**Details:** RecycleMania started in 2001 with a friendly competition between several colleges. It is estimated that roughly half of all trash on a College campus is collected in the residence halls. Furthermore, studies have shown that 50% of that trash could have been recycled. RecycleMania has grown in seven years to over 400 US colleges competing to see how we each can reduce our trash. Please participate in these important efforts by: • Collect your paper, plastic and aluminum cans • Bring these materials to the recycling containers between the back of the library and Campus Life parking lot. Students will be weighing all recyclables on Tuesday and Friday from 2-4 p.m. The competition will run through Mar. 28. We're excited to see just how Green Wofford can be!

In this current exhibition, many of her fabric works evoke a sense of the familiar in their bright colors and plaid designs, but also suggest mystery, with some pieces rolled to reveal only a portion of the surface—hiding part of the message.

## Doubleheader tomorrow: Women vs. GSU, Men vs. Elon

The Wofford men's and women's basketball teams will be in action tomorrow inside the Benjamin Johnson Arena. The Terrier women will face Georgia Southern at 4 p.m. followed by the men's hoops team against Elon at 7 p.m.

Tomorrow's doubleheader is part of "Think Pink" Saturday across the Southern Conference. Fans are encouraged to wear pink in support of breast cancer awareness. If you don't have pink in your wardrobe, black and gold is still perfectly acceptable. The doubleheader is sponsored by the Herald-Journal and WYCW-TV/WSPA-TV.

Jimmy John's will provide free mini subs to the first 150 (or so) fans between games of the doubleheader near the top of the student section.

The men's basketball team is coming off a road win at UNCG last night (59-56) and has won six of their past seven SoCon contests. **"To come into Fleming Gym (at UNCG) and get a win is not an easy task," said Wofford head coach Mike Young. "For us to come away with a win is a significant achievement for our team. We continue to get better on the defensive end, which was a huge key in the game. This team really deserves great support from our Terrier fans and we hope to have a big crowd in Ben Johnson Arena on Saturday."**

Also, fans donating more than two canned food items (West Concourse) to either game of the doubleheader will receive a free "Terrier Towel" compliments of Spartanburg Regional Sports Medicine. The canned food items will help the Terriers win the **"Wofford vs. Furman Food Fight"** canned food drive. The drive continues through Feb. 18 when Wofford plays at Furman in men's basketball. 174 cans were donated by fans at last Saturday's game. Our goal is to raise at least 500 cans to have a chance to win. All donations will be given to the Soup Kitchen at Second Presbyterian Church across Church Street from campus.

**On Monday, the women's basketball team celebrates their "W" Game presented by Jimmy John's.** Tipoff is at 6 p.m. against College of Charleston. Again, Jimmy John's will have free mini subs for the first 150 (or so) fans in the building and it will be "Burwell in the BenJo Night" as Wofford Dining Services will be serving burritos made to order along with a nacho bar and ice cream cookie sandwiches. **Burwell will be closed on Monday evening.**

**At the half on Monday, all fans will have the opportunity to win \$250** by simply paying \$1 to shoot from half court. Drain the shot and you win \$250! If nobody hits from half court, fans will have another chance to win on Saturday, Feb. 23, at 2 p.m. as the women host Davidson.

Student-athletes are encouraged to wear your "GAME TONIGHT" shirts on Monday.

## WOFFORD NEWS UPDATE

FEBRUARY 7, 2008

# Spartanburg native has art displayed at Wofford

SPARTANBURG, S.C. – Wofford College has announced the opening of an exhibit of the art work of Ann Stoddard. The exhibit, titled Sculptural Paintings, will be on display in the Sandor Teszler Library Gallery from Feb. 9 through March 28.

Stoddard is a Spartanburg native and daughter of former mayor Bill Stoddard. She now teaches at Presbyterian College in Clinton, S.C. where she also serves as the director of the E. H. Stone Gallery.

"I cannot help myself but to create and explore," says Stoddard. She also says that her explorations in art have found that "there is a common denominator that resurfaces; it is associated with quilts, with cutting, piecing, sections of memory, patterns, records, discs, visual poems, obsession with pattern, symbology, a subliminal surreal space, light and dark."

Stoddard will also give a joint lecture on Tuesday, March 11, in McMillan Theater in the Campus Life Building. The lecture will also feature Karin Olah whose work will be on display in the Sandor Teszler Library Gallery during March and April.

There will be a reception for Stoddard on Saturday, Feb. 9, at 6 p.m. in the gallery. Both the reception and the gallery are free and open to the public. For more information, call 864-597-4300 or visit the [gallery webpage](#).

Wofford is going "Green". Help us recycle!

Wofford College is becoming more sustainable, and we need your assistance as a member of the Wofford community. You can help by recycling.

- Collect your paper, plastic, glass and aluminum cans
- Bring these materials to the recycling containers between the back of the library and Campus Life parking lot

Students will be weighing all recyclables from 2:00 – 4:00 p.m. on Tuesday and Friday afternoons through March 28.

We have collected the following totals through Friday, February 22nd:

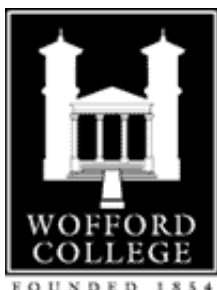

1,100 pounds of paper  
221 pounds of plastic and glass  
181 pounds of cardboard, and  
52 pounds of cans

Look for weekly updates in the daily announcements each Tuesday. Please do your part to see just how 'Green' Wofford can be.

Please know that Wofford has joined *RecycleMania*. It started as a friendly competition between two colleges in 2001. It has since grown to over 400 institutions that compete over a ten week period to see who can recycle the most. Studies have shown that nearly half of all trash on a college campus comes from the residence halls. Furthermore, it has been shown that half of that trash could have been recycled. Recycling saves trees, landfill space, power, water and most importantly saves our planet. RecycleMania runs through Friday, March. 28.
