Greetings

As you survive the heat and humidity of June, please consider joining us for part of our FYI Summer Orientation. We have two programs for our incoming students and their parents. The first option is for them to come to campus this Saturday, June 19th; the second program will be held Monday, July 12th. Beth Wallace and I are pleased that we are partnering with the Marriott Renaissance Hotel to make this year's program a success. We are encouraging students and parents from out-of-state to stay at the Marriott on Friday night. (They are offering a special rate.) The Marriott is sponsoring a (free) **dessert reception from 7:00-9:00 pm** on Friday night (Sunday night in July) for families who arrive the night before. We invite all faculty and staff to stop by the reception to meet and greet our incoming students.

Thanks

To faculty and staff with high school students:

Career Services is holding the High School Institute this coming week, June 21-24, and we have a few spaces still available. The program runs Monday through Thursday, from 8:30-11:30am. The Institute introduces high school students to professional development topics, including public speaking, presentation skills, leadership, etiquette, time management, resume writing, and interview skills. Based on the Institute for Professional Development, a five-week program for college juniors and seniors, this format allows students to not only gain information and handouts, but to also practice what they learn. The cost for the program is \$300, but a special rate of \$150 is available for students of faculty and staff. Please email dillengerja@wofford.edu for more information.

To the Wofford Community: You are invited to an organ recital and commentary on Thursday, June 24, at 2:30 p.m. Details are as follows.....

Organ Recital and Commentary

Thursday, June 24, 2:30 p.m., Leonard Auditorium

The pipe organ is called the Kings of Instruments. It is worthwhile for everyone to learn more about its range, grandeur, volume, and complexity. On Thursday, June 24, the Wofford community invites you to a recital with commentary by Wofford Director of Music W. Gary McCraw. Our special guests will be participants in two summer programs, the Black Boys of Distinction and the Wofford Community of Scholars.

For several decades, the beautiful Holtkamp organ that Mr. McCraw will play served the Duke Memorial Chapel. In 1996, it was presented to Wofford by Duke University in memory of its founding president, William Preston Few, an 1889 Wofford graduate. Though it is a comparatively small pipe organ, it is of distinctive historical design and has been enlarged and revoiced beautifully for these surroundings.

The program Thursday includes:

Prelude and Fugue in C....J. S. Bach

Air in D....J. S. Bach

Lift High the Cross....arr. Gordon Young

Psalm XIX....Marcello

Toccatina and Fugue in d minor....J. S. Bach (toccata only)

Toccatina....Widor

Fanfare....Lemmons

The Prince of Denmark's March (Trumpet Voluntary)....Clarke

To: Wofford Staff WoffordStaff@Wofford.Edu, Wofford Students WoffordStudents@Wofford.Edu

What better way to start the Fourth of July weekend than a program that will bring us closer to one of America's greatest 20th century cultural figures? Remembered today as "the Old Troubadour," Carl Sandburg (1878-1967) was a Pulitzer Prize winning poet, biographer of Lincoln, collector of American folksongs, and brilliant essayist. A resident of nearby Flat Rock, North Carolina, he participated in one of the significant moments of Wofford history when he and Robert Frost exchanged their thoughts about the art of writing poetry on March 14, 1950, in "Old Main."

This Friday, July 2, at 10:30 a.m. in Leonard Auditorium, Dr. Jhon Akers will share the story of one of Sandburg's lifelong love of the Spanish guitar, play the music that he knew, and dramatize the writings about the guitar for which Sandburg is remembered by us all. The program was developed for the Sandburg Days Festival in Galesburg, Illinois, and the Carl Sandburg Home, National Historic Site, and is often performed in those locations. It is both interesting and entertaining.

This program is free and open to the public. Special guests will be participants in the Black Boys of Distinction Program and the Wofford Community of Scholars.

Subject: Volunteer for Panther Pals - Get the day off!

To: Wofford Faculty and Staff
From: Laura Corbin

This is a reminder that we still need volunteers for our Panther Pals kids program at training camp, beginning Thursday, July 29.

The Carolina Panthers are coming to campus for their 16th summer training camp, and this is your chance to get up close and personal!

Our Panther Pals program for children, in its seventh year, will be expanded – going from six sessions in 2009 to 15 this year – nearly every day! This is a partnership of Wofford and the Panthers, along with Team Spartanburg Sports Council.

We want and need you to be a part of this popular kids program.

Some of you already have volunteered, and you will be hearing from me shortly regarding orientation/training and the schedule. (Thanks so much!!)

If you volunteer, here's what you get:

- The rest of the day off on the day you volunteer – the Panther Pals program will take about 3.5 hours of your time, so that's more than half a day!
- A Wofford T-shirt!
- Fun and camaraderie!
- Chance to see the players in action, up close and personal!

We need 3 to 5 adults (ages 18 or older) per session. We're encouraging staff and faculty to volunteer as a group from your respective offices/department and have fun together!

Staff, faculty or their family members (age 18 or older) can participate. (Sorry, no children under the age of 18 can be accommodated.) Staff for each session is limited to 5 people; volunteers will receive their assignments from me.

We plan to hold a couple of training sessions (you will only need to attend one), but the program is fairly easy and requires no special skills – no heavy lifting or anything like that. (Be forewarned, though, that it does get hot out there!)

Here's how the Panther Pals program works:

Panther Pals offers children ages 6 to 13 a special opportunity to meet players and to watch part of practice from field level. Children register at the tent (Spartanburg Convention & Visitors Bureau/Team Spartanburg/Panthers Information) outside the main gate to the practice fields.

Five names are selected randomly from that session's registrations about 30 minutes before the end of the practice session. The children receive a special Panther Pals T-shirt and are escorted to a special viewing area to watch the conclusion of practice. Then, they are matched with individual Panthers players (randomly) and hang out with that player as he signs autographs or walks to the locker room.

Here's what Panther Pals volunteer staffers do:

- Staff registration at the tent and assist with registration
- Draw names
- Fit kids with T-shirts
- Escort kids to restrooms before going onto field
- Escort kids and their accompanying parents to the field and stay with them
- Shepherd kids and their parents as they complete their experiences with players
- (Please note that volunteers are discouraged from seeking autographs from players.)
- Pack up and store T-shirts, registration materials, etc.

Here are the times and dates of practice sessions (subject to change):

| DAY | DATE | TIME |
|------------|-------------|-----------------|
| Thursday | July 29 | 9 a.m. |
| Friday | July 30 | 3 p.m. |
| Saturday | July 31 | 9 a.m. |
| Sunday | August 1 | 3 p.m. |
| Monday | August 2 | 9 a.m. |
| Tuesday | August 3 | 3 p.m. |
| Wednesday | August 4 | 9 a.m. |
| Thursday | August 5 | 3 p.m. |
| Friday | August 6 | 9 a.m. |
| Saturday | August 7 | NO PANTHER PALS |
| Sunday | August 8 | NO PANTHER PALS |
| Monday | August 9 | 9 a.m. |
| Tuesday | August 10 | 3 p.m. |
| Wednesday | August 11 | NO PANTHER PALS |
| Thursday | August 12 | NO PANTHER PALS |
| Friday | August 13 | NO PANTHER PALS |
| Saturday | August 14 | 9 a.m. |
| Sunday | August 15 | 3 p.m. |
| Monday | August 16 | 9 a.m. |
| Tuesday | August 17 | 3 p.m. |
| Wednesday | August 18 | NO PANTHER PALS |

Volunteer staff would need to be in place for registration at least 30 minutes before the

session begins, and will finish after the final player stops signing autographs – for a 9 a.m. practice, you would start by 8:30 and generally would be done by noon, give or take a few minutes. For a 3 p.m. practice, you would be there beginning at 2:30 p.m. and should be done by 6 p.m. (These are inexact, and will be determined by how long the team practices; typically, practice is 90 minutes and players finish signing autographs within about 30 minutes after practice is over. All schedules – times, days and locations – are subject to change, and we will make adjustments as needed. Adjustments also will be made due to inclement weather.)

To register as a volunteer, please contact me (Laura Corbin) at laura.corbin@wofford.edu and indicate the date(s) you wish to work. If volunteering as a group, have one person send the email listing all names. You will be assigned and informed of your date/time to work, and of the date/time of the orientation/training session.

THANKS, and let's get Back to Football!!

June 29, 2010

Dear colleagues:

Once again we will be preparing the fall events calendar for mailing and distribution by mid-August. If you are scheduling events for the fall semester – recitals, lectures, performances, exhibitions, symposia, etc. – please get the information to me as soon as possible, but

NOT LATER THAN JULY 30.

We will need the name of the event, place, date, time, and a short paragraph of description. As the same time you will need to reserve the room or space and be sure that the event is submitted for posting on the campus e-calendar (go to <http://www.wofford.edu/newsroom/campusNews.aspx> for instructions).

The printed calendars have proven to be helpful in increasing audiences for the events, as well as good publicity for the college as a whole.

Please feel free to call me if you need.

With thanks,

Oakley
