Quest. 10. Who have been expelled from the connection this year?

Sylvester Foster.

Quest. 11. Who have died this year?

Benjamin Hiff,—a native of Bucks county, state of Pennsylvania, Born May 10, 1777; began to preach June 1, 1801; and died May 29, 1805. He was stationed in Flanders, 1801; in Gloucester, 1802; and in Elizabethport, 1804. He attended the Philadelphia Conference, held at Chestertown, 1805, when he was elected and ordained elder. His family being sick, he obtained permission to return home before the Conference rose. He was taken ill on the way, and in a few days after he came home, expired. His countenance and modest meekness, in the sitting of Conference, reminded some of the members of Daniel Ryan, who sat in the same Conference in the year 1804, but is now numbered with the dead! The general character of Benjamin Hiff was that of a uniform good man, and an acceptable preacher. Indeed, he appeared at the Conference like a man bound for the invisible world, into which he was to be called, and be with Christ. His happiness appeared to increase with his illness. He told his friends he had not a doubt of his acceptance with God.

His last words were these: "I have lost sight of the world; come, Lord Jesus, come quickly!" When we see young men called away, we feel at first discouraged: the harvest is so great, and the labourers so few. But men and means are all in the hands of God, to gather the lost sheep of the house of Israel. Blessed are the dead that die in the Lord.

Quest. 12. Who have withdrawn from the connection this year?

Ralph Williston, Comfort C. Smith—2.

Quest. 13. Were all the preachers' characters examined before the Conferences?

This was strictly attended to by calling over their names, one by one, before their respective Conferences.

Quest. 14. What numbers are in Society?
