT just for minority students. Please come to hear what is said and to share your own thoughts or feelings.

Reception at the Coburn house following photography opening/discussion this afternoon  

Today at 4 p.m., the Library will open an exhibition of photographs by noted photographer Vivian Stockman on mountaintop removal mining. Stockman will be on hand and will be joined by Erik Reece, author of Lost Mountain, a significant book on this controversial mining practice. Wofford English instructor Jeremy Jones will moderate a discussion. A reception will follow at the Coburn house: 510 Eastway Drive.  

In preparation, an article from ORION magazine by Reece and with a photograph by Stockman has been placed on electronic reserve:

Come join the brothers of Sigma Alpha Epsilon today in Milliken 101 and register with the National Marrow Donor Program. Registering involves a short personal information and medical evaluation and a cheek swab. If you are slightly interested in becoming a donor, please come learn more at the drive. Wofford, which claimed the Southern Conference’s automatic bid to the NCAA Regionals, will open play in Columbia, S.C. against the University of South Carolina at 7 p.m. on Friday, June 1 at Sarge Frye Field.

Wofford to face South Carolina in Columbia regional AND Waring Named National Player of the Week for the Second Time

SPARTANBURG, S.C. – The Wofford baseball team will travel to Columbia, S.C., to take on regional host South Carolina in the opening round of the NCAA Regionals on Friday, June 1.

The Terriers (30-31) received a No. 4 seed in the Columbia regional bracket and will face No. 1 seed South Carolina at 7 p.m. in the first round of the double elimination tournament. The Terriers join No. 2 seed North Carolina State and No. 3 seed Charlotte in the four-team field. Initially, ESPN announced that Wofford would be the No. 4 seed in the Chapel Hill regional, but the NCAA amended the original decision and placed Wofford in the Columbia regional.

Wofford received an automatic bid to the NCAA Regional after taking the Southern Conference championship for the first time in school history. After drawing a No. 9 seed in the tournament, the Terriers boasted a perfect 5-0 record in the tournament to become the lowest seeded team to ever win the SoCon tournament. The road to the championship included a 5-3 play-in victory over No. 8 seed Furman, a 19-6 win upset over No. 1 seed College of Charleston, a 12-5 triumph over No. 5 seed UNC Greensboro and back-to-back wins of 6-2 and 4-2 over No. 7 seed The Citadel for the championship.

Wofford third baseman Brandon Waring was named the tournament’s most valuable player after knocking in 16 runs with five home runs while batting .560 (14-for-25) over the five-game spread. Junior pitcher Ben Austin was named to the all-tournament team after picking up a pair of victories in both of his starts while Waring, shortstop Michael Gilmartin and second baseman Eric Sturkie were also named to the all-tournament team. Senior Austin Redwine also picked up two victories while Gilmartin and senior Charles Vartanian combined for three saves.

Waring, a first team all-conference selection, set several records in leading Wofford to the championship, including the most home runs, RBIs, hit and total bases in SoCon tournament history. With 27 home runs on the year, Waring also surpassed the school and conference single season record while also setting new marks for the most homers, RBIs, hits, runs scored, extra base hits and total bases in school history. He is tied with Texas slugger Kyle Russell for the most home runs in the country.
Russell for the most home runs in the country.

The Terriers finished the season by knocking their 106th home run of the season to become the nation’s home run leader. Wofford will look to add to the total as they face the second-best home run hitting team in the nation in South Carolina, who boasts 104 long balls this season.

ALSO, Wofford third baseman Brandon Waring has been named the Louisville Slugger National Player of the Week for the second time this season. The award is given by Collegiate Baseball newspaper.

A junior from West Columbia, SC, Waring led ninth-seed Wofford College to the Southern Conference Tournament championship and an automatic bid to the NCAA Tournament. Wofford emerged from Tuesday’s “play-in” game with a win over Furman and then won four straight contests in the regular draw.

In five games, Waring hit .560 (14 for 25) with nine runs scored, a triple, five home runs, 16 RBIs and 31 total bases. He set SoCon Tournament records for hits, homers, RBIs and total bases in a tournament. He slugged 1.240 in the tournament and, miraculously, did not receive a single walk. Waring also handled 17 chances at third base without an error.

In a first round game against top seed College of Charleston, and two-time SoCon Pitcher of the Year Nick Chigges, Waring was 5-for-6 with five runs scored, two home runs and six RBIs. During the course of the tournament, Waring blasted his 27th homer of the season to set a SoCon season record.

Waring is currently tied for the national lead in home runs with 27 along with Kyle Russell of the University of Texas.
