# WOFFORD'S FIRST WIN

## WOFFORD 18, DELAWARE STATE 4

### APRIL 20, 2018 • DOVER, DELAWARE

DOVER, Del. – Ten Wofford players scored a goal, including five from freshman Hannah Mutch as the Wofford's women's lacrosse team ran away with an 18-4 victory at Delaware State. The win is the first in program history for the first year team.

With the win, Wofford improves to 1-14 overall and 1-3 in Southern Conference play, while Delaware State falls to 0-12 on the season and 0-3 in conference action.

"I'm so proud of this team and so excited for this moment," said head coach Ceri Miller. "They have worked extremely hard and it's nice to see the hard work pay off. They deserve this. Today was a great team win. Our defense and goalkeeper, Kelsey Thompson, really stepped up with some big stops and it allowed our offense to produce 10 different goal scorers."

Delaware State scored the first goal of the game three and a half minutes in, but Wofford exploded to score the next five. Seconds after the Hornets got on the board, JoJo Franklin converted on a free position shot. Mutch scored the next two, both unassisted, and put Wofford ahead 3-1. With 15:29 to go in the half, Franklin netted her second of the game on a pass from Paige Sedlar. Just seconds later, Mutch netted her third of the game and stretched the lead to 5-1.

With 10:32 left before the half, Delaware State scored to stop the Wofford run, but the Terriers finished the half with another 5-0 run. Minutes later, Paige Sedlar became the fourth Terrier to record a goal. A minute and a half later, Hannah Wurzel scored on a man-up opportunity on a pass from Sedlar. The assist was the second of the game for Sedlar, a freshman. Wurzel added another with 1:14 to go in the half and the Terriers held a 10-2 lead at the half.

The Terriers opened the half on a 7-0 run to run the lead to 17-2. First, Smith scored on a goal from Mutch then Mutch answered with a goal on a pass from Sedlar. Monica Branch scored the first goal of her Wofford career with 24:11 to go in the game. Delaney Irwin put herself in the scoring column with a goal six minutes later. Emily Elstun scored her first of the game and third of the season with 16:36 to go and the 15-2 score held for eight minutes. # BIG SOUTH CONFERENCE

Founded in 1983, the Big South Conference has been an exemplary leader in college athletics, dedicated to developing student-athletes through the pursuit of excellence in the classroom, community and field of play. The league's growing presence as an NCAA Division I athletic conference is made evident by its multitude of athletic accomplishments, innovative marketing and media partnerships, increased television packages and most importantly, its commitment to fostering the academic, personal, social, athletic and leadership development of its student-athletes. Comprised of 10 member institutions sharing a common geographic region and similar academic values and purposes, the Big South's remarkable history of achievement is characterized by the league's 19 championship sports and the profound academic and life successes of its more than 3,800 student-athletes. This has evolved into the conference's "Where Winners Are Made" mantra as part of a strategic emphasis on becoming the premiere non-FBS conference in the Southeast through its six Core Values of Academic Centrality; Athletic Excellence; Equity, Diversity & Inclusion; Integrity; Sportsmanship & Fair Play; and Student-Athlete Welfare.

## CONFERENCE HISTORY

On April 24, 1983, Charleston Southern (then Baptist College) Athletic Director Howard Bagwell and Augusta President George Christenberry began recruiting members into the fledgling league, and less than four months later on August 21, the Big South Conference was formed when Augusta, Charleston Southern, Campbell, Coastal Carolina and Winthrop committed to the new conference. One month later, Dr. Edward M. Singleton was selected as the league's first Commissioner and continued to solicit new members. His efforts led to the additions of Armstrong State, Radford and UNC Asheville, giving the Big South more than the required six members to constitute an official conference. The Big South's first year of competition was in the Fall of 1984, and in September 1986, the Big South Conference was granted full-fledged NCAA Division I status.

During its infancy and prior to securing automatic bids to NCAA Championships, the Big South made early strides in earning at-large berths in several national postseason events, including volleyball, women's basketball and women's golf. In 1989, George F. "Buddy" Sasser replaced the retiring Dr. Singleton as Commissioner, and in 1990, the league received its first automatic bid -- an automatic qualifier to the NCAA Baseball Championship. Under Sasser's seven years of leadership, the conference implemented its public relations and compliance programs, and introduced its first-ever men's basketball television package.

In August 1996, Kyle B. Kallander replaced Sasser as the league's third Commissioner, and in his more than quarter-century at the helm of the Big South, Kallander has been instrumental in aggressively promoting the conference to unprecedented heights. During his tenure, men's and women's indoor track & field (1997), football (2002) and women's lacrosse (2013) were added as sponsored sports. The conference has also enjoyed record levels in marketing revenue, in addition to extensive television coverage for women's basketball, baseball, softball, men's and women's soccer, volleyball and women's lacrosse for the first time. The league as a whole has enjoyed increased national television exposure through aggressive and unique television packages -- including the

women's basketball championship game televised on a national linear network for the first time in 2022. Conference membership has solidified with double-digit full members for 14 consecutive years during his tenure with the additions of High Point, Gardner-Webb, Presbyterian College Longwood and USC Upstate, as well as the return of charter member Campbell University. Kallander's long range vision has also included technological advancements, as the conference introduced its first live streaming event in 2005 and has consistently provided video offerings of more than 900 annually through a partnership with the member institutions, as well as the creation of several online and social media platforms. Ongoing equipment upgrades have allowed these produc-

ing with the Stars" champion Rashad Jennings; ESPN personality Sam Ponder, ACC Network host Kelsey Riggs, three-time NFL Pro Bowler Justin Bethel, WNBA veteran Avery Warley and Paralympian Gold Medalist Nick Mayhugh.

Distinguished alumni from Big South member institutions include Charlotte Hornets President Fred Whitfield (Campbell), U.S. Senator Tim Scott (Charleston Southern), Basketball Hall of Famer Artis Gilmore (Gardner-Webb), Grammy-award winning singer/songwriter Donna Fargo (High Point), former LPGA player Tina Barrett (Longwood), former HGTV President Jim Samples (Presbyterian), former U.S. National Men's Soccer Team member Dante Washington (Radford), former Weather Channel anchor Kristina Abernathy (UNC Asheville), NBA play-

tions to reach linear television quality, while the emphasis on video integration has allowed the conference to expand its reach globally as well as serve as a model for peer conferences to emulate. Kallander has also pushed initiatives around student-athlete wellness, such as an annual Health & Safety Summit that began in 2016, along with programs and services to address racial inequality and social injustice.

Under Kallander's leadership, the Big South developed and initiated its first long-range strategic plan, re-affirming the league's vision as a distinctive athletic conference committed to the quality of institutional life through athletic competition. An updated strategic plan was launched in 2015 with the objective to transform the Big South Conference into the premiere non-FBS conference in the Southeast. Five primary areas of focus were established: basketball success, media exposure, academic centrality, student-athlete experience and messaging/branding. In 2017, the league overhauled its identity with the most comprehensive rebrand in the 33-year history of the Big South Conference.

The rebrand included a new brand identity featuring a more favorable and distinctive color scheme, the introduction of a secondary logo and an extensive advertising campaign to enliven the conference's distinct values, its roots in the Southeast region of the United States and its vision for the future. The foundation of the rebrand was built from the conference's Live, Love and Life pillars, which are externally expressed through the conference's "Where Winners Are Made" mantra. Crafted in collaboration with conference leadership and student-athletes, the tagline (and corresponding #BigSouthMade hashtag) embodies and affirms the Big South's commitment to developing student-athletes for profound success through Division I collegiate athletics and transformative academics to achieve their full potential as students, athletes and citizens.

Prominent Big South athletic alumni include NBA player Javonte Green; multi-Olympians Amber Campbell and Taylor Milne; two-time Major Champion Dustin Johnson; MLB players Cedric Mullins, Ryan Thompson and Tommy La Stella; NFL cornerback Josh Norman, former NFL running back and "Danc-

er Torrey Craig (USC Upstate) and actress Andie MacDowell (Winthrop).

The conference's on-field accomplishments have been duplicated in the classroom. For the past eight years, more than 55 percent of conference's student-athletes have been named to the Big South's Presidential Honor Roll for maintaining a 3.0 grade-point average for the academic year -- including a record 64.83 percent in 2019-20 that featured 226 student-athletes with a 4.0 and 57 percent of honorees with at least a 3.50 GPA. The league has experienced year-to-year APR improvement over the past seven years, and the conference achieved its highest Graduation Success Rate (GSR) from 2019-21 -- including a record 90 percentage in 2021 to mark the sixth consecutive year at or above the 85 percentile.
