Subject: MESSAGE TO FACULTY AND STAFF: Tammy Cooper to be Environmental Compliance Officer
Date: April 2, 2014 at 11:04 AM
To: Wofford Staff WoffordStaff@Wofford.Edu

To: Wofford Faculty and Staff

Tammy Cooper has accepted an expanded role as the full-time Environmental Compliance Officer for Wofford College. Please congratulate and welcome Mrs. Cooper as she assumes the duties of this very important position.

Tammy has been working in a rather limited capacity for the past 5 years to ensure Wofford's compliance with all of the regulations required by the federal Environmental Protection Agency (EPA) and the state Department of Health and Environmental Control (DHEC). However, to be able to expand her focus to all aspects of compliance for the entire campus and to maintain EPA and DHEC compliance in the years ahead, Tammy's full attention to these duties is required.

Please give Tammy your full support and cooperation as she works to ensure that we follow a program of best practices with respect to the management of our chemical inventory and the proper use and disposal of chemicals across the campus as well as all the other items within her purview. The scope of Tammy's activities will touch essentially everyone across the campus!

Please consult Tammy for help and advice, as needed. She can be reached at coopertl@wofford.edu or at ext. 4637.

Date: April 2, 2014 at 1:42 PM
To:

Please note that **Campus Drive** will be **closed** to traffic beginning this Monday, April 7th for repaving work and will reopen Saturday, April 12th. There will be no access to the Admission Lot and we ask that all cars are removed prior to Monday.

The Physical Plant will close the **Shipp Lot** to parking on Monday, April 7th in order to replace a cooling tower that serves the Olin Building and Wightman and Lesesne Halls. Again, we ask that all cars are moved prior to Monday. During the equipment replacement Olin, Wightman, and Lesesne will all be without cooling.

Please pardon the inconvenience as we make the needed campus repairs.

Subject: TO WOFFORD STAFF: Staff Advisory Council Representative Nomination
Date: April 14, 2014 at 9:36 AM
To:

The Staff Advisory Council (SAC) needs YOU!

Are you interested in serving the college? Would you like to learn more about matters of interest to staff and to work with colleagues from a variety of offices/departments? Could your resume use some leadership or volunteer experience?

We need 6 staff to serve as SAC Representatives. As a Representative, you'll bring matters of interest to staff to a monthly meeting where issues will be discussed and brought to the attention of our college President. You'll also serve as a point of contact for delivering news and information from the President directly to staff.

You may nominate yourself or other staff members to serve as representatives.

Nominations will be accepted until midnight on Wednesday, April 16. You may submit your nomination via the online form on the channel

<http://www.wofford.edu/mywofford/staffadvisorycommittee/nominations/> or send it via email to Craig Sudduth (sudduthca@wofford.edu).

The time commitment for Representatives should be about one hour for monthly meetings (scheduled during the lunch hour) and possibly another hour or two during times when information is being gathered about a particular issue or a project is underway.

More information about Representative duties is available on the new Staff Advisory Council Channel in the Employee Tab in myWofford. You can also find more information about the SAC on the channel.

Representative Elections will be held beginning Monday, April 21. If you have questions, I'm happy to answer them, or contact any SAC Committee member. Their names and email addresses are on the SAC Channel.

Thank you for your time, and I hope you'll consider serving as a Representative or nominating someone you respect for the positions. We have an opportunity to have a voice – it's up to us to work together to make that voice strong and effective for our benefit and the benefit of the college.

This is a reminder to those of us who drive golf carts on campus to please keep carts on sidewalks at all times. Running off sidewalks to pass pedestrians or cutting corners too closely will kill our grass and create divots across campus. Thank you for your help in keeping the golf carts on sidewalks and doing your part to keep our campus grounds beautiful!

If you have any questions, please feel free to call me at any time.

Dear Colleagues,

As I mentioned at the April faculty meeting, the Facilities Committee will be doing a walk-through of the Olin Building on Wednesday, April 16th, at 2pm. The goal of these walk-throughs is to identify issues and needs for each building. If you would like to join us on this short excursion, please feel free to do so; we will be leaving from the Olin Lobby at 2pm.

I know you are super busy with advising, so if you cannot attend the walk-through, but still have concerns, just let us know via email. The faculty on the Facilities Committee are Peter Schmunk, Chris Waidner and myself.

They build the organizational, administrative, and financial capacity of organizations that fight illiteracy, improve health services, foster economic development, and otherwise assist low-income communities. They receive a modest living allowance, health coverage, and other benefits, including fantastic real life work experience. After successful completion of a term of service, members can choose to receive a Segal AmeriCorps Education Award or a post-service stipend. Come talk with recent Wofford graduates who have spent a year or more as VISTAs. Learn why they did it, what they gained, and what they're doing next!

Details: The Volunteers in Service to America (VISTA) Program is often referred to as the "domestic Peace Corps" and has been on the front lines in the fight against poverty in America for nearly 50 years. Each year, 20-25 young people, out to change the world for the better, accept full-time, year-long commitments at nonprofit organizations, public agencies, and institutions of higher education (like Wofford!) in Spartanburg; and there are ~ 6,000 VISTA positions nation-wide. VISTAs build the organizational, administrative and financial capacity of organizations that fight illiteracy, improve health services, foster economic development, and otherwise assist low-income communities. They receive a modest living allowance, health coverage, and other benefits, including outstanding real life work experience. After successful completion of a term of service, members can choose to receive an AmeriCorps Education Award or a post-service stipend. Seniors are invited to come talk with recent Wofford graduates who have spent a year or more as VISTAs, to learn why they did it, what they gained, and what they're doing next; as well as how current students can follow in their footsteps.

PS

Dear Faculty Colleagues,

It is my pleasure to announce that Dr. David S. Wood, our Provost, has accepted the position of Senior Vice President for Development for Wofford, effective July 1, 2014.

David brings a wealth of experience to the Office of Development that will enhance our profile with alumni, donors and friends of the college, and our ability to continue the college's upward momentum. His relationships, and our relationship, provide a strong foundation for success in securing Wofford's future.

I have asked Professor Dennis Wiseman, Dean of the Center for Innovation & Learning, and the Reeves Family Professor of Foreign Languages, to serve as interim provost until we conduct and complete a national search for a new chief academic officer, and Dennis has agreed to do so, effective July 1, 2014. We will begin making plans for that search as we approach the next academic year.

David, who received the master's degree from UNC-Chapel Hill and the doctorate in higher education administration from Vanderbilt University, came to Wofford in 1997 to serve as vice president and director of athletics, leading the college into Division I intercollegiate athletics. In 2001, he became senior vice president, and in 2007, he was named dean of the college. He was named provost in 2013. Before coming to Wofford, David was provost at Tusculum College. He is a graduate of Elon University.

David and his wife, Judy, have three sons – Shiel and twins Leland and John – all of whom are Wofford graduates.

Please join me in congratulating David on this venture for the college, and in thanking Dennis for his willingness to serve.

Best,
Nayef

Hi everyone,

Please join me in congratulating the nominees for six open positions on the Staff Advisory Council:

Steve Edlin

Roger Wiren

Susan Thomas

Brian Rawlinson

Krista Redding

Ashley Rowe

Luci Laffite

Michelle Griggs (formerly Thilges)

Jessalyn Story

Because two of the six representatives rotating off the SAC are Division Representatives (Randy Brown and Lisa Goings), there will be two rounds of elections. The first will be to elect new Division 1 and Division 3 Representatives. That election will be held Monday, April 21 through Wednesday, April 30. Only staff serving in those divisions will receive ballots via email.

The candidates for Division 1: Steve Edlin & Roger Wiren

The candidates for Division 3: Krista Redding & Ashley Rowe

After the Division elections are decided, the remaining nominees will stand for election as At Large Representatives. That election will be held the following week, and all staff will have the opportunity to vote.

As a reminder, the divisions are based on the Wofford Organizational Chart and intended to ensure there is at least one staff member representing each "division." I have attached the current chart and included the division numbers. To see the current Division Representatives, visit the SAC Channel on the employee tab in myWofford.

Please make every effort to vote, both in your division, if applicable, and in the At Large Representative election the following week. Your SAC Representatives have worked hard to communicate your questions, ideas and suggestions to the President. We have also successfully begun or implemented a number of initiatives including:

- December Staff Appreciation Party
- New Hire Orientation Program
- Staff Satisfaction Survey
- Official noon closing on the Wednesday before Thanksgiving

You may also read summaries from every SAC meeting on our myWofford channel.

Thanks for your time, please vote, and contact your SAC Representatives any time you have questions, comments, ideas or concerns.

When pressed to near-disaster by the Carthaginian armies under Hannibal, a few hardy leaders found creative ways to put military action entirely back in the hands of men. Subject: IMPORTANT MESSAGE FROM PRESIDENT SAMHAT: Strategic Planning Open Forum, Friday, May 2, 2-4 p.m. in McMillan Theater
Date: April 25, 2014 at 3:48 PM

Members of our Community,

On Friday, May 2, from 2:00 to 4:00 p.m. at McMillan Theater, we are having a very special open forum. This gathering is organized to give everyone an overview of the recommendations of our four strategic planning working groups and discuss the ideas.

Immediately after the forum, we will open a way to receive other ideas, comments and suggestions on line. This comment period will extend through May 23.

At the forum, we will distribute two page summaries of each set of recommendations. To review the complete reports in advance, please visit the strategic planning link on my.wofford.edu where the materials the groups prepared are posted.

I do hope to see you at this important conversation. In the meantime, thanks to the literally hundreds of people who are contributing to our planning process. The ideas our community has generated are just great, and I am sure our discussion next week will take us even closer to a truly excellent strategic plan.

With best wishes,

Nayef
