Subject: Call for Volunteers for Carolina Panthers Training Camp

## **2016 CAROLINA PANTHERS TRAINING CAMP AT WOFFORD COLLEGE CALL FOR VOLUNTEERS**

The Carolina Panthers return for the 22<sup>nd</sup> year of training camp at Wofford College and Spartanburg on **Thursday, July 28**, and we're excited!

Once again, there will be lots of activities for the community – and lots of volunteer opportunities for you!

They include the Lowe's Kickoff Party and Mayors Ball Run on **Thursday, July 28**, and Panthers Pals kids program throughout camp (see dates/times on the volunteer form at the link below).

**We'd love to have you volunteer! Please review the volunteer opportunities and register for your preferred slots at:**

[www.wofford.edu/panthersvolunteerform](http://www.wofford.edu/panthersvolunteerform)

You will enter your name, age, email and cell number, along with an emergency contact name and telephone number, and select the events/dates and shifts for which you wish to volunteer.

This year, instead of volunteer T-shirts, all volunteers will receive special polo-style Panthers shirts. Therefore, we will need to know your shirt size; shirts run slightly large. Please indicate size on the form.

Also, volunteers will be required to attend a mandatory volunteer training event before the opening of camp – date to be determined; assigned volunteers will receive a separate email with details about this training event. It is mandatory. If you do not attend, you will be replaced on the volunteer/ambassador schedule. At the session, you will receive training, your shirt and appropriate credentials, depending on your volunteer position or job.

In the cases of two available shifts for the same day/duties (kickoff party), you may volunteer for both shifts. You may select as many slots as you wish. Then, hit "submit" at the bottom of the form. You will be informed via email of your assignments and any special instructions.

**Slots will be filled on a first-come basis and as needs necessitate.** You are not guaranteed a slot. If your requested slots are filled, your name will be kept on a waiting list and you will be notified if a slot becomes available.

**All volunteers must be at least 18 years of age.**

*PLEASE NOTE that volunteers are not permitted to request photographs or autographs from players or coaches.*

Email questions to Laura Corbin at <mailto:laura.corbin@wofford.edu>.

**REMEMBER, slots will be filled on a first come basis.**

**ALL REGISTRATIONS MUST BE SUBMITTED USING THIS ONLINE FORM:**

Colleagues,

This summer Wofford College will undertake a search for a new Chief Information Officer as head of Information Technology. The search committee is composed of Dr. Bob Moss, McCalla Professor of Biology; Dr. Anne Catllà, Associate Professor of Mathematics; Amy Lancaster, Dean of International Programs; Richard Johnson, Director of Athletics; Raymond Ruff, Director of Institutional Research; Dexter McCarter, Database Administrator; Chris Gardner, Associate Vice President for Finance and Controller; and Demario Watts, Assistant Director of Residence Life. The search will conclude July 20, and we hope to have our new CIO on campus by the beginning of fall classes.

Throughout the summer, Jason Womick, Vice President for Information Technology, will continue to serve as Interim VP for IT. Upon the arrival of the new CIO, Jason will take on new responsibilities and a new title as Director of Instructional Technology and Data Analytics. After his years of service and commitment to leading our IT team, we are grateful to Jason for taking on the challenge of this new position that will provide enhanced technical support to faculty and students in the classroom and enrich our capacities in Institutional Research.
