Subject: IMPORTANT MESSAGE FROM CAMPUS SAFETY: Active shooter response EXERCISE set for tomorrow (Wednesday, June 13)

Date: June 12, 2018 at 3:55 PM

To: Wofford Staff and Faculty WoffordStaff@Wofford.Edu, Wofford Students WoffordStudents@Wofford.Edu

Wofford Campus Community:

Members of the campus community will participate in an active shooter response EXERCISE tomorrow, Wednesday, June 13.

Campus Safety officers will initiate the Rave Mobile Safety emergency alerts via email and text as well as the outdoor warning siren.

All Wofford students, faculty and staff are registered in Rave with their email addresses. If you have not updated your account with your mobile phone number, you can do so by going to myWofford and clicking the Emergency Alert Information channel in the lower center of the page. Log in using your Wofford login and password. There, you can edit your information to include or change your mobile number.

Staff and faculty members are asked to observe the following procedures during the exercise:

- Building occupants should shelter in classrooms or safe areas, such as offices, closets or restrooms that lock.
- In classrooms, lock the doors, turn off the lights and be quiet; silence cell phones and do not talk loudly.
- Simulate stacking furniture in front of the door, even if it is locked.
- Hide along the wall so an intruder cannot see you from any window in the door.
- Have a plan to attack the intruder if he/she were able to make entry into the room. To do this, create a team of four large or willing volunteers and assign body parts of the intruder for each team to attack.
- When a weapon is dropped or surrendered, kick it under a desk or trash can so that responders will not confuse anyone in the room as the intruder.

Building captains and wardens will check each office and classroom and record the number of faculty, staff and students successfully participating in the exercise and the number of each group not participating. They will call and report completion of the exercise via their radios when they have checked each room and office in their areas.

An all-clear message will be sent and sounded when all buildings have reported.

Subject: MESSAGE TO WOFFORD CAMPUS COMMUNITY: Death of Dr. John Pilley

Date: June 19, 2018 at 12:55 PM

To: Wofford Staff and Faculty WoffordStaff@Wofford.Edu, Wofford Students WoffordStudents@Wofford.Edu

Wofford Campus Community:

We are saddened to share the news with you that Dr. John W. Pilley, professor emeritus of psychology at Wofford, died on Sunday morning, June 17. He had been diagnosed in late April with leukemia. He would have been 90 years old on July 1.

John was known to us as the owner/trainer of Chaser the border collie, dubbed by the media as “the smartest dog in the world. As a scientist he is noted for his seminal and groundbreaking research in canine cognition giving the world empirical confirmation that dogs are not only as smart as we think, but they are cognitively capable of so much more. He served on Wofford’s faculty from 1969 until his retirement in 1995; he received an honorary degree from the college in 2016.

He is survived by his wife, Sally. They met during his studies at Princeton, had a three-month whirlwind romance and have been married for 63 years. He also is survived by his daughters, Robin Pilley and Debbie Pilley-Bianchi; son-in-law Jay Bianchi; grandson Aidan Bianchi; and Chaser and Bobby Sue, their nubby-tailed cat.

Memorials may be made to the Spartanburg Humane Society at <https://spartanburghumane.org/donation-submission/>.

A memorial service will be scheduled later this summer or early fall at Wofford. Details will be provided when the arrangements have been made.

Subject: MESSAGE FROM PRESIDENT SAMHAT: Changes to Wofford's administrative staff

Date: June 27, 2018 at 12:04 PM

To: Wofford Staff and Faculty WoffordStaff@Wofford.Edu, Wofford Students WoffordStudents@Wofford.Edu

To: Wofford Campus
From: President Samhat

I am pleased to announce two significant changes to Wofford's administrative staff.

First, Christopher L. Gardner has been promoted to Wofford's chief financial officer (CFO) effective July 1. Chris has been serving as interim CFO since the departure of Barbie Jefferson.

Chris has done an excellent job for the college as associate vice president for finance and controller, a position he has held since coming to Wofford in September 2013, and as interim CFO. His experience in finance, accounting, management and operations as well as his leadership put the college on a solid foundation, and I look forward to continuing to work with Chris in his new role.

Please be sure to congratulate Chris on this much-deserved promotion.

Also, we are changing the reporting structure so that the Office of Human Resources and Director Chee Lee will report to the President's Office. We believe this change will allow us to be more nimble and efficient in our recruitment and hiring process as well as in providing services to our faculty and staff.

Chee has done tremendous work in streamlining our processes, and she continues to bring her wealth of expertise to bear to continue to enhance services for all Wofford employees.

Nayef
