**Development Office New Staff Assignments**  
**Details:** From David Wood, Senior VP for Development: I am pleased to share the follow news with you regarding new assignments in our office, effective January 2015. our Spartanburg area alumni and friends. Under his direction, many of our current initiatives such as the The Civil War Roundtable and The Orbiting Seminar will be expanded, and new offerings will be developed. Charlie's experience in the continuing education arena, combined with his rich and long-term knowledge of our alumni base, provides us the opportunity to more deeply engage a critical component of our local community. Lisa DeFreitas, class of 1988, has assumed a new role as Director of Leadership Giving. Lisa will build upon more than 26 years of experience in Annual Giving as she reaches out to our alumni base for enhanced giving across a variety of areas. Her initial focus will center on the immediate region where we have our largest concentration of alumni and supporters. Lisa's work with our annual fund donors provides an excellent platform for her efforts aimed at expanding their participation in Wofford's larger giving societies. Krista Jones Redding, class of 2011, has been named Director of Annual Giving. Krista is no stranger to our annual fund efforts, as her current assignment includes leading our annual Wofford On Call program. In this capacity, she has recruited, trained and managed the cadre of student workers who reach out to our alumni on an annual basis through our "phone-a-thon" efforts. In addition, Krista has developed and implemented other creative annual fund initiatives, and we are delighted to be able to recognize her exceptional work with this new assignment.

**Details:** **SAVE THE DATE!** To kick off our Black History Month celebration on Wofford's campus, we will have Sankofa Museum on Wheels on campus, Tuesday, Feb. 3, in Great Oaks Hall. Ms. Angela Jennings journeys with all spectators exposing the pain, the pride, and the depths of the souls of those who came from Africa in shackles and triumphant over the degradation of slavery. Ms. Jennings cleverly displays her unique blend of art collectibles and memorabilia while serving as a griot of sorts in her oral presentations and dramatizations of selected periods and historical figures. The Sankofa African-American Museum on Wheels provides a detailed display of artifacts commencing with the Middle Passage (slavery) to the era of King Cotton, to the days of Emancipation. Her exhibit informs her audiences of the significant contribution to society offered by African Americans evident in the plethora of their inventions. Sankofa African American Museum on Wheels transcends cultures and ethnicities, as the educational tour inspires all viewers leaving each with a sense of empowerment.
