Wofford Announces Hall of Fame Class

SPARTANBURG, SC – Former Wofford College student-athletes Seth Chadwick ’97, Jenny Nett ’02 and the late Bobby Cannon ’50 have been selected by the Hall of Fame Committee of the Wofford College Terrier Club Board of Directors as the 2007 inductees into the school’s Athletic Hall of Fame.

In addition, the Hall of Fame will honor Robby Atkins as the Distinguished Service Award winner and Dean Dan Maultsby ’61 as the Honorary Letterman.

The Hall of Fame will induct its newest class on September 8 when the Terriers host Charleston Southern in football.

The Hall of Fame recognizes “those former athletes and coaches who, by outstanding athletic achievements and service, have made lasting and significant contributions to the cause of sports at Wofford College, the Spartanburg community, South Carolina and the nation.”

Chadwick and Nett were both basketball standouts while Cannon excelled in football. Chadwick left Wofford as the all-time leader in most 3-point shooting categories. Nett is Wofford’s career scoring leader in women’s basketball with 1,896 points. Cannon was a four-year starter and letterwinner who was a key member of the Terriers’ 11-1 football team in 1949.

**Bobby Cannon ’50**
Cannon, a 1950 Wofford graduate, enrolled following a stint in the Navy during World War II. The Spartanburg native became a standout center on Wofford’s football teams from 1946-49 with his career culminating in the 1950 Cigar Bowl in Tampa. Cannon was known as a great blocker on offense and an outstanding linebacker on defense. He also starred on the Wofford baseball teams of that era as a left-handed pitcher.

**Seth Chadwick ’97**
A four-year starter under head coach Richard Johnson, Chadwick set all of Wofford’s 3-point shooting records during his career. At the time of his graduation, Chadwick was the school record holder for 3-pointers in a game (11), season (84), and career (251) as well as attempts in a game (15), season (202) and career (636). As a senior, Chadwick scored 38 points against Army and added 36 points vs. Mercer. Against second-ranked Wake Forest, Chadwick scored a team-high 24 points.

**Jenny Nett ’02**
Nett was the Southern Conference Player of the Year in 2001-02 when she ranked 14th in the nation with a 21.1 scoring average. She was named the SoCon Player of the Week three times as a senior and was named to the All-SoCon Tournament team. Nett finished her career as Wofford’s all-time leading scorer with 1,896 points and a career scoring average of 17.2 points per game. She also holds the school records for field goals made in a career, field goals attempted and free throws made. In addition, Nett’s 38 points against Western Carolina on Dec. 30, 2001 remains tied for the school record for points in a game.
Dean Dan Maultsby ’61, Honorary Letterman
Dean Maultsby has been the dean and chief academic officer at Wofford for 27 years. He will retire from his position on campus on August 15. Dean Maultsby returned to campus in 1969 as a professor and was appointed dean of the college in 1980.

“Dean Maultsby has been a friend to students and student-athletes at Wofford for 27 years,” said Wofford athletic director Richard Johnson. “He has provided guidance and counseling to numerous students while helping to build Wofford’s outstanding academic reputation. Dean Maultsby has a unique understanding of the role that intercollegiate athletics plays on a college campus if done correctly. And he helped to ensure that athletics at Wofford were handled correctly.”

Robby Atkins ’65, Distinguished Service Award
Robby Atkins is a 1965 graduate of Wofford and a former varsity football letterman. He is a long-time supporter of Wofford athletics who annually funds the Robert D. Atkins Football Scholarship that is awarded to a Terrier football player. Atkins was a two-way starter for the Terriers from 1962-64 and currently serves as the co-chair of the Terrier Club Fund Drive.

“Robby’s contributions have provided numerous educational opportunities for student-athletes for many years,” said Johnson.

Editor’s Note: This marks the first “Around the Water Bowl – Terrier Talk” to be sent via the College’s Mailshot e-mail distribution service. Fans are encouraged to click the “EConnect” link on the athletics website and sign-up to receive “The Water Bowl” in this new graphical form. If you are unfamiliar with the newsletter, it is intended to update supporters to the many happenings outside the lines at Wofford athletic events. The newsletter isn’t new, 175 of these newsletters have been written dating back to August 27, 2003. Occasionally we also get questions about the name. It’s simple really. Humans talk around a “water cooler.” We figured terriers must yap around a “water bowl.” Enjoy!

“Growing Up Gold” Week set for October 20-27 to end with the 2nd Annual Girl Scouts Day at Wofford
The 2nd Annual “Girl Scouts Day” at Wofford is slated for Saturday, October 27. Last year over 120 Girl Scouts participated in this special event that involved the Wofford volleyball, women’s soccer and women’s basketball teams. The scouts moved through a series of stations over the course of the morning and afternoon with each squad learning the basics of basketball, volleyball and soccer. One station also taught the proper ways to stretch and warm-up before beginning physical activity. The day will culminate with the Scouts attending the Wofford-Elon volleyball
culminate with the Scouts attending the Wofford-Elon volleyball match inside the Benjamin Johnson Arena at 6:00 p.m.

The 2007 Girl Scout Day at Wofford has been promoted to troops in 19 counties across the state. “The Girl Scouts of SC appreciates the way Wofford College reaches out to the local community of youth, especially our girl population. This yearly event of a Girl Scouts Sports Day with Wofford is quickly becoming a valuable partnership. Girls in grades K-5 to Eighth grade are being exposed to NCAA student athletes while being challenged to become physically fit and set high academic goals that will set them up for a lifetime of success. It also provides the Wofford community with a fun opportunity for service to youth that pays multiple dividends,” said Sara Street, Regional Program Manager for the Girl Scouts of South Carolina-Mountains to Midlands Chapter.

“We were very pleased with the turnout last year and this is a great opportunity not only for the scouts, but for our student athletes to interact with area youth,” said assistant athletic director for marketing and promotions Lenny Mathis. “We’re excited to have this event back here and hope to make it bigger and better each year.”

The Girl Scout Day actually wraps up “Growing Up Gold Week” at Wofford where an entire week’s worth of athletic events will focus on raising the next generation of Terrier fans.

**Number of the Week**

77 – The number of victories compiled by Conley Snidow, the Terriers head football coach from 1953 to 1966. Snidow remained at Wofford after retiring as head coach to become athletic director. The offensive scheme operated by today’s Terriers traces its roots to that of Snidow’s squads. Snidow passed away last weekend at the age of 91. Prior to Saturday’s game the College will honor Snidow as the football team will wear “CS” decals on the helmets and the 1970 NAIA Runner-Up flag in the stadium will be shown at half-staff for the remainder of the season. The 77 wins and 14 seasons as coach both rank behind only Mike Ayers on the all-time coaching records at Wofford.

TERRIER GAMEDAY: Notes for Saturday's Homecoming game vs. Georgia Southern

Eighteen football seniors will play their final home regular season football game at Gibbs Stadium on Saturday as the Terriers host Georgia Southern on Homecoming. Kickoff is set for 1:30 p.m. The game is not televised, but fans can listen in on ESPN 1400 or at www.espn1400am.com.

Check out this link for the TERRIER GAMEDAY page for more details on this week’s action.

There is plenty to keep fans busy on Saturday beside what should be an outstanding football game. Four high school bands will perform on Saturday, including a very special Homecoming halftime. The bands are JL Mann Academy (Greenville), Eastside High (Taylors), E. Rutherford High and Chase High (Forest City, NC).

Also, prior to kickoff, Wofford will participate in the Wounded Warrior Project (WWP). WWP is a non-profit organization dedicated to assisting those men and women of the US armed forces who have been severely injured during conflicts in Iraq, Afghanistan and other locations around the world. Ramon Guitard will participate in the coin toss along with US Senator Joe Biden (Delaware) who is a guest of the President’s Office.

Fans are encouraged to enter the stadium early to participate in the many pre-game activities. Also, a reminder that the field will be closed post-game this Saturday, as three of the four high school bands will create a special post-game show that everyone is encouraged to stick around and enjoy. The postgame show (with performances by Eastside, E. Rutherford and Chase) will last approximately 30 minutes.

TERRIER GAMEDAY: Notes for Saturday’s game at Chattanooga
It all comes down to this for the Terrier football team. A win Saturday at Chattanooga (2:00 p.m. kickoff, ESPN 1400 & espn1400am.com, no TV) and hopes for a playoff berth are alive and the ‘Dogs will at least share a SoCon championship. The topsy-turvy SoCon race this year sees four teams (half the league) in the hunt for the title (Elon, Georgia Southern and Appalachian State and of course Wofford.)

Should Wofford desire to make another trip to Chattanooga in mid-December, they’ll have to win Saturday’s mid-November match-up. For more here is this week’s TERRIER GAMEDAY link.

The first round of the SoCon Tournament is played on the campus sites of the higher seed, meaning Wofford will make the 30-minute trip to Furman to face the top-seeded Paladins. The match at Stone Stadium begins at 6:00 p.m. on Saturday. For more men’s soccer notes, see the “Number of the Week” at the bottom of this week’s newsletter.

VOLLEYBALL: “Think Pink” event Friday; final match Saturday at 2:00
The Wofford volleyball team will host College of Charleston this
The Wofford volleyball team will host College of Charleston this Friday night (Nov. 9) at 7:00 p.m. inside the Benjamin Johnson Arena. At the match, the Terriers will show their support of the "Digs for the Cure" campaign to benefitting the Susan G. Komen for the Cure Foundation.

The Terrier volleyball team will wear pink shoelaces and pink ribbons in a show of support for the campaign. Fans who wish to make a pledge or donate to the Komen Foundation may do so as they enter the Arena on Friday. Admission is only $3.00 and there will be giveaways for fans including free Frosty (or other dollar menu item) coupons to local Wendy's restaurants.

This is the first of two “Think Pink” events Wofford will host. The second will take place on Saturday, February 9th as the women’s basketball team hosts Georgia Southern. More details will be announced about the February “Think Pink” in the coming weeks.

The Dig for the Cure campaign was originally started in 2003 by Charlotte head coach Lisa Marston and has spread to numerous other volleyball programs across the country since. The Susan G. Komen Breast Cancer Foundation was established in 1982 by Nancy Brinker to honor the memory of her sister, Susan G. Komen, who died from breast cancer at the age of 36. Today, the Foundation is an international organization with a network of more than 75,000 volunteers working through local affiliates and events like the Komen Race for the Cure® to eradicate breast cancer as a life-threatening disease. A global leader in the fight against breast cancer, the Foundation fulfills its mission through support of innovative breast cancer research grants, meritorious awards and educational, scientific and community outreach programs around the world. Together with its Affiliate Network, corporate partners and generous donors, the Komen Foundation has raised more than $740 million for the fight against breast cancer. For more information about breast health or breast cancer, visit the Foundation’s award-winning Web site at www.komen.org or call the Foundation’s National Toll-Free Breast Care Helpline at 1.800 I’M AWARE® (1.800.462.9273).

The Terriers will play their final match of 2007 at 2:00 p.m. Saturday inside the “BenJo” against The Citadel.

Number of the Week
4 – The number of career goals for senior men’s soccer player Kyle Walker (Inman, S.C.). What makes this special is that all four were scored since last Friday! Walker scored his first career goal Friday in a win over Lipscomb. Last night (Nov. 7) in a 5-1 win over Birmingham-Southern, he became the first Terrier to net a hat trick (three goals in a game) since Jody Redmond (at Limestone) in 1994. This means that Walker goes down in record books as the first player in the Division-I era to perform that feat. It took 69 career games to score, and in the final three games, he scores 4 goals. Not a bad way to end your playing career at Snyder Field, eh? The Terriers season continues Saturday in the first round of the SoCon men’s soccer tournament at Furman (6:00 p.m.).

TERRIER GAMEDAY: FCS Playoff Selection Show Viewing Party, Sunday at 3:00 p.m.

The stars aligned so to speak for the Wofford football program last Saturday. First, the ‘Dogs took care of their own business with a 42-16 win at Chattanooga to clinch at worst a share of the Southern Conference championship. Then, the Terriers needed a help from two in-state rivals, The Citadel and Furman, to complete what became a magical Saturday for the program. First, The Citadel knocked Elon from the top of the crowded league standings with a 42-31 in Charleston. Later in the day, Terrier fans were huddled around televisions, the internet, speakerphone and other technological devices to hear the end of Furman’s 24-22 win at Georgia Southern. The trifecta of events trimmed the Southern Conference from a four-way tie atop the standings to just two teams remaining on-top. Wofford and Appalachian State.

By virtue of the Terriers 42-31 win over the Mountaineers back in September, Wofford receives the Southern Conference’s automatic berth into the FCS Playoffs. With Wofford College earning the Southern Conference’s automatic bid to the NCAA FCS Playoffs, the Terriers will learn their opponent on Sunday, November 18 at 3:30 pm.

The public is invited to attend a special viewing party with the Wofford football team on Sunday, at 3:00 pm. The viewing party will take place at Leonard Auditorium inside Main Building on the Wofford campus. The event will begin at 3:00 p.m. with a series of short highlights of several games from the 2007 season.

At approximately 3:15, Southern Conference commissioner John Iamarino will present Wofford head coach Mike Ayers and the Terriers with the Conference’s FCS automatic bid certificate and the Southern Conference Championship trophy. At 3:30 p.m. the FCS playoff brackets will be announced live on ESPNU. The selection show is a half-hour program.

The viewing party will conclude at 4:00 p.m. on the portico.
The viewing party will conclude at 4:00 p.m. on the portico outside Main Building as the Wofford Alumni Office will have refreshments and light snacks for those in attendance and fans will have an opportunity to get autographs from the Terriers. A limited amount of Southern Conference football championship apparel will also be available after the event. Ben Wofford Books will have apparel available at their location on Church Street (on campus) beginning Monday, November 19.

All reservations of tickets are just that – reservations and card numbers will not be charged if the team does not receive a home game. To reserve your tickets call (864) 597-4090 today!

Season tickets for men’s games begin as low as $100 per seat. Women’s basketball season tickets are only $25. To order or for a ticket brochure call (864) 597-4090! The new site continues to be tweaked as information and features are being added daily.

Among many other features, the new site will also have streaming video capability through “TerrierVision” and exclusive online-streaming of selected home athletic events. “TerrierVision” is anticipated to be available later this month.

**HOOPS CENTRAL:** Hoops over the holidays; Women host UNCG this Saturday

With exams wrapping up for the fall semester, the Wofford basketball teams will look ahead to enjoying some hoops over the holiday break.

The Terrier women will next play at home on Saturday, December 15 against UNC Greensboro at 6:00 p.m. It is “Take a Kid to the Game” night as all kids 12 and under are admitted free with a paying adult. Adult tickets are only $3.00. At the half, the Terriers will get in the spirit of bowling that has taken over Spartanburg (Shrine Bowl on Saturday, PBA Tour event Sunday) and play “Basket-Bowling” where fans will get to bowl a basketball to win coupons to local restaurants, t-shirts and other goodies. The prizes won’t be in pin formation so you don’t have to be a decent bowler to have a shot at winning.

That will mark the last home event before Christmas as the team will head to Jacksonville for a tournament hosted by North Florida (Dec. 18-19) before returning home December 29 to face UNF. Admission is free to the Dec. 29th contest against UNF.

The men’s program will embark on a 10-day, 3,148-mile road trip on Saturday as they travel to Elon on Saturday (Dec. 15). Up next on the odyssey are four games in the Findlay Toyota Las Vegas Classic. The first two games are played on campus sites at Alabama (Dec. 17 live on CSS) and at Purdue (Dec. 19, live on ESPNU). The tournament ends in Las Vegas (Dec. 22-23) as the Terriers will face Texas Southern followed by either UT-Pan American or Bethune-Cookman. Both games in Las Vegas are available via video streaming at lasvegasclassiconlinetv.com.

The next men’s basketball home game is a SoCon affair against former Wofford assistant and now Chattanooga head coach John Shulman as the Mocs roll into the Benjamin Johnson Arena on

MEN’S BASKETBALL: Let there be free pizza for everyone tomorrow!

_Papa John’s to give fans five chances to win free pizza at tomorrow’s basketball game_

Wofford Sports Marketing and Papa John’s have created a way for everyone at Saturday’s Wofford-Furman basketball game inside the Benjamin Johnson Arena to walk away with a free pizza!

In fact, there will be five chances for the entire building to score a free pizza from Papa John’s, the official pizza delivery of the Terriers!

Here’s how it will work. For every media and the first coaches timeout of the second half on Saturday, one fan will get to shoot either a free throw, three-point shot or half court shot. The free throw will be good for the fan to win a free pizza for him or herself. The three-pointer will be good for a free Papa John’s Pizza for everyone in their seating section of the Arena. A shot made from half court will score every adult in the building a coupon for a free pizza.

“With Super Sunday this weekend, we thought this would be a great way to start the weekend with what should be a “Super Saturday” between Wofford and Furman,” said Keith Iskra, area director for Papa John’s.

Should the first four contestants miss their respective shots, “Peppy Slice” from Papa John’s will come on the court and shoot at the under 4:00 minute media timeout to give everyone two final chances to win a free pizza.

Here is a complete listing of events for Saturday’s action:
11:00 a.m. – Wofford women’s tennis vs. North Carolina A&T at the Reeves Tennis Center. Admission is free.

2:00 p.m. – Doors open to the Benjamin Johnson Arena
• Fans are encouraged to bring two canned food items to be donated to the Wofford vs. Furman “Food Fight.” The “Food Fight” will continue through the Wofford at Furman men’s game on February 18. All donations will be given to the Soup Kitchen at Second Presbyterian Church in Spartanburg. All fans who make a donation on Saturday will receive a free “Terrier Towel” compliments of Spartanburg Regional Sports Medicine.
• Jimmy John’s, official sponsor of the “Who’s the Boss” student spirit initiative will be giving out free “mini” sandwiches on the West Concourse.
• Saturday's game is presented by Spartanburg Regional Sports Medicine and will mark the 100th anniversary of the first Wofford-Furman basketball game in November 1908. All men's basketball alumni are invited back to the Arena for the game. For complete details for alumni, call 864-597-4090.
• The Pine Street School 4th grade Choir under the direction of Mary Koutroulias will perform the national anthem prior to tip-off. The performance is part of Pine Street School Day at Wofford as a portion of tickets sold at the school will be donated back to the PSS PTO.
• For the first time ever in Spartanburg, the Charlotte Bobcats "Rhythm Cats" will perform during the game and at halftime. The "Rhythm Cats" drummers perform nightly during home games for the NBA Charlotte Bobcats. Four of the seven member drum group will be with us on Saturday.
• In addition to all this, Wofford Sports Marketing has our usual popular promotions including the McDonald’s Cheeseburger Toss, the Sonic Shootout and the Raymond James Financial Basketball Toss.

Wofford College Receives NCAA Certification

INDIANAPOLIS, Ind. - The NCAA Division I Committee on Athletics Certification announced decisions today concerning the certification status of 37 Division I member institutions that have undergone the Association’s second cycle of athletics certification. Wofford College was one of 35 schools to receive certification.

The purpose of athletics certification is to ensure integrity in the institution’s athletics program and to assist institutions in improving their athletics departments. NCAA legislation mandating athletics certification was adopted in 1993.

The certification process, which involves a self-study led by an institution’s president or chancellor, includes a review of these primary components: governance and commitment to rules compliance; academic integrity; equity; and student-athlete well-being.

A designation of certified means that an institution operates its athletics program in substantial conformity with operating principles adopted by the Division I membership.

The following 35 institutions were certified: University of Arizona; Austin Peay State University; University of California, Irvine; Chicago State University; The Citadel; University of Connecticut; Duquesne University; Florida A&M University; Georgia Institute of Technology; Georgia State University; University of Houston; McNeese State University; Morgan State University; University of Nevada, Las Vegas; Nicholls State University; Pennsylvania State University; Pepperdine University; Purdue University;
Robert Morris University; Sacred Heart University; St. Peter’s College; University of South Florida; Southern Illinois University at Carbondale; University of Oklahoma; University of Texas at Arlington; University of Texas at Austin; University of Texas at El Paso; University of Texas at San Antonio; University of Toledo; Utah State University; Virginia Polytechnic Institute & State University; Western Michigan University; University of Wisconsin, Green Bay; Wofford College; and Xavier University.

In addition, two Division I institutions have been certified with conditions: Hampton University and New Mexico State University.

This classification means that the institution is considered to be operating its athletics program in substantial conformity with operating principles adopted by the NCAA's Division I membership. However, problems identified during the course of the institution's self-study and the peer-review team's evaluation were considered serious enough by the Committee on Athletics Certification to cause it to withhold full certification until those problems have been corrected. The NCAA does not divulge specific information related to an institution’s self-study or peer-review visit or specific information concerning the conditions set forth for certification.

The second round of athletics certifications is being completed on a 10-year cycle rather than the five-year cycle used during the initial certification process. All 326 active Division I members participate in the certification process.

The Division I Committee on Athletics Certification preliminarily reviews an institution’s certification materials and provides a list of issues identified during the evaluation. The university then hosts a visit by peer reviewers who file a report regarding the institution’s resolution of those issues before a final certification decision is rendered. An institution’s failure to satisfactorily respond to the committee may negatively impact certification status.

The certification process is separate from the NCAA’s enforcement program, which investigates allegations of rules violations by NCAA member institutions. A decision of certified does not exempt an institution from concurrent or subsequent enforcement proceedings.

The NCAA Committee on Infractions may ask the Committee on Athletics Certification to review an institution’s certification status as a result of the completed infractions case.

The members of the Committee on Athletics Certification are: Robert Bernardi, Nicholls State University; McKinley Boston Jr., New Mexico State University; Wheeler Brown, North Carolina A&T State University; Rita Hartung Cheng, University of Wisconsin, Milwaukee; Casey Comoroski, Missouri State University; Beatrice Crane Banford, Marshall University; Amy Folan, University of Texas at Austin; Judy Genshaft, University of South Florida; Joanne Glasser, Bradley University; Nathan Hatch (chair), Wake Forest University; Brian Linnane, Loyola College (Maryland); M. Dianne Murphy, Columbia University-Barnard College; Gloria Nevarez, University of Oklahoma; Sheila Patterson, Cleveland State University; Donald Pope-Davis, University of Notre Dame; Allison Rich, California State University, Fullerton; Christopher Rittieri, University of Utah; and Jon Steinbrecher, Ohio Valley Conference.

SPARTANBURG, S.C. – The Southern Conference announced on Wednesday its Academic All-Conference teams for the 2007-08 winter season. A total of 137 student-athletes in five sports, representing all 11 Southern Conference institutions, were named to the team. Two Wofford College Teams Earn NCAA APR Accolades

SPARTANBURG, S.C. – The Wofford College football and men’s tennis teams received praise from the National Collegiate Athletic Association on Thursday with public recognition awards for their latest Academic Progress Rate scores. These teams posted multi-year APR scores in the top 10 percent of all squads in their respective sports. The public recognition awards are part of the broad Division I academic reform effort.

This marks the third straight year that the football and men’s tennis teams at Wofford have been recognized. Football was 9-4 last season, won the Southern Conference Champion and reached the second round of the NCAA Playoffs. Men’s tennis was 12-11 on the season and reached the semifinals of the Southern Conference Tournament.

The NCAA honored 712 Division I sports teams with public recognition awards for their latest multi-year Academic Progress Rate scores. Nationally, only 25 football teams were recognized by the NCAA. Wofford and Furman were the only Southern Conference schools honored. Among men’s tennis teams, only 27 were recognized, with Wofford the only Southern Conference school on the list.

These teams posted multi-year APR scores in the top 10 percent of all squads in their respective sports. The teams recognized this year represent 11.4 percent of the 6,272 Division I teams. The list includes 401 women’s teams and 311 men’s or mixed squads. A total of 192 Division I institutions had at least one team on the top APR list. High-performing teams receiving awards posted APR scores ranging from 965 to a perfect 1,000 over the data collection period.

“Congratulations to these teams and their student-athletes for success in the classroom,” NCAA President Myles Brand said. “They are setting a great example for their peers and
NCAA President Myles Brand said. “They are setting a great example for their peers and future student-athletes, as well.”

The effort is part of a public-recognition program the Division I Board of Directors approved in January 2006. Multi-year APR scores for all 6,272 Division I sports teams, including the teams receiving public recognition awards, will be announced May 6. The announcement also will include immediate and historically based penalties for low-performing teams.

IN THE COMMUNITY: Nine student athletes join in the fun of Miracle League baseball

"Every child deserves the chance to play baseball."
That is the goal of the Miracle League, a baseball league designed specially for children with disabilities. On Monday, April 28, nine Wofford student athletes participated as "buddies" for a pair of Carolina Miracle League games at Miracle Park located in the North Spartanburg Sports Complex in Boiling Springs, S.C.

Monday’s festivities were part of an annual "Appreciation Night" to the many agencies that helped to build Miracle Park. The Carolina Miracle League is a non-profit organization founded in 2001 to build a baseball diamond tailored to the special needs of children with disabilities. Miracle Park opened in April 2007 and features a ProTraxx playing surface that accommodates wheelchairs and walkers.

Nine Wofford student-athletes, along with staff from Spartanburg Regional Healthcare System participated in the doubleheader. The Terriers who participated on Monday were Mary Rea and Erika Bishop (women’s soccer), Brittany Thompson (volleyball), Nick Schuermann and Joey Taylor (men’s soccer), Colleen Rice (women’s golf), Cayley Wetzig (women’s tennis) and Ryan Young and Brad Miller (football). Assistant athletic director for marketing and promotions Lenny Mathis has volunteered with the league since 2003.

The Wofford student-athletes participated as "buddies" for both games which includes assistance with batting, fielding where necessary and running the bases.

This spring the Carolina Miracle League expanded to serve over 80 children spread over six teams. Five Spartanburg area colleges and the Southern Conference have teamed up to defray the cost of uniforms by sponsoring teams.

On Monday, the Raptors (Sherman College of Straight Chiropractic) played the SoCon Sluggers (Southern Conference) followed by the Spartans (USC Upstate) against the Miracle.
followed by the Spartans (USC Upstate) against the Miracle League’s Wofford Terriers. The league’s two remaining teams are the Valkyries (Converse) and Pioneers (Spartanburg Methodist).

The Carolina Miracle League serves children with disabilities in Spartanburg, Union and Cherokee Counties in South Carolina as well as Polk and Rutherford Counties in North Carolina.

To learn more about the CML, log onto www.carolinamiracleleague.com or come cheer on the teams during the four remaining dates of the spring season (May 1, 3, 10 and 17). The CML Terriers will play the mornings of May 3, 10 and 17 at either 10am, 11am or Noon.

Among the stars of the game were football assistant coach Aaron Johnson who hit a solo homer and head football coach Mike Ayers went all 7 innings behind the plate for the Stingers with a single thrown in for good measure. held to four hits, one from Ayers and the other three from marketing assistant Lisa Cherry, head women’s tennis coach Katie Hangstefer and volleyball assistant Tara Brooks (“A league of Their Own” anyone?). Women’s hoops assistant Brooke Wilhoit reeled in a nice catch on a fly ball to left off the bat of media relations assistant Travis Woods. In case you were wondering, yes, we took the game way too seriously. No college athletic department in America has more fun coming to work everyday than we do.
