Re: Interim and COVID-19 update

We trust you’re well and have enjoyed a nice holiday and start to the new year.

As planned before break, students return to campus and move into residence halls on Sunday, Jan. 9 for in-person instruction and the beginning of Interim. Residence halls open at noon. Because of the prevalence of the omicron variant, we are asking every member of our community to recommit to the health and wellness of all. Together we can successfully navigate the next phase of this pandemic.

As you prepare to return to campus, please review the following COVID-19 safety protocols.

**PRE-ARRIVAL TESTING**

Please note three options for completing the appropriate pre-arrival testing or certification. You must successfully perform one of the options.

1. Wofford will require all students and employees (both vaccinated and unvaccinated) to submit a negative COVID-19 test prior to returning to campus for the start of classes. Tests must be administered by Jan. 8. The college will accept a lab test, a rapid test or an at-home test (if the test includes a personal virtual visit with an eMed certificate to prove person, date, time and results of test). Negative test results should be uploaded to the Wellness Center patient portal on my.Wofford.edu before returning to campus. Students should upload their results by 11 a.m. on Jan. 9 if possible.

2. Some testing facilities have a backlog, so students may return to campus if they are awaiting results from a test taken Jan. 5-8, as long as they have no COVID-19 symptoms. Students in this situation should email COVID@wofford.edu, giving the date of their test, to get email permission to return.

3. If you have tested positive in the past 90 days, please upload that test, and the Wellness Center will notify you of your return to campus date. You do not need to submit a negative test to return to campus if you have tested positive in the past 90 days, but we must have record of that positive test.

**INTERIM AND SPRING SEMESTER COVID-19 TESTING**

All unvaccinated students and employees MUST continue weekly testing and submission of results to the Wellness Center’s patient portal. The college will continue to host a DHEC testing site in the Benjamin Johnson Arena from 9:30 a.m. until 6 p.m. on Wednesdays. Anyone may take advantage of this service, and it’s a good way to ensure that you are not COVID-19 positive and asymptomatic. DHEC also has other testing days, times and locations in our area if that’s more convenient. Visit the FAQs at Wofford.edu/coronavirus to review consequences for failure to comply.
Masks
Wofford will begin Interim with a strict masking policy in place. Everyone, regardless of vaccination status, will wear masks indoors in common spaces. We ask that you recommit to wearing your mask properly (covering the nose and mouth) when you walk into all campus buildings. You must wear a mask in dining areas unless actively eating or drinking. Masks also are required in the fitness center, administrative buildings and academic buildings, including all halls, auditoriums, study spaces, classrooms and labs. You are not required to wear a mask in residence halls or outdoors unless you are symptomatic or coming off quarantine for COVID-19.

Isolation and Quarantine
Please familiarize yourself with the isolation and quarantine guidance from the CDC. If you contract COVID-19, you will be asked to provide your own isolation and quarantine housing if possible. Because we are all together for in-person learning, the college’s residence halls and apartments are full, with limited capacity for isolation and quarantine. The good news is that fully vaccinated students — that means students who have the original doses of the COVID-19 vaccine and the booster — will not be required to quarantine, unless symptomatic, so this should reduce significantly our need for extra beds.

COVID-19 Vaccine Boosters
Public health experts highly recommend booster shots for COVID-19 because they more than double effectiveness against the omicron variant (to 80-85%) and are nearly 95% effective against delta. Boosters also reduce the severity of COVID among those infected. Students and employees who are boosted do not have to isolate or quarantine after contact with someone who has COVID-19.

Because keeping our community safe and together is our priority, Wofford College will require COVID-19 booster shots of all students, faculty and staff, unless previously exempted.

Booster proof must be uploaded to the college’s Wellness Center patient portal at my.Wofford.edu by the end of Spring Break (Sunday, April 10). We urge everyone to be boosted as soon as possible. Remember, individuals who are boosted will not need to isolate or quarantine after COVID-19 contact.

Not Feeling Well?
During Interim and the spring semester it is important that we all self-monitor our symptoms and do our part to protect others in our community. Contact the Wofford Wellness Center at covid@wofford.edu if you are not feeling well or suspect that you have been around someone with COVID-19.

As the pandemic enters its third year, we cannot thank you enough for your patience, flexibility and commitment to our community. We are all honored to serve this college and all of you.

Study Abroad in Copenhagen, Denmark this May!
Details: Copenhagen, Denmark has been labeled a green, smart city with sights set on being carbon neutral by 2025. This 12-day travel/study course will take students to Denmark to explore the ways communities in and around Copenhagen achieve sustainable outcomes. Enrolled students will meet periodically throughout the spring semester to prepare academically and logistically for travel to Denmark (departure on May 23). Once on-site, activities will include a mixture of classroom lectures/discussions and experiential field studies throughout the city, which will revolve around sustainable transportation, urban planning, energy conservation, and sustainable food production. Pre-requisites for the course include concurrent enrollment in ENVS 160 for Spring 2022, or successful completion of ENVS 151 or ENVS 160 in a previous semester. Students who have not traveled abroad previously are especially encouraged to apply. Applications will be considered on a rolling basis and there are limited seats available. **Study Abroad in Copenhagen, Denmark this May!**

**Details:** Copenhagen, Denmark has been labeled a green, smart city with sights set on being carbon neutral by 2025. This 12-day travel/study course will take students to Denmark to explore the ways communities in and around Copenhagen achieve sustainable outcomes. Enrolled students will meet periodically throughout the spring semester to prepare academically and logistically for travel to Denmark (departure on May 23). Once on-site, activities will include a mixture of classroom lectures/discussions and experiential field studies throughout the city, which will revolve around sustainable transportation, urban planning, energy conservation, and sustainable food production. Pre-requisites for the course include concurrent enrollment in ENVS 160 for Spring 2022, or successful completion of ENVS 151 or ENVS 160 in a previous semester. Students who have not traveled abroad previously are especially encouraged to apply. Applications will be considered on a rolling basis and there are limited seats available. For more information, visit the program website below. The application due date is Friday, Jan. 14.

Dear Wofford community,

Monday our country will remember the life and legacy of the Rev. Dr. Martin Luther King Jr. Our campus views it as a “day on,” and a committee has thoughtfully identified ways to help us all serve, work toward social justice and take a closer look at our campus history while providing opportunities for us to listen to each other. I strongly encourage everyone to participate.

The National Weather Service has issued a winter storm watch for the weekend, and the MLK Planning Committee has adjusted its plans to provide the following virtual events on Monday, Jan. 17:

Dr. Dwain Pruitt ’95, chief equity officer, will moderate “What’s in a Name? History and Memory at Wofford College,” which will include faculty from various departments and perspectives, at 10:30 a.m. Register for the Zoom webinar HERE.

Dr. Kim Rostan, associate professor of English, and Jessalyn Story, director of Bonner Scholars and service learning, will host a virtual panel discussion titled “You Can Keep The Mule: Let’s Explore Reparations Models” at 12:30 p.m. Dr. Earl Lewis, who directs a Mellon-funded initiative that Wofford is participating in, will lead the discussion. Register for the Zoom webinar HERE.

The Beloved Community WoffordX Talks will be held at 4 p.m. Register for the Zoom webinar HERE. Members of our community, including students, alumni and a professor emeritus, will give a series of talks based on the ideal of Dr. King’s beloved community and how it applies to Wofford College.

Other events that were originally planned for the day will be rescheduled because of the forecast, but you can visit Wofford.edu/MLKDAYON to see what’s planned.

I would like to thank those who served on the MLK Planning Committee for their time and thoughtful consideration for this year’s events: Jo Ann Brasington ’89, Nadia Ferguson ’25, Dr. Bria Harper, Brian Lemere, Sara Milani, Matthew Newton, Dr. Dwain Pruitt ’95, Dr. LaTasha Smith-Tyus, Jessalyn Story, Dr. James Stukes and Toria Teamer.

Sincerely,

Nayef

Re: Potential Winter Weather

The National Weather Service has issued a winter storm watch for Spartanburg County beginning Saturday night. Rain, a wintry mix and snow are expected.

Please monitor your Wofford email account for updates on campus operations. This will be the official way the college will communicate operation plans and updates. Information will also be posted on wofford.edu and the college’s social media accounts.

Food services
Burwell Dining Hall will open Sunday during its normal hours 10:30 a.m. to 7 p.m. The Galleria, Market and Terrier Grounds will be closed Sunday. On Monday, Burwell and Zach’s will open during normal hours. The Galleria, Acorn Café, Terrier Grounds and the Market will be closed Monday.

Please remember to follow the college’s COVID-19 requirements by wearing a mask when entering and exiting campus dining facilities.

Residence halls
Students should consider purchasing portable cellphone chargers and flashlights in the event campus buildings lose power for a prolonged period. Do not use heaters or any other outside heating sources in residence halls.

Wellness Center
Students seeking nonemergency medical care should first contact their resident assistant on call or if their insurance carrier has a telemedicine option, utilize that service. On Monday, the Wellness Center will monitor incoming calls if the office is closed due to weather. Students needing emergency medical attention should contact Campus Safety by calling 864-597-4911 to be transported to urgent care.

Campus Safety
Contact Campus Safety for any emergencies by calling 864-597-4911. If that number is impacted by a power outage, call 864-612-1177.

Internet services
Students should use the Terrier_Devices Wi-Fi network for personal devices, including SmartTVs, game consoles, wireless printers, video streaming devices, digital assistants and smart speakers. Use the Terrier network for laptops and cellphones.

Library
The Sandor Teszler Library will be closed Sunday because of the forecast, but many library services can be accessed online.

Employees
Employees should not take undue risks to get to and from campus. Please contact your supervisor if you are unable to report if campus is open or if opening is delayed.

Use caution
While on campus, be aware of the potential for falling ice from trees, buildings and building awnings, and of tree branches that may fall or become downed due to the ice/snow or the wind. The college’s facilities staff will work diligently to clear major sidewalks and roads on campus as necessary, but please be careful when walking and driving on campus. Please stay indoors as much as possible during inclement weather. Students are urged to remain on campus rather than risk taking vehicles on hazardous roads.

Students are reminded that they will have NO access to any of the campus athletics facilities for sledding or other similar activities. Students also are reminded that they are NOT ALLOWED to pull anyone on anything
other similar activities. Students also are reminded that they are NOT ALLOWED to pull anyone or anything behind their vehicles in the ice and snow. These activities are dangerous and have led to many accidents and injuries in the past.

Please report any problems to Campus Safety at 864-597-4911.

**COVID-19 requirements**
Remember that masks are required inside of all campus buildings except rooms in residence halls. Masks are required when entering and exiting dining facilities. Masks can be removed while actively eating and drinking.

Students, staff and faculty,

Yesterday, the message below was sent to you. Please read it.

Spartanburg County is now under a winter storm warning beginning at midnight. Please use caution when traveling across campus tonight and tomorrow, especially while walking along the perimeter of buildings and under large trees.

The college’s fitness center and Benjamin Johnson Arena are scheduled to be open tomorrow. Please be aware that Wofford is partnering with the Spartanburg County Office of Emergency Management to provide shelter for people who lose power. Two-thirds of the arena will be closed to students and one court will remain open for play. The arena will only be accessible by using the stairway from the East Concourse. The building’s elevator will be inactive.

Thanks for being kind to our displaced neighbors and emergency management staff while we embrace our responsibility to support the Spartanburg community.

Students, staff and faculty,

Please join us in thanking the teams in facilities, housekeeping, AVI dining services and Campus Safety for their commitment to keeping the college operational during this winter storm. Crews began working overnight to prepare our roadways and sidewalks for the snow and ice. Many will continue to work diligently through the night to ensure that our students are safe and fed.

Temperatures are expected to remain below freezing tonight and tomorrow morning. Staff scheduled to work Monday should work remotely. The Sandor Teszler Library will remain closed Monday, but many library services can be accessed online.

Please remember that the college is offering Martin Luther King Jr. Day programming via Zoom tomorrow. See the schedule of events and register in advance.

Be safe,

Students, staff and faculty,

Temperatures are expected to drop below freezing tonight and remain so for much of Tuesday morning. That will lead to icy conditions for many of the county’s roads. The college’s offices will open at noon Tuesday, Jan. 18, and classes will resume in person at that time. In-person classes will not be held Tuesday morning.

Since Interim courses are distinctive and are taught in different ways, faculty will decide individually how best to address lost class time tomorrow. Faculty should contact students in their classes about alternative plans for tomorrow's class meetings.

Faculty teaching afternoon classes are free to make alternative plans regarding those classes as well if they remain concerned about safety. Staff should contact their supervisors if they have difficulty reporting to campus.

Be safe,

Dr. Tim Schmitz  
Interim Provost

Memorandum
To: Wofford Students; Wofford Staff and Faculty
From: Wofford News
Date: January 18, 2022
Re: MLK Events

A few of the college’s Martin Luther King Jr. Day events have been postponed because of this past weekend’s winter storm. Today’s “They Spoke; We Must Speak” event, which includes a curated presentation of speeches by King and other civil rights leaders, will be rescheduled for 3 p.m. Wednesday, Jan. 19 in Room 122 in the Roger Milliken Science Center.

New times for postponed events will be included in the Daily Announcements and added to the college’s Martin Luther King Jr. Day webpage once events are confirmed.
Students, staff and faculty,

The college will resume normal operations on Wednesday, Jan. 19. Campus offices should open at 8:30 a.m. In-person classes will be held Wednesday morning.

Faculty are free to make alternative plans regarding their classes if they remain concerned about traveling safely to campus. Staff should contact their supervisors if they have difficulty reporting to campus.

Please continue to use caution when traveling to or across campus tonight and in the morning.

Be safe,

Roberta Hurley
