To: Wofford Students; Wofford Staff and Faculty
From: Nayef Samhat, President
Date: June 2, 2023
Re: Campus Life and Student Development updates

Please join me in congratulating Beth Wallace for accepting the role of vice president for campus life and student development and dean of students. She served as the division's interim vice president this past spring.

Beth is a 1982 Wofford graduate. She earned a Bachelor of Science in Nursing from Emory University Nursing School, and she holds a master's degree from the University of South Carolina. She's also a licensed professional counselor in the state.

Beth returned to Wofford in January 1991 as the director of the Wellness Center. The wellness program, disability services, counseling services, the behavioral intervention team, medical services and the Alcohol Risk Reduction Program are just a few of the initiatives and improvements that Beth has implemented. She also has been instrumental in the development of a comprehensive first-year orientation and inclusion program.

Below, you'll find additional updates from Campus Life and Student Development, including staff promotions and new hires. Please join me in congratulating and welcoming our colleagues in Campus Life and Student Development.

Promotions:

- Kellie Buckner '01 is assistant director of counseling.
- Seth Flanagan '18 is director of inclusive engagement.
