All:

Please know that we sent the following email to upperclassmen this morning. It contains details about the possibility of tripling some rooms on campus for the fall semester. We still have some upperclassmen who would like to live on campus, and we want to accommodate them.

Because you work closely with students, I wanted you to have a copy of it. Please know that *IF* students are interested in tripling, they will have to meet with the Director of Financial Aid to make sure that this situation does not negatively impact any scholarships or aid they receive.

Please let me know if you have any questions.

Thanks
Roberta

Subject: Wofford College Important Announcement! The Village

Importance: High

Greetings!

Wofford College is thrilled to announce that the Class of 2018 has already exceeded our expectations. Therefore, we are adjusting our housing options for the fall semester.

To enhance the flexibility of on campus living options for upperclassmen, we need some students in DuPre, Lesesne, Shipp, the Village, and Wightman residence halls to double-up and live with an additional roommate in exchange for either a thirty percent (30%) reduction in the fall room fee or a cash refund equivalent to one-third of the room charge, *as well as* an additional \$200 in Terrier Bucks.

If you and your roommate would be willing to have a third roommate, please complete the form at the following link by midnight on July 7, 2014.

<https://connect.wofford.edu/myWofford/residenceLife/requestAdditionalRoommate.aspx>

The Residence Life Staff will confirm with you and your roommates by Friday, August 15th if we need to exercise the proposal to double up students for the fall. Please let me, Dean Lemere or Mr. Hammett know if you have any questions.

Thank you for your interest, your flexibility and your patience as we work to provide an enriching residential experience for you.

Happy 4th of July!

Wofford Campus Safety and Spartanburg law enforcement agencies, in exercising extra caution and vigilance, are advising the same on the part of the campus community.

If you see the individual below, do not attempt to approach him; call Campus Safety immediately at 864-597-4911.

Physical Plant will be disposing of items we've had in storage for an extended period of time which have no further value or use to the College. There will be some limited number of furniture items. If there is anything you think we might have which you could use and would like for your Wofford use (or personal use), please email Tom Rocks. Or, if there is anything you think we are storing for you and you would like to make sure we continue storing that item, please email Tom. Otherwise, we will use our best judgment to keep what needs to be kept and dispose of only those items that need to be disposed of.

We hope to have this effort completed within the next 2- 4 weeks.

Thank you for your help.

Subject: Update regarding VCOM
Date: July 14, 2014 at 3:03 PM
To: Wofford Staff WoffordStaff@Wofford.Edu, Wofford Students WoffordStudents@Wofford.Edu

Dear Campus Community,

Over the past three years, Wofford and VCOM have enjoyed a mutually beneficial relationship wherein VCOM students and faculty have had access to Wofford facilities and services—such as use of the fitness center, athletic and intramural opportunities, study areas and dining services.

Wofford and VCOM have agreed to conclude this arrangement, as the VCOM administration has decided to meet the needs of its students, faculty and staff in other ways. Because of this decision, as of Monday, July 14, VCOM students, faculty and staff will no longer be able utilize Wofford's facilities and services.

Although it is our understanding that VCOM will clearly communicate its decision to its students, faculty and staff, we expect that some VCOM community members will arrive on campus unaware of this change. Appropriate Wofford and Aramark staff members are asked to alert VCOM students, faculty and staff to this decision and give them the following contact for further information:

Lindsey Ridgeway
VCOM's Director of Student Services, Carolinas Campus
864-327-9804
lriddgeway@carolinas.vcom.edu

We are confident the Wofford community will help make this transition as easy as possible for our VCOM neighbors.

Thank you for your support of our Carolina Panthers as they make our college their home beginning **today through August 14**. As Wofford and the City of Spartanburg welcome both the Panthers and community fans, please be aware of the following:

- The Richardson Physical Activities Building, including the practice fields, is closed beginning today. The building will re-open to the public on Thursday, August 14. During this time, the building is under 24-hour surveillance and is only open to members of the campus community with proper credentials.
- Also during this time, the Verandah and Shipp Hall parking lots, as well as the horseshoe behind Main Building, are also closed. Our Panther guests will be living in Shipp, DuPre and Lesesne Halls this year. Faculty and staff who normally use the handicap parking spaces in the Shipp lot may continue to use these spaces.
- Faculty and staff may continue to park in the Admission lot. The 77 Wofford-leased spaces in the Spartanburg Memorial Auditorium parking lot are also available.

As a reminder, you can always contact Campus Safety 24-7 at 864-597-4911.

Thank you for welcoming both the Carolina Panthers and the Upstate community to our campus over these next three weeks. [Read more information about the Carolina Panthers' 20th summer training camp here](#). Show your **Panther pride** this Friday by wearing your Panther gear and posting a photo to social media with #panthercamp! Finally, we also look forward to seeing you **this Saturday** at the "**Back to Football Kickoff Party**" from **4-9 pm at Gibbs Stadium**.

All faculty and staff are invited to participate in the bi-monthly “The Space Book Club.”

In July, we read Arrianna Huffington’s “Thrive.” For September, we’ll read and discuss “The Next America: Boomers, Millennials, and the Looming Generational Showdown,” by Paul Taylor. Taylor is a former Washington Post Reporter and executive vice president of the Pew Research Center.

Read a review of Taylor’s book here:

<https://www.kirkusreviews.com/book-reviews/paul-taylor/the-next-america/>

We will meet on Thursday, September 18 from 5:30 p.m. to 6:30 p.m. in The Space. We fortify our discussion with a bit of wine and cheese, so please email me if you plan to attend (warelm@wofford.edu). The first three people who sign up will receive a free hardbound copy of Taylor’s book.

We hope you’ll join us!

Best,
