Wofford Cross Country and Track Coach Resigns

SPARTANBURG, SC – Wofford College cross country and track and field head coach Andrea Stehman has announced that she will be leaving her post at the conclusion of the 2008 track and field season to take a position in the Wofford College Admission Office. Stehman is in her third season at the helm of the Wofford cross country programs. She joined the department as head men's and women's cross country coach and assistant track and field coach in April 2005. She assumed the head coaching duties for the track & field team during the summer of 2005.

She coached a pair of Southern Conference champions, Crystal Belcher and the male outdoor field performer of the year Katon Bethay at the league meet in May 2006. The cross country teams have shown continual improvement over the three years as well. Overall, school records have been set in nine events, including men's 8k cross country, women's 5k cross country, men's 400 meter outdoor and women's indoor and outdoor 5,000 meters. Academically, both the men's and women's cross country teams have had numerous members named to the Southern Conference All-Academic Team and Lauren Bosshardt earned Academic All-District honors. In addition, the squads have been honored by the U.S. Track and Field and Cross Country Coaches Association as All-Academic Teams.

A 2002 graduate of Butler University, Stehman served the 2003-04 and 2004-05 seasons as the assistant coach with the cross country and track and field programs at her alma mater.

Stehman helped the 2004 Butler men's and women's cross country teams qualify for the NCAA Championships, where the men placed fourth. During her tenure, she was instrumental in Butler producing four Horizon League team champions, four individual champions and 16 All-Horizon League selections.

With the track and field programs, Stehman played a part in four NCAA Championship qualifiers, 19 Horizon League individual champions, 45 All-League honorees and a NCAA steeplechase champion (Victoria Mitchell, 2004). Butler track and field set 11 school records under her guidance.

As a student-athlete at Butler, Stehman served as co-captain of the track and field team. After completing her bachelor's degree in three years, she attended the University of Maryland for her final year of competition as she began work on her graduate degree. She was a co-captain of the 2003 Terrapins' team as Maryland had its highest ACC finish since 1995. Stehman received a Master's of Science in Education degree. Wofford College will begin a search for her replacement.

Men's and women's cross country set to report

August 22, 2008

SPARTANBURG, S.C. - The new campaign under head coach Bryan Jackson is ready to begin as both the men's and women's cross country teams report to campus on Sunday. Both teams are scheduled to start practice on Monday morning.

Coach Jackson is looking forward to this preseason on seeing where his teams stand coming back from summer break. Jackson stated, "Right from the first workout Monday morning I am looking to see who came back in shape and who did not. Being it's my first year with these teams, I am going to be evaluating them on their strengths and weaknesses in order to develop an individualized training regimen for each athlete that will aim to improve their weakness and turn it into strength."

The Terriers return nine runners on the women's side while adding two newcomers to a team which finished 11th place in the Southern Conference. On the men's side Jackson welcomes back 10 guys and only one newcomer to a team that placed 10th in the Southern Conference. Although previous finishes in the conference have been low, he is looking to build from the beginning. "I want to establish the expectations I have for practice, in making us the hardest working team in the conference. As for performance goals, I have a goal of every member on the team running a new personal record this season which would lead to both the men's and women's teams achieving their highest finish ever at the Southern Conference Championships."

To reach these new heights, both teams will be upping their practice regimen set forth by Jackson. The plan is to pride themselves on work ethic as well as implementing a new strength training regimen to better themselves for competition.

With new goals and ambitions in place, both teams will open their respective seasons as they compete in the Eye Opener Invitational hosted by USC Upstate in Spartanburg on September 6. Wofford will also host the Southern Conference Championship for the first time in school history November 1 at Milliken Park.
