Subject: MESSAGE FROM LISA WARE: "All 'I's on Wofford" survey update
Date: June 20, 2012 at 3:25 PM
To: Wofford Staff WoffordStaff@Wofford.Edu

Hi everyone,

I hope you're having a fantastic June. I'm writing to thank those who were able to participate in the "All 'I's on Wofford" marketing survey earlier this spring and to update you on the survey's progress.

The survey closed on April 30 with 1,477 responses from students, prospective students, parents, alumni, staff, faculty and trustees. For two days after the survey closed, small groups of alumni, current students, prospective students, and faculty/staff participated in anonymous group discussions. Peacock Nine, a marketing firm in Chicago, administered the survey and is now compiling the data. We should have a final report by the end of June.

Due to the overwhelming response from students, alumni and parents during the first few days of the survey, Peacock Nine recommended we revise down our survey completion goals in order to minimize expenses (while still maintaining a statistically valid response rate). We were able to close those segments of the survey early. Therefore, we have decided to make the summary results available via email to everyone in those groups, regardless of whether or not they completed the survey.

Faculty and staff will be invited to attend a presentation by Bradley Peacock, president of Peacock Nine, during which he'll present the survey results, provide context for the data and answer questions. I'll be in touch later this summer with the schedule for those presentations. I hope you'll attend!

In the meantime, if you have questions about the survey, please feel free to contact either Scott Cochran or me.

Best,
Lisa Ware

To: Students, Faculty and Staff:

It's summer vacation for high school students, and the Admission Office is becoming very busy with summer visitors! In fact, July is our most popular month for information sessions and tours.

For those of you who park in the Admission parking lot, we ask that you **do not park in the visitor spots**. We want to save these 10 spaces for our Admission visitors to make them feel welcome to campus.

Thanks in advance,
The Admission Staff

Re: More parking issues

This is a reminder that parking is not allowed on the curb in front of the Burwell Building. Those spaces are for loading and unloading at the mailroom and for 10-minute parking only.

Also, please never park on Osage Street (off Evins Street beside the Michael S. Brown Village Center) as this is a dedicated fire lane. Parking on Jefferson Street (beside the Reeves Tennis Center) is allowed by state law only in the direction of traffic. Since parking is restricted to the side of the road next to the tennis courts, you must park facing the stop sign. Not doing so will put you in danger of receiving both Wofford parking citations as well as tickets from the City of Spartanburg.

Please contact me if you have any questions.

Subject: ANNOUNCEMENT FROM STUDENT AFFAIRS: Drs. Poole and Medlock announce retirements
Date: June 29, 2012 at 3:38 PM
To: Wofford Staff WoffordStaff@Wofford.Edu, Wofford Students WoffordStudents@Wofford.Edu

Drs. Mack Poole and Melvin Medlock served among the college's physicians.

MARY BLACK
HEALTH SYSTEM

Mary Black Physicians Group will say goodbye to two cornerstones of Spartanburg medicine this month as Drs. Mack Poole and Melvin Medlock retire.

"It is with sadness that I am announcing that effective July 1, 2012 I will be retiring from Family Medical Center," said Dr. Medlock in a letter to patients. "It has been a great pleasure providing for your health care needs over the years."

Both doctors have been practicing with Mary Black for 45 years, treating hundreds of patients over the years and were recently honored by the hospital for their years of service.

The physicians will be honored at a retirement reception on Sunday, July 1, 2012 at Family Medical Center from 2 p.m.-4p.m. Patients and those who know Drs. Poole and Medlock are invited to attend.

Family Medical Center is located at 130 Dillon Drive, Spartanburg, SC, 29307. The

office telephone number is 864/ 216-4620.

The doctors said they are glad to be leaving their patients in the "very capable" hands of their partners at Family Medical Center: Dr. Ralph Tesseneer, Dr. Eric Cole, Dr. Chris Nowatka and Dr. Erica Savage-Jeter.

Both said that after spending years taking care of families throughout Spartanburg and surrounding areas, they're looking forward to spending time with their own families and traveling.

"I greatly value our relationship and thank you for your loyalty and friendship over the years," said Dr. Poole to his patients. "It has been a pleasure and an honor to have you as a patient."
