To: The Wofford Community  
From: Count Dunlap and his Infernal Assistants  
Subject: The 143<sup>rd</sup> Running of the Wofford TERRIO

Today at 11:00 on the near-hexagram in front of Old Main, Count Dunlap and his Deathless Brides, assisted by various bug-eating minions, will steer the pace coffin about the track of the annual Wofford TERRIO. Archival research has discovered that the first terrio was held on horseback in 1867, but, because of the high incidence of accidents ascribed to an excessive number of stirrup cups and errant pistol shots, the event was discontinued for many years. It was resumed shortly before or after World War I, but, after a speeding Model A Ford crashed into the steps of Old Main, the event was canceled once again until its modern resurrection during the past decade with festooned golf carts representing various Wofford organizations and academic disciplines. This year's event is expected to be especially bloody. Lavish prizes will be distributed among the crowd, including guided tours of Transylvania.

For those who eat normal food—and, if you can see your reflection in a mirror, you are in this category—lunch will be served on the lawn following the competition.

BE THERE (or else)!

To: Wofford Faculty and Staff

From: Brand Stille, Vice President for Enrollment

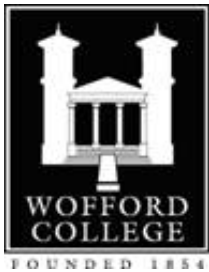

Enrollment of new students is a team effort. You are an important part of this team. Our performance this year was crucial.

We are very pleased to report that 432 freshmen have committed to enroll at Wofford this fall. Our goal was 420.

Last year at this time we had 405 commitments and 392 eventually enrolled in the fall. We expect some changes in our numbers over the summer, but we are excited about our current position.

Over the past year you have interviewed students on Scholars Day, attended receptions out of town, kept the campus clean and beautiful, contacted students about your department, greeted visitors with a smile and hello and so much more. We appreciate all the ways you have supported and contributed to Wofford's enrollment goals. This result was not possible without your interest, cooperation and help. Thank you for your time, energy and effort.

It's a good day to be a Terrier!

Subject: MESSAGE TO FACULTY: Honor Code Plaques  
Date: May 5, 2010 at 1:25 PM  
To: Wofford Staff WoffordStaff@Wofford.Edu

***PLEASE DO NOT REPLY TO THIS EMAIL. IF YOU HAVE COMMENTS OR QUESTIONS, PLEASE SEND TO [rockstl@wofford.edu](mailto:rockstl@wofford.edu).***

To: Wofford Faculty  
From: Tom Rocks

We are committed to installing an honor code plaque in every classroom on campus as well as in some other spaces such as study rooms. The plaque will be 5” high by 7” wide and will have gold lettering on the black plaque mounted on a solid wood base. See the layout of the plaque attached.

We expect to install these plaques in the early part of the summer and are considering placing the plaques above the light switch just inside the entrance to each classroom. In classrooms where this is not possible because of space limitations, we will look for the next best alternative.

The purpose of this note (other than to inform you of this action) is to ask your help if you are interested in providing input for the placement of the plaques. If you have preferences or concerns for what is being planned relative to any classroom in which you are interested, please contact Tom Rocks by email at [rockstl@wofford.edu](mailto:rockstl@wofford.edu) or by mobile phone at 809-1798. If you have input you'd like to contribute, it is needed within the next week. Thank you.

# The Honor Code of Wofford College

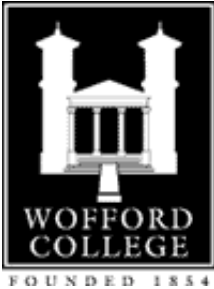

I understand that Wofford College seeks to develop the character as well as the intellect of its students. I understand that Wofford students are expected to be honest, trustworthy, and honorable. Further, I understand that behavior contrary to these expectations threatens the values of the college and destroys trust among members of our campus community.

I have read and understand the provisions of the Wofford College Honor Code governing academic dishonesty. I understand that academic dishonesty reflects poor judgment and character, undermines the integrity of the academic program, and diminishes the value of the credentials of the graduates of the college.

As a sign of my membership in the Wofford College community and of my allegiance to its principle of honor, I promise the faculty and my fellow students that I will never engage in an act of dishonesty in my academic work.

**Subject:** Corporate Membership at the SAC for Wofford employees  
**Date:** May 10, 2010 at 3:31 PM  
**To:** Wofford Staff WoffordStaff@Wofford.Edu

***PLEASE do not reply to this email. If you have questions, please contact Catherine Schmitz at [schmitzcl@wofford.edu](mailto:schmitzcl@wofford.edu).***

Dear colleagues,

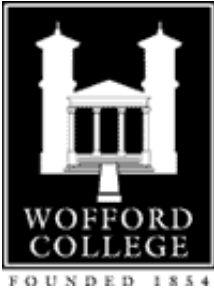

I thought I would send you a proper message confirming the good news about the Spartanburg Athletic Club. Thanks to the effort of 17 Wofford staff members and families, Wofford College now has a corporate membership at the Spartanburg Athletic Club, which, if you choose to join the club, will give you and/or your family a discount (about 20%) on membership fees, whether you pay monthly or yearly. If you are a current SAC member or plan to join, all you need to do in order to receive the discount is to mention that you are a current employee of Wofford College (Faculty or Staff). For more information about the health club, please consult the following link: <http://www.sacfitness.com> <<http://www.sacfitness.com>> .

Please note that a Wofford staff member must be a member of the club in order for a family member to receive the corporate discount. In other words, the spouse of a Wofford staff member with an *individual* membership is not eligible for the discount. If the spouse purchased a couple's membership or a family membership (either of which would include the Wofford staff member), however, then the discount would apply. An individual staff member purchasing an individual membership would, of course, be eligible for the discount.

Thanks again to Ron Robinson, Alan Chalmers and Sally Hitchmough, Rob and Christina Jeffrey, Amy Holbein, Elizabeth Cox and Micheal Curtis, Mark and Kerry Ferguson, Steve Michelman and Karen Goodchild, Phil Racine, Thom Henson, Cecile Nowatka, Anne Rodrick, Bill and Therese DeMars, Boyce Lawton, Patricia Nuriel, David Alvis, Linda Powers, and Tim Schmitz.

Best,  
Catherine Schmitz

Students, Faculty and Staff Members:

Even though it is exam week, a group of students has one more fund raising to raise money for Haiti. A Wofford gradate has donated a print of Old Main from a local artist so we are going to auction it off. It is a beautiful. . This would look great in a home or in a dorm room and could be a great gift idea for a graduating senior.

The bidding will begin today and end on Friday, May 21<sup>st</sup> at noon. The print will be given to the person who makes and pays the highest bid. If the bidder is not on campus on Friday, we will get the print to you for no extra charge.

PLEASE come check it out and place a bid on it. The print is Great Oaks Hall now and will be displayed all week around campus in the Roger Milliken Science Center, Burwell and the Campus Life Building.

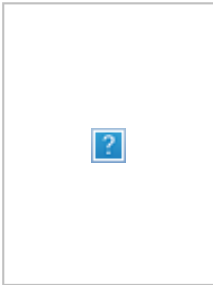

Email Tonni Wickline if you have any questions about it. [wicklinetd@email.wofford.edu](mailto:wicklinetd@email.wofford.edu)

Thank you for your help and caring about the people in Haiti!
