The following is the inscription on the tombstone of the founder of Wofford College:

"Entombed beneath are the mortal remains of the Rev. Benjamin Wofford, son of Joseph and Martha Wofford, who was born the 19th day of October, A. D. 1780, and departed this life, in the full triumphs of the Christian faith, the 2nd day of December, A. D. 1850, aged 70 years, 1 month, 13 days.

"For 48 years he was a member of the Methodist Episcopal Church; for 46 years a Minister of the Gospel. He gave to the country and the church an institution for the benefit of which countless thousands yet unborn may have reason to be thankful, and reverence the donor's name.

"Peace to his ashes."

The Alumni Hall, into which the Fitting School has been moved, is a four-story brick building, containing nineteen bedrooms, a large, well-lighted and ventilated dining-hall, etc. The Head Master and the Matron live in the building. The discipline of the school is kind but firm, and each student is given as much work as he can accomplish consistently with thoroughness and good health. Students are required to take a regular course of training at the Gymnasium, under the Director.
