Wofford College, established in 1854, is a four-year, independent, residential liberal arts college located in Spartanburg, S.C. It offers a distinctive program with 25 major fields of study to a student body of 1,650 undergraduates.

Wofford has produced six Rhodes Scholars and is home to one of the nation’s 283 Phi Beta Kappa chapters.

A leader in offering high-impact learning opportunities to students, Wofford encourages students to take advantage of all that Wofford, and through it the world, has to offer.

These opportunities include internships with scientific, corporate and non-profit organizations across the globe, undergraduate research opportunities, service-learning in the local community, international study abroad programming and a thriving host of co-curricular opportunities on campus.

One of those co-curricular offerings is the R. Michael James Fund, a student-managed and operated investment organization. The Space in the Mungo Center also prepares students for life after Wofford by offering professional development, career services and much more.

Student and residence life on campus include exciting Division I NCAA athletics, opportunities to participate in one of the college’s Greek-letter fraternities or sororities, competitive intramurals, a diverse selection of clubs, student publications and a housing plan that helps students progress from first year through fourth in a close-knit community that builds independence. The residence life experience culminates in a final year in The Village, beautiful, Charlestonian-style apartments designed to help transition students from college student to successful graduate.

Thanks to the generosity of alumnus and trustee Jerry Richardson ’59, the Rosalind Sallenger Richardson Center for the Arts opened in May of 2017 and the Jerry Richardson Indoor Stadium to house new basketball and volleyball arenas opened in September of 2017. The new Greek Village was completed in the spring of 2016.

Additionally, a new state-of-the-art environmental studies building and Jerome Johnson Richardson Hall, a 150-bed residence hall, will open in the fall of 2020. Renovations to the library into an academic commons will be completed in the fall of 2019 and renovations to Burwell Dining Hall are expected to be completed in winter of 2021.

Wofford’s entire 175-acre campus is a national arboretum, named the Roger Milliken Arboretum at Wofford College in honor of the late longtime trustee and benefactor.
Wofford offers distinctive learning opportunities that set it apart from other liberal arts colleges. A few of those high-impact educational experiences include:

The Interim, a January term that encourages students and faculty to explore new interests both on and off campus. A small sampling of on-campus programs include: Animal Cognition and Rat Basketball, Personal Finance, and Riding and Researching the Horse. Travel/study projects will take students to Australia, Cuba, China, Ireland, Germany, Japan and other sites around the world. Students also complete internships both locally and around the globe.

The Bonner Scholar program, a service-learning scholarship program that places deserving students in volunteer positions throughout the community.

The Space in the Mungo Center, a place where students can build upon their liberal arts education by adding professional skills desired by employers and graduate schools. The Space includes The Space to: Prepare (career services and professional development training); The Space to: Impact (a four-year scholarship program that empowers students to impact the world); The Space to: Launch (entrepreneurship support and competitions); The Space to: Consult (hands-on research, writing and problem-solving training within a consulting framework); and The Space to: Explore (in-depth global study).

Environmental Studies provides a creative and supportive learning environment that helps students pursue their goals in the field of sustainability. It operates both on Wofford's campus and at the college's Goodall Environmental Studies Center at Glendale, S.C. The property where the center is located borders 19 acres of protected green space along Lawson's Fork Creek.

Neuroscience, a program that allows students to examine the nervous system and its regulation of behavior through an experimental approach, is offered jointly by the Departments of Psychology and Biology.

Computational Science, a fast-growing interdisciplinary field that is at the intersection of the sciences, computer science and mathematics, involves learning to store, retrieve, process and visualize massive amounts of information in web-accessed databases.

The Novel Experience, a first-year reading and writing program that offers an introduction to the academic rigor of Wofford while familiarizing students with the Spartanburg community.

The Creative Writing Concentration, a program led by outstanding published faculty authors that provides additional opportunities for students to hone their creative writing skills, earn coveted prizes and become published writers. The Wofford Writers Series brings published writers to campus to augment the Creative Writing Concentration.

The Presidential International Scholar program offers an opportunity for an outstanding, intellectually gifted student to visit developing countries researching a specific academic area of interest. The student then returns to campus to share his or her experiences.

Presidential Seminar, a weekly seminar for outstanding seniors hosted by Wofford President Nayef H. Samhat. Seminar participants explore interdisciplinary subjects of current significance. The college now has a similar program for juniors.

Liberty Fellowship is a two-year leadership experience for young citizens of South Carolina with exemplary promise for societal achievement. The Liberty Fellowship is housed at the college and offered in partnership with South Carolina businessman Hayne Hipp and the Aspen Institute.
Wofford alumni live in all 50 states and in more than 35 foreign countries. They include six Rhodes Scholars, six Truman Scholars and two Barry M. Goldwater Scholars.

Dating back to 1919 when Frank Ellerbee played baseball for the Washington Senators, Wofford alumni have made an impact in professional sports. From basketball to baseball to football, golf and soccer, Wofford alumni are making their marks in professional leagues.

William McGirt has earned over $10 million on the PGA Tour since earning his card in 2011. He won the 2016 Memorial Tournament and has played in several majors, including the 2017 Masters. Forrest Lasso is playing professional soccer with FC Cincinnati in the MLS.

In basketball, Mike Lenzly was a member of the 2012 Great Britain Olympic Team. Additional Terriers who have played overseas recently include Noah Dahlman, Howard Wilkerson, Brad Loesing, Jamar Diggs, Lee Skinner, Karl Cochran, Spencer Collins, Justin Gordon, Eric Garcia and Cameron Jackson.

Wofford also has been well represented in minor league baseball. Brandon Waring, Michael Gilmartin, Alex Wilson, Luke Leftwich, Will Stillman, Matt Milburn, Spencer Kulman, Kody Ruedisili, Jacob-Condra Bogan and Adam Scott all were with teams in the last five seasons. John Cornely made his MLB debut with the Atlanta Braves in 2015.

Over the past ten years, Andy Strickland (Atlanta and Jacksonville), Tommy Irvin (Arizona), Pat Illig (Detroit), Kasey Redfern (Jacksonville, San Diego, Detroit and Dallas), Alvin Scioneaux (San Diego), Brenton Bersin (Carolina), David Marvin (Atlanta), Miles Brown (Arizona), and Jolo Tillery (Tennessee) have been in NFL training camps. Bersin reached Super Bowl 50 in 2016. Ameet Pall was the fifth overall pick in the 2012 CFL draft.

THE STADIUM

Prior to the 1996 season, the Wofford football team played home games at Snyder Field. The first football game was played at Snyder Field in 1930, with lights installed for the 1948 season. With the move to NCAA Division I, a new football facility was a priority. Gibbs Stadium seats approximately 8,500 in grandstands, while an additional 4,500 seats are available in both endzones. The south endzone, known as the Verandah Lot, has become prime tailgating space for donors to the Terrier Club.

The press box includes two radio booths, a television booth, replay booth, plus two coaches boxes. A crows nest for videographers is also provided. On the second level, the Mungo Room is a hospitality suite that serves as the President’s Box on gameday.

Architects for Gibbs Stadium were McMillan, Smith and Partners, while M.B. Kahn Construction was the general contractor. The overall budget for the project was approximately $4.5 million. In 2015, the playing surface was replaced.

The facility was made possible with a gift from the Gibbs Foundation, along with support from federal economic development grants and Spartanburg County School District 7. Gibbs Stadium is the home of Wofford football, along with the Shrine Bowl of the Carolinas. During the summer the facility is used by the Carolina Panthers and it served as the home field for Spartanburg High School football through the 2018 season.

THE FIELD

On October 27, 2018, Wofford unveiled a new gateway field entrance and officially named the field at Gibbs Stadium in honor of Coach Mike Ayers. For 30 years, Ayers expected Terrier toughness on the field and Terrier determination in the classroom. He retired at the end of the 2017 season with a 207-137-1 overall record at Wofford.

JIMMY AND MARSHA GIBBS

The stadium, opened in October 1996, is named in honor of Jimmy and Marsha Gibbs, recognizing their long friendship with the college and lead gift of $1 million for the stadium project.

Mr. Gibbs is president of Gibbs International of Spartanburg, the world’s largest dealer in pre-owned textile machinery. The Gibbs’ relationship with Wofford spans two generations. The late Melvin I. “Razor” Gibbs of the class of 1943 earned 16 varsity letters at Wofford as a student in the early 1940s and after World War II. In 1983, Mr. and Mrs. Gibbs established an endowed football scholarship in his father’s memory.

The Wofford Captain’s Council presented the Gibbs with its 2004 Distinguished Service Award. The Gibbs also received a Wofford Distinguished Service award from the Southern Conference in 2004. In 2008, the Gibbs, along with Ed Wile and Harold Chandler, announced a challenge gift of $1.5 million which was used to raise funds for endowed athletic scholarships. The Gibbs also provided the funding for the videoboard installed prior to the 2010 season.
THE RICHARDSON BUILDING

The home of the Wofford College Athletic Department since 1996 is the Richardson Physical Activities Building. The facility includes offices for the administration, football, baseball and other sports on the second floor. Also included on the second floor is an aerobic dance room, team meeting room, racquetball courts and a student-athlete lounge. Locker rooms for football, men’s and women’s cross country/track and field, men’s and women’s soccer and a training room are located on the first floor.

Wofford alumnus Jerry Richardson made donations in 2008 and 2018 that were used for enhancing the Richardson Building. Numerous improvements were made in the facility to ensure that it is one of the most advanced athletic facilities in the nation.

The most recent renovations to the building include a 1,200 square foot addition to house a new state-of-the-art hydrotherapy suite which includes a Hydroworx aquatic therapy pool with underwater treadmill. The existing training room was relocated to adjoin the new hydrotherapy suite, which results in a much-needed increased size for the new training room. Supporting the training area are three staff offices, exam room, and state-of-the-art x-ray room. The new team meeting room is equipped with the latest video technology and a media backdrop for postgame press conferences.

The existing football locker room was expanded and upgraded. The upgrades included new paint, carpet, ceilings, and lighting. The equipment room has been reconfigured, and a new high-density storage system was purchased to increase capacity and improve efficiency in the handling of equipment. In addition to the visible improvements a new supplemental mechanical unit to control moisture and improve indoor air quality was installed, along with new HVAC controls in the entire building.

With the campus fitness center relocated to the Benjamin Johnson Arena, renovations were also made to the second floor. A second team meeting room was created with sliding glass walls to provide flexibility for a variety of uses. A student-athlete lounge was built near the racquetball courts which includes two 70-inch monitors.

The building also includes the Harley Room, a large multipurpose area overlooking Gibbs Stadium. The area hosts a wide variety of campus events during the year. On the patio, a sculpture of Jerry Richardson was dedicated on May 12, 2014 to honor him and recognize the 20th anniversary of the Carolina Panthers summer training camp being held on campus. The sculpture, created by noted California artist Todd Andrews, depicts Richardson seeming to be ready to walk over to Gibbs Stadium to watch the Terriers – for which he also played – take on the next worthy opponent.
MISSION STATEMENT
The aim of the Wofford College Strength and Conditioning Department is to allow every student-athlete the best training opportunity with proper instruction and program implementation to create progressive gains in strength, speed, fitness levels, mobility and body composition over the tenure of the athletic career. This will be achieved through a created culture consumed with hard work, discipline, commitment, and knowledge of the craft of training in a highly competitive environment.

THE PHILOSOPHY
The Strength and Conditioning Program consists of prescribed training based on sport specific demands with a great emphasis on properly executing movement patterns and training within the assigned threshold to optimize abilities and capabilities. Keys to this are:

- Evaluation and Assessment
- Individual Needs / Sport Specificity
- Weight Training Movements
- Running Prescription
- Plyometric Training
- Student-Athlete Health
- Recovery and Restoration
- Training Culture
A new era at Wofford began in 2018 with the opening of the Jerry Richardson Indoor Stadium. The new home of basketball and volleyball is adjacent to the north end of Gibbs Stadium, where the Terriers play football.

Wofford alumnus and trustee Jerry Richardson, Class of 1959, provided the gift to fund the facility that includes a 3,400-seat basketball arena and a 350-seat volleyball competition venue as well as offices, locker rooms, meeting rooms, training rooms and special fan areas, including several open-air suites. The facility replaces Benjamin Johnson Arena, which will continue to be used as a first-rate gymnasium for intramural and campus recreational activities.

The facility has already been able to attract top opponents for the basketball teams, including South Carolina, North Carolina, Harvard and Georgia Tech.

The Jerry Richardson Indoor Stadium also has a seating capacity for non-athletics functions, such as commencement and concerts, of 4,500. The facility includes “Club 51” for club seat holders, the “Boneyard” lounge in the student section, state of the art sound system and acoustical design, along with electronic charging stations throughout the building.

When the campus community bid farewell to the Benjamin Johnson Arena as the home of Wofford basketball and volleyball in 2017, it created new possibilities for student recreation and wellness. The renovated Benjamin Johnson Arena student fitness center opened in January of 2018.

“The Benjamin Johnson Arena, which opened in 1981, holds a lot of history for Wofford College, and we’re glad we are able to continue to use the facility as a larger, better fitness center for our students, faculty and staff,” President Nayef Samhat says. “The addition of the new Jerry Richardson Indoor Stadium provides us with this terrific opportunity to give our community a place in the Benjamin Johnson Arena to exercise both their bodies and their minds.”

The lower level of the arena (once basketball and volleyball courts and bleachers) houses a new multi-sport playing surface with three courts. A walking track surrounds the perimeter of the courts. The locker rooms were completely renovated. The concourse areas have become the new student fitness center with the installation of a variety of equipment and machines.

The east concourse has weight equipment, including free weights, benches and machines. The other concourse has cardio equipment, including treadmills, stationary bikes and elliptical machines. The concourses also have open locker storage and new audio-visual equipment.

In addition to the fitness activities, Benjamin Johnson Arena is home of a comprehensive intramural, recreation, and club sports programs that encompass team sports, individual sports, fitness classes, club sports, as well as various other programs. Highlights include intramural basketball and softball, equestrian club, men’s club lacrosse, club ultimate frisbee and an outdoors club.

The arena is named after Benjamin O. Johnson ’30 who was a Spartanburg textile executive associated with Spartan Mills. Mr. Johnson was also a trustee of Wofford College as well as a benefactor. Wofford moved into the Benjamin Johnson Arena in 1981 after playing in adjacent Andrews Field House for 50 years. The $4.5 million arena is part of the Campus Life Building, which was designed to serve as the center of athletic, social and cultural activity on campus.

The first men’s basketball contest was held on January 22, 1981, as The Citadel scored a 65-64 win over Wofford. The Terriers first win in the arena was on January 26, 1981. The men had an overall record of 334-131 in 37 seasons in the facility.

The Wofford women’s basketball team fielded its first varsity team in the 1980-81 season, moving into Benjamin Johnson Arena in 1981 after playing in Andrews Fieldhouse for the first half of the season. The first women’s basketball game was held on January 22, 1981, with Wofford defeating Sacred Heart 74-25.
The City’s origins predate the Revolutionary War. Spartanburg was named for a unit of American Revolution forces called the “Spartan Rifles” who helped defeat the British at the Battle of Cowpens in 1781, under the leadership of General Daniel Morgan.

The town of Spartanburg was incorporated in 1831 and later as a city in 1880 by the 13 Original States and Tennessee. During this time Spartanburg was booming due in large part to the rapidly expanding textile industry.

In the 1870s, Spartanburg became a railroad “hub city,” with mainline railroads extending from Magnolia Street depot in all directions, taking passengers and freight to Charleston, Augusta, Atlanta, Asheville, Charlotte and points beyond. As many as 90 trains per day could be seen and heard operating in Spartanburg during the golden age of the American railroad, 1900-20.

During the 1920s, Spartanburg built South Carolina’s first municipal airport and claimed the state’s first commercial radio station (WSPA). Its leadership in the state was reflected by the election of several residents as governor.

Thousands of U.S. soldiers bound for overseas service in World Wars I and II trained at camps in Spartanburg. The post headquarters for Camp Wadsworth (1917-19) was located at the present site of WestGate Mall, and the Camp Croft (1940-45) was located south of the city.

Angie Ridgeway - Head Coach (16th Season, Appalachian State ‘87)
Erin Wells - Assistant Coach (8th Season, Wofford ‘09)
Angie Ridgeway begins her 16th season as head women’s golf coach in 2019-20. Ridgeway has guided the Terriers to unprecedented heights since arriving at Wofford in July 2004. The former LPGA player was originally tabbed as the associate director of golf before being named the women’s head coach.

The Terriers have won nine tournaments in Ridgeway’s era. It includes Wofford’s first NCAA Division I tournament victory, the Wofford Invitational, in October of 2004. Ridgeway has also coached the Terriers to 53 top-five tournament finishes, and a Terrier has taken the individual title at 12 tournaments since Ridgeway came to Spartanburg. Current assistant coach Erin Wells won the program’s first individual championship, taking the 2007 Wofford Invitational.

In 2018-19, Ridgeway coached Becca Earl and Kristin Torralba to all-freshman honors, while Earl became the program’s first SoCon Freshman of the Year since Anne Marie Covar won in 2011. Earl placed in the top five in five different tournaments, finishing first in the 2018 Terrier Intercollegiate, picking up the first individual win by a Wofford player since 2014. Ridgeway guided the Terriers to two top three finishes, including the Battle at Boulder Creek in which Earl tied for second overall. At the French Broad Invitational, Wofford grabbed second place in a field of 11 teams with both Earl and Torralba finishing in the top 12. The second-place finish marked the first time since 2015 that the Terriers were a runner-up (Loyola Whistling Straits). The tandem of Earl and Torralba were the first Terriers to claim all-conference honors since 2014 when Lauren Dunbar (All-SoCon) and Katy Funk (All-freshman) garnered honors.

In 2017-18, Wofford claimed the Oyster Shuck Match Play Championship at Charleston, South Carolina. Nicole Chin was the top golfer for the Terriers, averaging 76.50 with three top-10 finishes including third at the Mimosa Hills Intercollegiate and sixth at the SoCon Championship. As a team, Wofford scored two top-five finishes, placing fifth at the Terrier Intercollegiate and fourth at the Mimosa Hills Intercollegiate.

In 2016-17, Ridgeway’s team recorded five top 10 finishes. Wofford’s highest finish, fifth came in the Terrier Intercollegiate (Oct. 10-11), and Wofford also finished sixth in the Low Country Intercollegiate (March 18-19), the other tournament the Terriers host. Wofford finished seventh in the Southern Conference tournament for the second season in a row.

Ridgeway’s team added three top-five tournament finishes during the 2015-16 campaign. The first came at the challenging Loyola Whistling Straits Intercollegiate (Oct. 12-13), where Wofford finished second out of 11 teams. The tournament was hosted at Blackwolf Run Golf Course, home of the 1998 and 2012 U.S. Women’s Open, and the Terriers battled wind gusts over 25 miles per hour to finish among the top of a competitive field. Nicole Chin finished runner-up individually and was one of just seven players in the field to break 80 during the final round. The following weekend, Wofford hosted the Terrier Intercollegiate (Oct. 19-20), placing third among another 11-team field.

The spring of 2016 was highlighted by a third-place finish at The Citadel’s Bulldog Invitational. Maegan Higgins used an opening round even-par 72 on her way to a fourth-place showing individually at 5-over-par 149. Wofford also hosted an 18-team field at the eighth annual Low Country Intercollegiate, and made a final-round charge to finish right in the middle of the pack. The Terriers completed the year with a seventh-place finish at the Southern Conference Championship.

The 2015-16 season was a successful one. The Terriers claimed six top-five finishes, including second at both the Winthrop Fall Invitational (Nov. 1-2) and Low Country Intercollegiate (March 21-22). On the individual side, senior Lauren Dunbar took home medalist honors twice. Her first was highlighted by a 1-under 71 at the Cincinnati Bearcat Classic (Oct. 6-7), and her second came at the Winthrop Fall Invitational. Junior Emiley Pagrabs earned four individual top-five finishes, and freshman Lela Oakley earned Wofford’s top finish at the Southern Conference Championship, placing sixth with a three-round total of 1-over-par 217.

Ridgeway added three top-fives to her coaching resume in 2013-14. Wofford began the year by finishing second at its home tournament, the Terrier Intercollegiate (Sept. 9-10), with freshman Katy Funk shooting an even-par 144 to earn runner-up honors in her first-ever collegiate tournament. The Terriers then finished top-five in their final two tournaments of the fall. Wofford earned third of 13 teams at the CSU Wendy’s Invitational (Oct. 7-8), and concluded the fall fifth of 12 teams at the Jacksonville Courtyard Classic (Oct. 14-15).

The spring began with the first-ever Country Club of Spartanburg Spring Invitational (Feb. 24-25), which the Terriers hosted and took third place. Wofford then hosted its third tournament of the 2013-14 season, inviting 10 teams to Hilton Head, S.C., for the sixth Low Country Intercollegiate. The Terriers took fifth. Senior Anne Marie Covar earned a top-10 finish. The spring concluded at the Southern Conference Championship in Hilton Head, where Wofford finished sixth. Junior Lauren Dubar was named All-Southern Conference, and freshman Katy Funk was named to the league’s all-freshman team.

In 2012-13, Ridgeway took Wofford to never-before-seen heights. The incredible year began with four top-fives in all four of Wofford’s fall tournaments, including a team title at the South Carolina State University Bulldog Invitational. Wofford shot a three-round team total of 884, shattering the program’s low 54-hole record of 921, which was set in October of 1999. The Terriers also set a new low 18 record of 285, and posted the second-best low 36 in program history of 588. Individually, Anne Marie Covar won the tournament with a three-round total of 588, earning her second consecutive title. The Terriers then beat a field of 11 teams to take third place at the Low Country Intercollegiate (March 18-19), and in both the Battle at Boulder Creek in which Earl tied for second place marked the first time since 2015 that the Terriers were a runner-up (Loyola Whistling Straits). The tandem of Earl and Torralba were the first Terriers to claim all-conference honors since 2014 when Lauren Dunbar (All-SoCon) and Katy Funk (All-freshman) garnered honors.

In 2017-18, Wofford claimed the Oyster Shuck Match Play Championship at Charleston, South Carolina. Nicole Chin was the top golfer for the Terriers, averaging 76.50 with three top-10 finishes including third at the Mimosa Hills Intercollegiate and sixth at the SoCon Championship. As a team, Wofford scored two top-five finishes, placing fifth at the Terrier Intercollegiate and fourth at the Mimosa Hills Intercollegiate.

In 2016-17, Ridgeway’s team recorded five top 10 finishes. Wofford’s highest finish, fifth came in the Terrier Intercollegiate (Oct. 10-11), and Wofford also finished sixth in the Low Country Intercollegiate (March 18-19), the other tournament the Terriers host. Wofford finished seventh in the Southern Conference tournament for the second season in a row.
The 2012-13 season had more in store. The spring season witnessed the Terriers earn three more top-five finishes, including fourth place of 28 teams at the C&F Bank Intercollegiate, fourth of 16 in the Terrier-hosted Low Country Intercollegiate, and third of 12 teams at the Mimosa Hills Intercollegiate.

In 2011-12, the Terriers earned two victories, first defeating Radford in a head-to-head match to close out the fall season. Lauren Dunbar led the way for Wofford, shooting an even-par 72 to earn medalist honors. The Terriers picked right back up where the left off to start the spring season, hosting the Wofford Tri-Match and defeating Appalachian State and Gardner-Webb. Again, a Terrier took medalist honors as Alex Hendricks shot a 3-over-par 75 to lead the field. The 2011-12 season was also highlighted by a second-place finish at the Terrier Intercollegiate, third place at the Mimosa Hills Intercollegiate and fifth at the CSU Wendy’s Invitational.

In 2010-11, Alex Rankin joined Erin Wells as the only Terriers in program history to be selected All-Southern Conference. Rankin finished the year ranked No. 10 in the conference with a 76.59 stroke average and highlighted her season with an individual championship at the Boscobel Intercollegiate, shooting a final-round 3-under-par 69 to finish the tournament 1 under par. Rankin’s round of 69 remains the second-lowest 18-hole score in program history. She also took seventh place at the SoCon Championships.

The 2010-11 season also saw many other feats. Then-freshman Anne Marie Covar earned her first 18-hour score in program history. She also took seventh place at the SoCon Championships.

As a team, the Terriers had a very successful year which included four top five finishes, highlighted by a second-place showing at the Wofford Diet Coke Invitational. Ridgeway also led the Terriers to third at the Colonial Intercollegiate, fourth at the Lady Jaguar Invitational and fourth at the Roar-EE Invitational. The 2010-11 campaign, finishing atop the seven-team field at the Boscobel Intercollegiate. The Terriers fired back-to-back rounds of 16-over-par 304 to win the team title by 19 strokes over Gardner-Webb. The 36-hole total of 608 remains the ninth-best in program history.

The 2009-10 season saw both Alex Rankin and Sarah Hurt earn SoCon Player of the Week honors. Rankin did so the week of March 17 after tying for third place at the Low Country Intercollegiate. Hurt earned the year’s final player of the week award following her victory at the Mimosa Hills Women’s Intercollegiate, which included a final-round 3-under-par 69 to win the 78-player tournament by four strokes. As a team, the Terriers took fifth place.

Wofford earned one tournament championship on the 2009-10 campaign, finishing atop the seven-team field at the Boscobel Intercollegiate. The Terriers fired back-to-back rounds of 16-over-par 304 to win the team title by 19 strokes over Gardner-Webb. The 36-hole total of 608 remains the ninth-best in program history.

The 2008-09 season saw then-freshman Sarah Hurt come on the scene and earn SoCon All-Freshman honors. Hurt began her collegiate career with a runner-up finish in her very first tournament, shooting rounds of 2-under 70 and 3-under 69 at the Great Smokies Intercollegiate. Hurt’s 5-under-par tournament set the Wofford program record for score in relation to par, which still stands to this day. Hurt earned two more top 10s that year and tied for 36th place at the SoCon Championship.

As a team, the Terriers had a very successful year which included four top five finishes, highlighted by a second-place showing at the Wofford Diet Coke Invitational. Ridgeway also led the Terriers to third at the Colonial Intercollegiate, fourth at the Lady Jaguar Invitational and fourth at the Roar-EE Invitational. The 2008-09 season saw then-freshman Sarah Hurt earn SoCon Player of the Week honors. Rankin did so the week of March 17 after tying for third place at the Low Country Intercollegiate. The Terriers fired back-to-back rounds of 16-over-par 304 to win the team title by 19 strokes over Gardner-Webb. The 36-hole total of 608 remains the ninth-best in program history.

The 2007-08 season saw freshman Alex Rankin join Erin Wells as just the second Terrier to be tabbed Southern Conference All-Freshman, Hurt, in 2006-07. The 2007-08 campaign, finishing atop the seven-team field at the Boscobel Intercollegiate. The Terriers fired back-to-back rounds of 16-over-par 304 to win the team title by 19 strokes over Gardner-Webb. The 36-hole total of 608 remains the ninth-best in program history.

The 2006-07 season witnessed the Terriers earn three more tournament titles. Rankin tied for 36th place at the SoCon Championship.

In her first campaign directing the women’s squad, Ridgeway guided the Terriers to the first two tournament crowns in program history. Wofford captured the titles at its home tournament in the fall and at the Draper Valley Spring Invitational. A 12-year veteran of the LPGA Tour, she played in over 190 events and six U.S. Opens. Her most successful years came in 1992 and 1993 when she finished 62nd on the LPGA Tour money list with a scoring average of 73.1 and 72.9, respectively. Ridgeway’s best scoring average came in 2000, while competing as a non-exempt player. Playing in 12 tournaments she averaged 72.3.

Ridgeway fired a 3-under par 285 at the 1997 Ping Welch’s Championship to garner a fifth-place result, one of her six career top-10 finishes. She also had 10 top-15 showings while placing in the top-25 on 21 occasions. As a rookie, she shot a career-low 64 in the first round of the 1992 Sega Women’s Championship. She carded 44 career rounds in the 60s.

In addition to playing on the regular tour, she also competed in over 260 charity and corporate pro-am events. Ridgeway is also a Class A member of the LPGA Teaching and Club Professional Division. In the fall of 2016, Ridgeway became TPI Level 1 Certified.

Erin Wells enters her eighth season as an assistant coach on the Wofford women’s golf staff. She was a member of the Wofford women’s golf team from 2005-09.

Last season, Wells helped coach Lauren Dunbar to an All-Southern Conference selection. Dunbar became just the third Terrier in history to earn the league’s postseason honor, with Wells earning the first selection for a Terrier in 2007.

In her first year as assistant coach, Wells helped the women’s golf program to seven top fives, highlighted by a team title at the South Carolina State University Bulldog Invitational. Wofford shot a three-round team total of 884, shattering the program’s low 54-hole record of 921, which was set in October of 1999. The Terriers also set a new low 18 record of 285, and posted the second-best low 36 in program history of 588.

As a player, Wells was a four-year letterwinner for the Terriers with 11 top ten finishes and a 79.12 stroke average. She played 37 tournaments and 87 rounds, with her best finish coming as the individual champion of the Diet Coke Wofford Invitational during the 2006-07 season.

Josh Medler joined the Wofford College athletic department as Director of Strength and Conditioning in June of 2013. Prior to Wofford, Medler spent six seasons on the University of Memphis strength and conditioning staff.

He works primarily with the football and men’s basketball teams, while overseeing the strength and conditioning development for all eighteen sports at Wofford.

In his six seasons at Memphis, Medler was responsible for the men’s and women’s soccer teams, volleyball team, and the men’s and women’s track sprinters. He also assisted with football and baseball.

Prior to his return to Memphis in 2007, Medler was the head strength and conditioning coordinator for Union Public Schools in Tulsa, Okla. As the first-ever Union system strength coach, Medler was in charge of building a training program for all freshmen, junior varsity and varsity athletic teams.

Medler first went to Memphis in the summer of 2004 as a graduate assistant strength and conditioning coach, working with football, baseball, softball, and the track sprinters. Medler graduated with his master’s degree in human movement sciences from Memphis in the spring of 2006.

He began his professional career as strength and conditioning coach at Anderson University, a liberal arts NCAA Division III school in Indiana. While at Anderson, Medler was responsible for training the football team and coaching the defensive line.

As a native of Berne, Indiana, Medler was a four-year football letterwinner at Hanover College, where he earned his bachelor’s degree in sociology in 2002.

Medler is a Certified Strength and Conditioning Specialist (CSCS) through the National Strength & Conditioning Association, and is a certified level one club coach by USA Weightlifting. Medler resides in Spartanburg.

ROBINSON PLAYED IN THE WORLD AMATEUR TEAM CHAMPIONSHIP

The tournament took place at two courses at the country club. The Ocean course was slated for 6,076 yards, and the River course was set for 5,854 yards, both at par 72.

Each country which competed sent three participants for the 72-hole stroke play format. The lowest two scores per nation for the 51 women's teams counted towards the Espirito Santo Trophy.

"This is like a major championship for amateur golf and that's the way we plan to treat it," said Sidney Wolf, president of the Puerto Rico Golf Association, prior to the event.

In order to be eligible for the event, players must have been amateur golfers under the Rules of Amateur Status of either The Royal and Ancient Golf Club in St. Andrews, Scotland, or the U.S. Golf Association.

"It's a huge honor for her," said former Terrier associate director of golf and current head women's coach Angie Ridgeway. "To have a member of your own program in any type of world event is tremendous. We are all proud of her no matter what she accomplishes during the event. She certainly has the talent to play with anyone there."

PRACTICE GREEN AND RANGE
THE CAROLINA PANTHERS

The Carolina Panthers have held training camp at Wofford since their inaugural season in 1995 and it will be held on campus until at least 2019. The camp provides Wofford tremendous national exposure and visibility. Media members that visit Wofford during the camp include ESPN, Fox Sports, NFL Network, USA Today and Sports Illustrated. Local print and television media from markets including Columbia, Charlotte, Raleigh/Durham/Chapel Hill, Asheville and Greensboro/ Winston-Salem are on campus on a daily basis.

According to SI.com’s Tim Layden, “as I like to think of it: Training Camp Heaven. Wofford is 70 miles west of Charlotte on I-85, and presents all the reasons why there is something special about taking the team on the road for camp. Three pristine, Bermuda-grass fields with a stand of tall pines on two sides and a terraced hillside -- where fans sit and watch -- on another. Fans, many of them young boys and girls, lined up along the fence, getting autographs after practice. It’s a scene straight out of football’s past.”

THE TERRIER SCULPTURE

A sculpture of a Terrier was unveiled on March 25, 2008 outside of the Student Life Building as a gift to Wofford College from the Class of 1956. The following is the text of an address given by Talmage Boyd Skinner, Jr., 1956, Chaplain Emeritus of Wofford College on the dedication.

The mascot of a college should, in large measure, represent the character of the place. In this Palmetto State, we are surrounded by a bevy of mascots. There are Gamecocks and Tigers, Bulldogs and a Rooster named Chanticleer, Indians, Paladins, Cougars, Valkyries, and one school has a sock for an ensign. There are Trojans, Pioneers, and Spartans, and various Cats and feathered creatures. In all the land, only two other schools are Terriers. Some will laugh when we affirm that we are the only true Terriers. Some chuckle when we are audacious enough to claim to be unique and even superior in so many aspects of being a college.

The most arrogant of us will admit that there are many good colleges. We have even tried to copy some. I have always been a bit uncomfortable when we talk of another school being a --- “flagship” that we need to emulate. Hey! We ARE the flagship! Forgive the pride of some old guys who have loved this little school for over half a century. Yes, we did not come to Wofford just to purchase an education; we joined Wofford. We were adopted into the family with a bond that cannot be broken. Many colleges claim to be family. We truly are.

Ours is a bond of shared experience hammered out on the playing fields against foes our size and those with more students than we have living alumni. It does not stop with athletics. The bond is from a shared academic experience that is not content just to pass on so-called facts, but prepares students to think and to continue to grow. The “proof of the pudding” is in the doctors, lawyers, college presidents and professors, teachers, coaches, leaders in business and service - even in the ministry of the Church. A bond is created in the experience of the arts - the theater program, choral music, strings. One thing we lack - a band - not just the band class that plays well once or twice a year, but a BAND for spirit and musical experience. A bond is created through service programs and the physical arts witnessed by so many exhibitions on campus. Not the least is a religious life program that is open and tolerant, that walks with students seeking answers and helps them first learn to ask questions.

We, the Class of 1956 present this Terrier to our college as a symbol of the Spirit of Wofford College and all those members of our family who ever lived or presently live on the “City’s Northern Border,” and all who are yet to dwell in the shadow of the Twin Towers.
NCAA COMPLIANCE
The importance of following all NCAA rules and regulations is imperative to maintaining the integrity of Wofford College and intercollegiate athletics. We ask all who are associated with the institutions athletics programs to help the College protect the spirit of competition, the athletics eligibility of our student-athletes and the reputation of the College by adhering to the rules and regulations of the NCAA and by contacting the Compliance Office or the NCAA with all questions. If you have any questions about NCAA rules, please contact Elizabeth Rabb at (864) 597-4090, the Wofford website at woffordterriers.com and click on ‘Compliance,’ or the NCAA at www.ncaa.org.

What is a Representative of Athletics Interests (Booster/Donor)?
All alumni, friends, and employees of the College are categorized as ‘representatives of athletics interest.’ The NCAA stipulates that once an individual has been identified as a ‘representative’ or “booster/donor” he/she retains this status forever even if the individual is no longer associated with the athletics program. Furthermore, the NCAA states that it is possible for a person to be a representative of more than one institution at the same time. A representative of athletics interest may not:
• Contact a prospect’s coach, principal or counselor in an effort to evaluate a prospect
• Visit the prospect’s institution to pick up film or transcripts
• Contact a prospect, his/her parents, legal guardians or spouse on or off campus
• Contact a prospect by telephone or letter
• Make special arrangements to entertain a recruit
• Provide extra benefits to a prospect, student-athlete or the parents, family and/or guardians of the prospects or student-athletes

Remember the #1 Rule: ‘Ask Before You Act!’

The board of trustees, led by its Human Resources Committee, has completed its review and have voted to accept the mutual recommendation of the Search Committee and the Human Resources Committee in the naming of Dr. Nayef H. Samhat as the next president of Wofford College. We are honored that Dr. Samhat has accepted our call and we are excited and ready to begin our important work together.”

Samhat held several positions at Centre College in Danville, Ky., from 1996 to 2009, including associate dean of the college, the Frank B. and Virginia Hower Associate Professor of Government and International Studies, chair of the Division of Social Studies, and the National Endowment for the Humanities Associate coordinator of the Environmental Field Experience Program and an instructor in the Department of Political Science at Northwestern University in Evanston, Ill., from 1995 to 1996.

After receiving his bachelor’s degree in international economics from The George Washington University in Washington, D.C., in 1983, Samhat received his master of international affairs degree from Columbia University in New York City. He received his Ph.D. in political science from Northwestern University, where he also received a minor in comparative political economy.

While at Kenyon, Samhat oversaw a number of major grants, including two from the Mellon Foundation: a Critical Languages and Innovative Pedagogy grant to support post-doctoral teaching fellowships for Russian and Arabic languages, and a grant for the Center for Innovative Pedagogy and The Essentials: Renewing General Education within the Curriculum to enhance the endowment for a previously Mellon-funded Teacher Teaching Teachers grant.

He is currently serving on the NCAA Board of Governors, along with the NCAA Division I Sport Organizational Structure Working Group. He also was chairman of the Southern Conference Council of Presidents in 2015-16.

A native of Detroit, Mich., Samhat is married to Prema Samhat, former director of the Knox Community Hospital Foundation and director of marketing and communications for Knox Community Hospital. They have three daughters, Alia, Jehan, and Leila.

He recently concluded service on the NCAA’s Division I Football Championship Committee and the FCS ADA Executive Committee, while also serving on NCAA Division I Men’s Basketball Rules Committee. In June of 2015, he was named Under Armour Athletic Director of the Year by the National Association of Collegiate Directors of Athletics.

The Southern Conference, which is in its 99th season of intercollegiate competition in 2019-20, is a national leader in emphasizing the development of the student-athlete and in helping to build lifelong leaders and role models.

The Southern Conference has been on the forefront of innovation and originality in developing creative solutions to address issues facing intercollegiate athletics. From establishing the first postseason college basketball tournament (1921), to tackling the issue of freshman eligibility (1922), to developing women's championships (1984), to becoming the first conference to install the 3-point goal in basketball (1980), the Southern Conference has been a pioneer.

The Southern Conference is the nation’s fifth-oldest NCAA Division I collegiate athletic association. Only the Big Ten (1896), the Missouri Valley (1907), the Pac-12 (1915) and the Southwestern Athletic (1920) conferences are older in terms of origin.

Academic excellence has been a major part of the Southern Conference's tradition. Hundreds of Southern Conference student-athletes have been recognized on CoSIDA Academic All-America and all-district teams. A total of 20 Rhodes Scholarship winners have been selected from conference institutions, most recently in 2012-13, when former Wofford volleyball player Rachel Woodlee earned the prestigious award.

The conference currently consists of 10 members in six states throughout the Southeast and sponsors 22 varsity sports and championships that produce participants for NCAA Division I Championships. The league added rifle, becoming just the second Division I conference to sponsor the sport, in 2016-17, and added women’s lacrosse for the 2017-18 campaign.

The Southern Conference offices are located in the historic Beaumont Mill in Spartanburg, S.C. A textile mill that was in operation from 1880 until 1999, Beaumont Mill was renovated in 2004 and today offers the league first-class meeting areas and offices as well as a spacious library for storage of the conference’s historical documents.

**MEMBERSHIP HISTORY**

On Feb. 25, 1921, representatives from 14 of the Southern Intercollegiate Athletic Association’s (SIAA) 30 members met at Atlanta’s Piedmont Hotel to establish the Southern Intercollegiate Conference. On hand at the inaugural meeting were officials from Alabama, Alabama Polytechnic Institute (Auburn), Clemson, Georgia, Georgia School of Technology (Georgia Tech), Kentucky, Maryland, Mississippi A&M (Mississippi State), North Carolina, North Carolina State, Tennessee, Virginia, Virginia Polytechnic Institute (Virginia Tech) and Washington & Lee.

Dr. S.V. Sanford of Georgia was chosen as acting chairman and N.W. Dougherty of Tennessee was named secretary. The decision to form a new athletic conference was motivated by the desire to have a workable number of conference games for each league member. With 30 schools in the SIAA by the early 1920s, it was impossible to play every school at least once during the regular season and many schools went several years between playing some conference members. In addition, in 1920, the SIAA voted down proposed rules that an athlete must be in a college a year before playing on its teams and refused to abolish a rule permitting athletes to play summer baseball for money.

Play began in the fall of 1921, and a year later, six more schools joined the fledgling league, including Tulane (which had attended the inaugural meeting but had elected not to join), Florida, Louisiana (LSU), Mississippi, South Carolina and Vanderbilt. VMI joined in 1925 and Duke was added in 1929.

By the 1930s, membership in the Southern Conference had reached 23 schools. C.R. “Sally” Miles of Virginia Tech, president of the Southern Conference, called the annual league meeting to order on Dec. 9, 1932, at the Farragut Hotel in Knoxville, Tenn. Georgia’s Dr. Sanford announced that 13 institutions west and south of the Appalachian Mountains were reorganizing as the Southeastern Conference. Members of the new league included Alabama, Alabama Polytechnic Institute, Florida, Georgia, Georgia School of Technology, Kentucky, Louisiana, Mississippi, Mississippi A&M, University of the South, Tennessee, Tulane and Vanderbilt.

According to the minutes of the meeting, Dr. Sanford stated that the division was made along geographical lines. Florida’s Dr. J.J. Tigert, acting as spokesman for the withdrawing group, regretted the move but believed it was necessary as the Southern Conference had grown too large. The resignations...
were accepted and the withdrawing schools formed the new league, which began play in 1933.

The Southern Conference continued with membership of 10 institutions, including Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina, Virginia, VMI, Virginia Tech and Washington & Lee.

The second major shift occurred some 20 years later. By 1952, the Southern Conference included 17 colleges and universities. Another split occurred when seven schools – Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest – departed to form the Atlantic Coast Conference, which began play in 1953. The revamped Southern Conference included members The Citadel, Davidson, Furman, George Washington, Richmond, VMI, Virginia Tech, Washington & Lee, West Virginia and William & Mary.

A third major shift occurred in 2012–13, when five members announced their departures and three schools were added. College of Charleston announced its decision to leave for the Colonial Athletic Association following the 2012–13 season, while Appalachian State (Sun Belt), Davidson (Atlantic 10), Elon (Colonial) and Georgia Southern (Sun Belt) announced they would depart following the 2013–14 campaign. At the Southern Conference’s 2013 spring meetings in Hilton Head Island, S.C., the league officially extended invitations to former members ETSU and VMI, as well as Mercer, to join the league for the 2014–15 academic year.

Today, the league continues to thrive with a membership that includes 10 institutions and a footprint that spans six states: Alabama, Georgia, North Carolina, South Carolina, Tennessee and Virginia. Current league members are The Citadel, ETSU, Furman, Mercer, UNCG, Samford, Chattanooga, VMI, Western Carolina and Wofford.

**FOOTBALL**

The Southern Conference has also excelled as the premier Football Championship Subdivision (FCS) conference. Former Southern Conference member Appalachian State won the three consecutive FCS titles from 2005–07, becoming the first team to do so. The league boasts more than 250 players who have garnered All-America recognition and numerous national player or coach of the year awards. The conference had at least one team in the top 10 of the final FCS poll for 28 consecutive years (1985–2012), with at least two teams finishing in the final poll in every season from 1982–2013. Two SoCon teams – ETSU and Wofford – finished in the top 25 in 2018.

The conference has placed multiple representatives in the FCS Playoffs in 30 of 35 seasons, with 16 championship game appearances and eight national titles.

At the end of the last academic year, there were approximately 2,000 four-year colleges in the United States. Only 262 of them have the right to induct their graduates into Phi Beta Kappa, the nation's most prestigious liberal arts honor society. There are five independent Phi Beta Kappa colleges and universities in the Carolinas: Wofford, Davidson, Duke, Furman and Wake Forest.

Founded at the College of William and Mary in December 1776, Phi Beta Kappa was the first of the Greek letter fraternities and adopted such rituals as the badge, the secret oath, and the special handclasp from the various secret societies of the day.

Phi Beta Kappa, however, was also devoted to the principles of “friendship, morality, and literature (or learning),” and these characteristics gradually attained the greatest emphasis. John Quincy Adams, Edward Everett and Joseph Story, members of the Harvard chapter, are credited with making the fraternity a public literary and honor society for undergraduates in the 1830’s. Women were first admitted to Phi Beta Kappa in 1875 at the University of Vermont.

Wofford received its chapter at the 1940 triennial meeting, bringing to fruition more than ten years of work by the faculty: President Henry Nelson Snyder, Dr. David Duncan Wallace, class of 1884, and Dr. John West Harris ’16, a brash and brilliant young English professor not afraid to campaign vigorously in the conviction that his alma mater deserved membership. (Dr. Harris later founded the National Beta Club, which still has its headquarters in Spartanburg.)

With about 350,000 members across the country, Phi Beta Kappa today sponsors numerous programs to encourage scholarship and learning, including the Phi Beta Kappa Book Awards and the visiting scholar, academic fellowship and leadership programs.

For these reasons, Phi Beta Kappa Day at Wofford has institutional significance, as well as being especially memorable for the new members, each of whom will receive the traditional Phi Beta Kappa watch key or pin.

WOFFORD ATHLETICS HALL OF FAME

Recognizing the value of athletics to Wofford College and the American way of life, the Terrier Club established a policy of administering and sustaining the Wofford College Athletic Hall of Fame.

The purpose of the Hall of Fame is to honor those who, by outstanding athletic achievement and service, have made lasting and significant contributions to the cause of sports at Wofford College, the Spartanburg community, South Carolina and the Nation.

Any Wofford College Graduate who received a letter from the Wofford College Athletic Department is eligible for selection to the Hall of Fame five (5) years after completion of eligibility.
