### 2012

The Southern Conference established the academic all-conference teams for each sport beginning in the winter season of 2002-03. Teams are selected during the fall (football, volleyball, soccer and cross country), winter (basketball, indoor track and field and wrestling) and spring (baseball, softball, outdoor track and field, tennis and golf) season. The winter and spring teams were combined in 2016.

To be eligible, a student-athlete must have at least a 3.2 cumulative grade point average entering this season and be at least a sophomore academically. The student-athlete must have also competed in at least one-half of the team's competition. GPA raised to 3.3 in 2011.
