Re: Transitions in Campus Life and Student Development

Over the past month, the Division of Campus Life and Student Development (CLSD) has undergone several transitions.

Dr. Sandra Rouse, vice president for campus life and student development and dean of students, has resigned, effective Friday, Jan. 20 to pursue other opportunities.

Beth Wallace '82, associate vice president of campus life and student development and director of the wellness center, has agreed to take over in the interim. She offers a wealth of institutional knowledge and a commitment to our community and is looking forward to another opportunity to lead and serve.

Kendra Ivins has been promoted to director of residence life. She replaces Allen Lollis '15, who in December announced that he had accepted a position as dean of students at Spartanburg Methodist College. The campus community has been invited to a reception at 11:30 a.m., Tuesday, Jan. 17 in the Anna Todd Room of the Burwell Building to wish him well. Ivins came to Wofford in March 2022 from Middle Tennessee State University.

Seth Flanagan ’18 has been named assistant director of inclusive engagement. He works with student organizations and colleagues in CLSD and the Office of Equity, Diversity and Inclusion to organize events and foster a culture of inclusivity on campus. Flanagan will continue as the college’s rifle team coach as well.

Over the past semester, we also have welcomed new residence life coordinators and campus safety officers within CLSD.

Finally, the college is in the process of hiring a new mental health counselor and a part-time nurse practitioner. They will join other professionals in the newly renovated Wellness Center, which will open with the start of the spring semester.

Special thanks to staff in Campus Life and Student Development for always putting students first. We appreciate your efforts to keep our community safe, well, housed, engaged, active and encouraged to experience all that Wofford offers.

Timely Warnings are issued in an effort to make the Wofford College community aware of situations that present a potential threat to the safety and well-being of our community members and in compliance with the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act of 1990.

Wofford College takes all reports seriously, and we encourage people who experience or witness a crime to report.

Reported Offense
A car was stolen from the Shipp Parking Lot last weekend and another vehicle was broken into. Five vehicles have been stolen from campus this academic year. Three of those vehicles were recovered.

Safety Tips
Timely Warnings give us the opportunity to become more aware of our surroundings. We are responsible for taking care of each other, so if you notice someone being victimized or become aware of a situation that you think has the potential to impact someone’s safety and well-being, safely intervene or contact Campus Safety at 864-597-4911.

1. Secure vehicles when parking by rolling up windows and locking doors.
2. Avoid leaving items visible in vehicles. Minor items to you, including spare change or empty bags, can draw the attention of people looking for valuables.
3. Stash electronics and any other items that must be left in your vehicle out of sight.
4. Get in the habit of putting items that you want hidden in your vehicle’s trunk before arriving at your destination.
5. Never leave a vehicle’s keys inside of the vehicle.
6. Report break-ins by calling 864-597-4911. Be prepared to identify the location of a break-in, a description of the suspect and the direction they might take if fleeing. Also, gather as much information as you can safely, including the color, make, model and license plate number of any vehicles used.
7. Students are encouraged to fill out the Operation ID Property List with the Office of Campus Safety to record valuables and serial numbers for items to increase the likelihood of those goods being found if stolen. Find more information.

Download the free Rave Guardian app from the App Store or Google Play. Enter Wofford College when you open it, and you will have access to an alert button, a virtual escort, a chat with the officers and a list of helpful numbers.
